Bluetooth Connection from Hohem Joy APP

01 TIPS

Make Sure your phone is connected to Bluetooth through the APP, not from the Bluetooth function on the Phone Settings.

01 Step

Click: "Connecting Device"

02 Step

Search Device; "iSteady Mobile+"-- Sure

03 Step

Click Device: "iSteady Mobile+"

02 TIPS

Open "Hohem Joy" APP and follow the Instructions below

 V1.01.11 Android 6.0+

 V1.1.7 iOS 11+

"Hohem Joy" App of Hohem iSteady Mobile+ (M5) was upgraded on May 20, 2022.

And "Hohem Gimbal" app can be also used for the former versions.

4. SETUP

4.1 Mounting and Balancing Your Smartphone

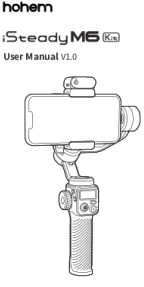

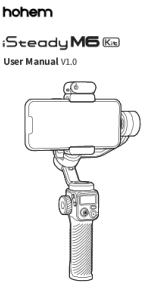

1. Ensure the gimbal is powered off before mounting your phone.
2. Extend the phone clamp and carefully insert your smartphone.
3. Adjust the phone's position within the clamp to achieve proper balance. The phone should remain level when the gimbal is powered off.

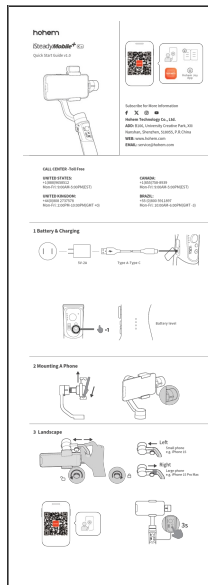

4.2 App Download and Bluetooth Connection

To unlock the full potential of your iSteady Mobile+ gimbal, download the Hohem Joy App.
