EWA A109mini Bluetooth Speaker Instruction Manual

Model: A109mini

Brand: EWA

1. INTRODUCTION

Thank you for purchasing the EWA A109mini Bluetooth Speaker. This ultra-compact and lightweight speaker is designed to deliver high-quality audio with deep bass, featuring a durable metal body and versatile connectivity options including Bluetooth and TF card support. Please read this manual carefully to ensure proper use and optimal performance of your device.

1.1 Package Contents

- EWA A109mini Bluetooth Speaker x 1
- USB Charging Cable x 1
- Instruction Manual x 1

2. PRODUCT OVERVIEW

2.1 Physical Features and Dimensions

The EWA A109mini speaker boasts an ultra-compact design, making it highly portable. Its robust stainless steel body ensures durability while providing a sophisticated appearance.

Image: The EWA A109mini speaker is shown resting on a person's palm, demonstrating its remarkably small and portable size.

Image: A hand holds the EWA A109mini speaker, showcasing its ergonomic design and compact form factor against a textured stone wall.

3. SPECIFICATIONS

Feature	Detail
Mounting Type	Tabletop Mount
Speaker Type	Woofer
Special Features	Bluetooth, Portable, Wireless
Recommended Uses	For Smartphones or Tablets
Compatible Devices	Smartphone
Color	Gray

Feature	Detail
Product Dimensions (L x W x H)	47mm x 47mm x 39mm
Product Weight	0.19 Kilograms
Waterproof	No
Power Source	Battery, Power Cord
Battery	1 Product-specific battery (included)
Manufacturer Reference	109 mini
Battery Type	Lithium Ion
Speaker Max Output	3 Watts
Frequency Response	0.01 Millihertz
Connectivity Technology	Bluetooth
Audio Output Mode	Surround

4. SETUP

4.1 Charging the Speaker

Before first use, fully charge the speaker. Use the provided USB charging cable.

1. Connect the small end of the USB charging cable to the charging port on the speaker.
2. Connect the larger end of the USB cable to a standard USB power adapter (not included) or a computer's USB port.
3. The built-in 500mA lithium battery typically takes about 2 hours to fully charge.
4. A full charge guarantees approximately 4 hours of playback time.

4.2 Initial Bluetooth Pairing

Pair your EWA A109mini speaker with your Bluetooth-enabled device (smartphone, tablet, etc.) to enjoy wireless audio.

1. Long press the control button on the speaker to power it on. The speaker will enter Bluetooth pairing mode, indicated by a flashing LED light.
2. On your device, enable Bluetooth and search for available devices.
3. Select "EWA A109mini" (or similar name) from the list of found devices.
4. The speaker should connect to your device within approximately 1 second. A confirmation tone or steady LED light may indicate a successful connection.
5. The communication range is approximately 10 meters (33 feet).

5. OPERATING INSTRUCTIONS

5.1 Bluetooth Playback

Once paired, you can stream audio wirelessly from your device to the speaker.

- Ensure the speaker is powered on and connected to your device.
- Start playing music or audio on your connected device. The sound will be output through the EWA A109mini speaker.

5.2 TF Card Playback

The speaker supports music playback directly from a TF (MicroSD) card.

1. Insert a TF card with your desired music files into the MicroSD card slot on the speaker.
2. The speaker should automatically detect the TF card and begin playing music.

5.3 Basic Controls

Use the integrated control button for various functions:

- **Click:** To play or pause the current track.
- **Rotate Left:** To skip to the previous track.
- **Rotate Right:** To skip to the next track.
- **Double Click:** To switch to selfie mode (if supported by your device and application).

6. MAINTENANCE

To ensure the longevity and optimal performance of your EWA A109mini speaker, follow these maintenance guidelines:

- Keep the speaker dry. Do not expose it to water or excessive moisture, as it is not waterproof.
- Clean the speaker with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Avoid extreme temperatures. Do not store the speaker in very hot or cold environments.
- Protect from impacts. While durable, excessive force or dropping from significant heights can damage internal components.

7. TROUBLESHOOTING

If you encounter any issues with your EWA A109mini speaker, please refer to the following common problems and solutions:

7.1 No Power

- Ensure the speaker is fully charged. Connect it to a power source and allow it to charge for at least 30 minutes before attempting to power on again.
- Verify that the charging cable and power adapter are working correctly.

7.2 Cannot Connect via Bluetooth

- Make sure the speaker is in pairing mode (LED flashing). If not, long press the control button to restart it.
- Ensure Bluetooth is enabled on your device and it is within the 10-meter communication range.
- Try forgetting the device from your phone's Bluetooth settings and re-pairing.
- Restart both the speaker and your Bluetooth device.

7.3 No Sound

- Check the volume levels on both the speaker and your connected device.
- Ensure the speaker is properly connected via Bluetooth or that the TF card is inserted correctly and contains playable audio files.
- If using a TF card, ensure the audio files are in a compatible format.

7.4 Poor Sound Quality

- Move the speaker closer to your Bluetooth device to improve signal strength.
- Avoid obstacles between the speaker and your device that might interfere with the Bluetooth signal.
- Ensure the audio source file is of good quality.

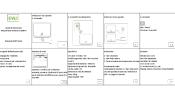

8. WARRANTY AND SUPPORT

Your EWA A109mini Bluetooth Speaker comes with a 12-month warranty from the date of purchase.

- The order number from your purchase will serve as your warranty certificate. Please retain it for future reference.
- For any product inquiries, technical support, or warranty claims, please contact our customer support team.
- We are committed to providing reliable customer support to ensure your satisfaction.
