Yaheetech XL Bird Cage Instruction Manual

MODEL: YA-00089221

1. Introduction

Thank you for choosing the Yaheetech XL Bird Cage. This manual provides essential information for the safe assembly, operation, and maintenance of your new bird cage. Please read these instructions carefully before use and retain them for future reference. This cage is designed to provide a comfortable and secure habitat for small birds such as parakeets, canaries, finches, cockatiels, and similar species.

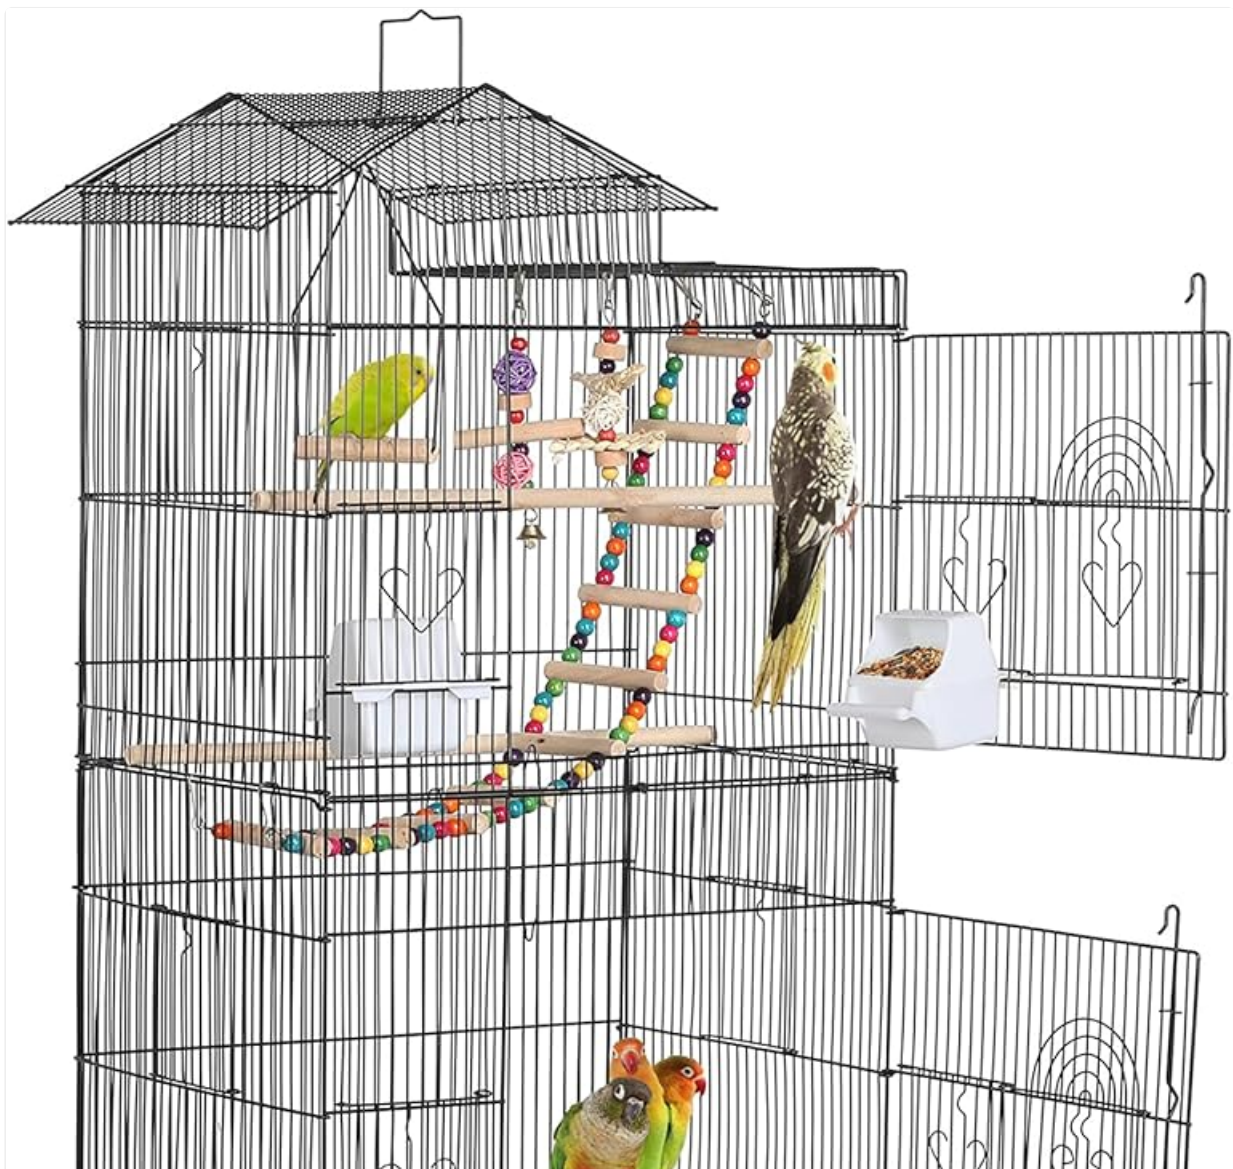

Figure 1: The Yaheetech XL Bird Cage with stand, birds, and accessories. This image displays the fully assembled Yaheetech XL Bird Cage, showcasing its spacious design, integrated stand with wheels, and various accessories like perches, feeders, and toys. Several small birds are visible inside the cage.

2. Safety Information

- Always ensure all parts are securely fastened before placing birds inside the cage.
- Keep small children and pets away during assembly to prevent accidents.
- Regularly inspect the cage for any damaged or loose parts that could harm your birds.
- Do not hang heavy objects on the cage or stand, as this may cause instability.
- Ensure the cage is placed on a stable, level surface. The swivel casters should be locked when the cage is in its desired position to prevent unintended movement.
- The bar spacing of 10 mm is designed to prevent birds from getting stuck. Ensure your bird species is suitable for this spacing.

3. Package Contents

Please verify that all components are present before beginning assembly:

- Bird Cage Frame (various panels)
- Stand with Swivel Casters
- 1 x Removable Plastic Bottom Tray
- 1 x Bottom Grid
- 3 x Wooden Perches
- 4 x Plastic Feeders/Waterers
- 2 x Toys (e.g., beaded ladder, swing)
- 1 x Swing
- 1 x Ladder
- 1 x Partition Grid (if applicable for your model)
- Assembly Hardware (screws, nuts, etc.)
- Assembly Instructions

4. Setup and Assembly

Assembly of the Yaheetech XL Bird Cage is designed to be straightforward. Follow the included assembly instructions for detailed, step-by-step guidance. Ensure all connections are secure for stability.

1. **Assemble the Stand:** Begin by assembling the metal stand components. Attach the legs to the base and secure the bottom storage shelf. Install the 360° swivel casters onto the bottom of the stand legs. Ensure the casters are firmly attached and can rotate freely.
2. **Assemble the Cage Panels:** Connect the side, front, and back panels of the cage according to the provided diagrams. Secure them using the designated clips or screws.
3. **Install the Roof:** Attach the roof section to the top of the assembled cage panels.
4. **Insert Trays and Grids:** Slide the bottom grid into place above the removable plastic bottom tray. Ensure the tray slides in and out smoothly for easy cleaning.
5. **Attach Accessories:** Install the wooden perches by hooking them onto the cage bars at desired heights. Attach the plastic feeders and waterers by sliding them into the designated openings on the cage doors. Place the swing, ladder, and other toys inside the cage as desired.

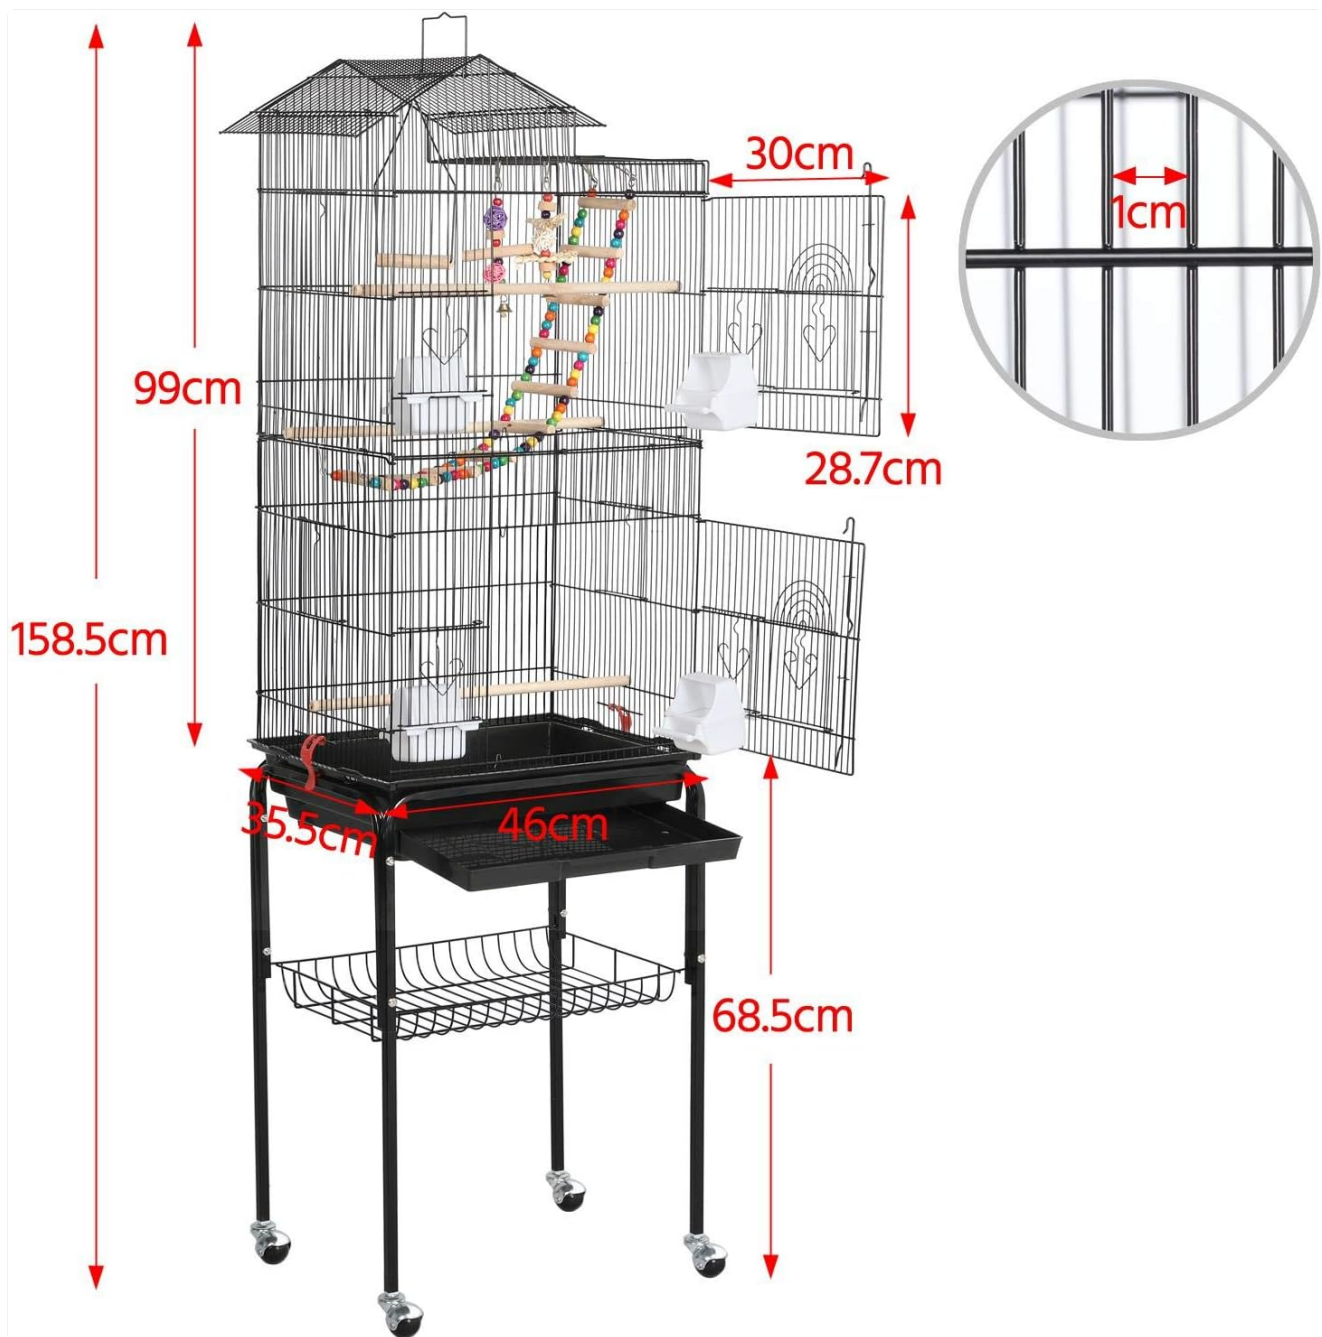

Figure 2: Dimensions of the Yaheetech XL Bird Cage. This diagram provides detailed measurements of the bird cage, including its total height of 158.5 cm, cage height of 99 cm, width of 46 cm, depth of 35.5 cm, and stand height of 68.5 cm. The bar spacing of 1 cm is also highlighted.

Figure 3: Feeder Installation. This image illustrates how to easily install or remove the plastic feeders from the cage, showing a hand guiding the feeder into place with arrows indicating vertical movement.

Figure 4: Bottom Storage Shelf. A view of the practical storage shelf located beneath the cage, providing space for bird food, supplies, or other items.

5. Operating Instructions

The Yaheetech XL Bird Cage is designed for ease of use and bird comfort.

- **Access Doors:** The cage features multiple doors for convenient access to your birds and for placing/removing accessories. Ensure all doors are securely latched after use to prevent escapes.
- **Feeder Access:** The plastic feeders and waterers are designed for external access, allowing you to refill them without opening the main cage doors, minimizing stress for your birds.
- **Mobility:** The 360° swivel casters allow for easy movement of the cage within your home. Lock the casters when the cage is in its desired stationary position.
- **Internal Environment:** Arrange the perches, swing, and ladder to provide varied levels and enrichment for your birds. Ensure there is enough space for them to move freely.

Figure 5: Internal Cage View. A detailed view inside the cage, showing various birds interacting with the included perches, ladders, and toys. This highlights the ample space and enrichment options for the birds.

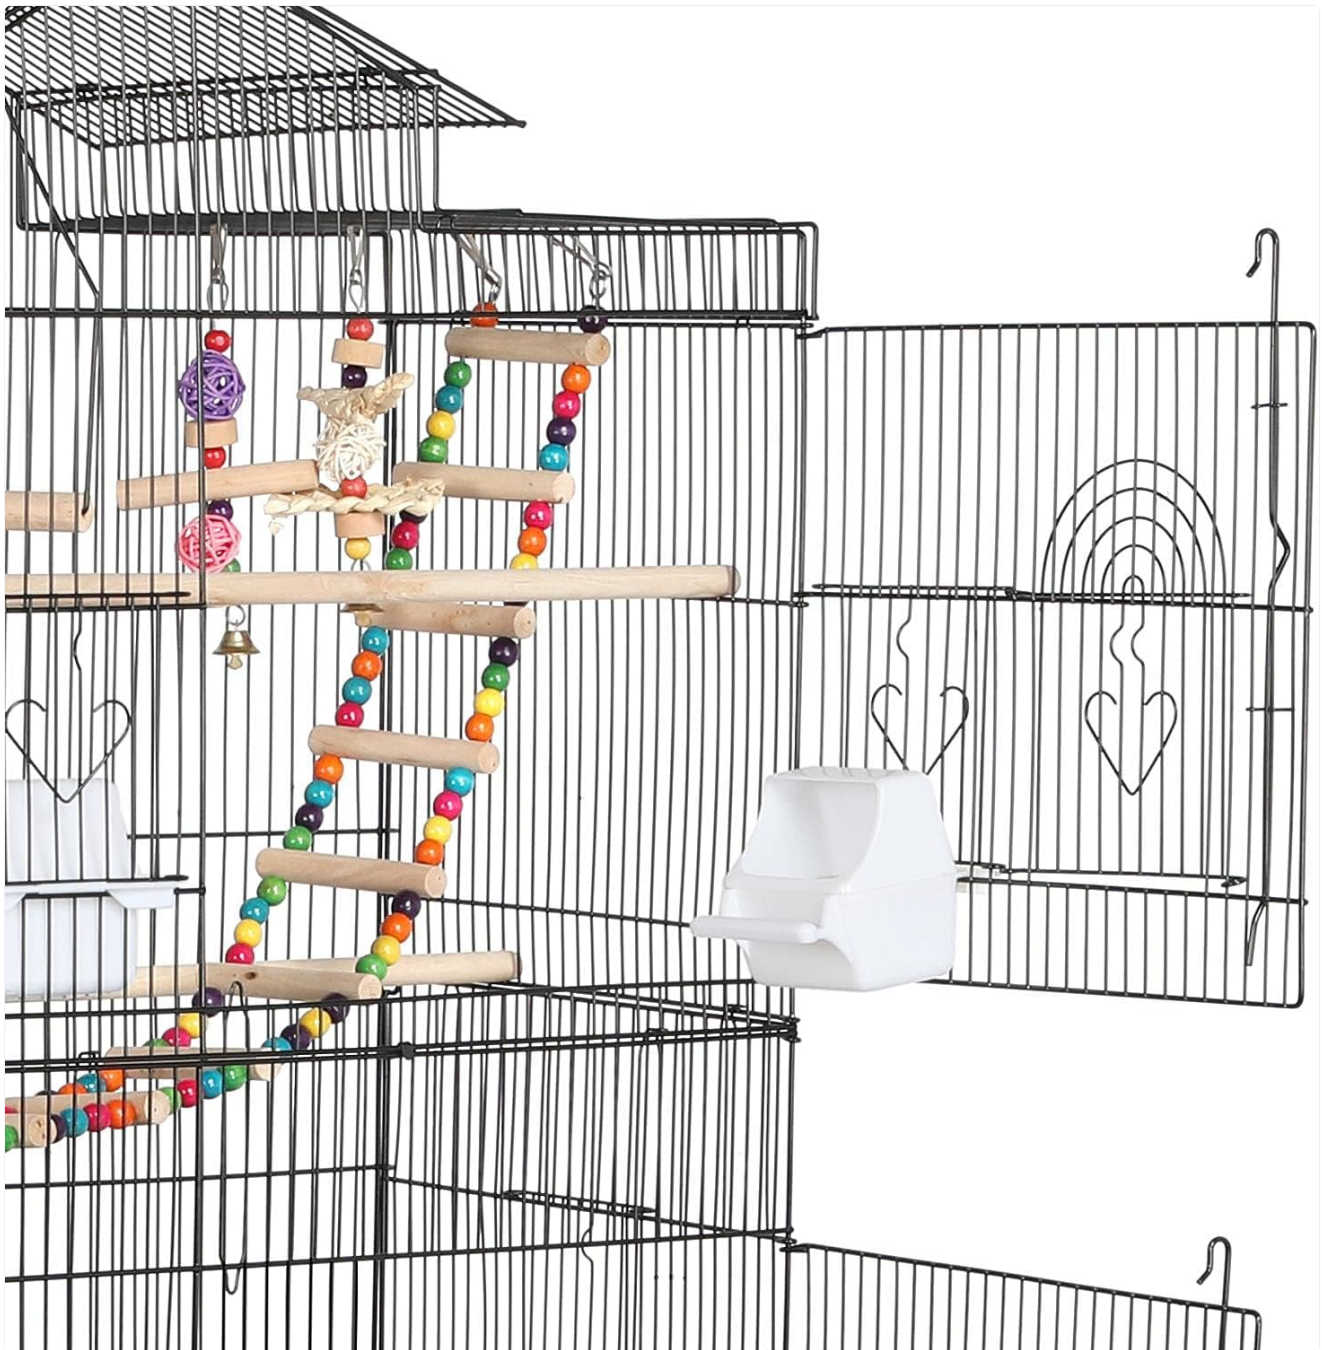

Figure 6: Cage Doors and Accessories. This image shows the design of the cage doors, which allow for easy access, along with a view of the internal accessories like the swing and ladder.

6. Maintenance and Cleaning

Regular cleaning is essential for maintaining a hygienic environment for your birds.

- **Daily Cleaning:** Remove and clean the plastic feeders and waterers daily. Replace fresh food and water.
- **Tray Cleaning:** The removable plastic bottom tray and bottom grid can be easily pulled out for cleaning. Dispose of waste and clean the tray with mild soap and water. Rinse thoroughly and dry before reinserting.
- **Cage Cleaning:** Periodically wipe down the cage bars and frame with a damp cloth and a bird-safe disinfectant. Ensure no residue remains.
- **Accessory Cleaning:** Clean perches, toys, and other accessories regularly to prevent the buildup of dirt and bacteria.

Figure 7: Removable Pull-Out Tray. A close-up of the removable plastic bottom tray, designed for convenient cleaning and maintenance of the cage.

7. Troubleshooting

If you encounter any issues with your Yaheetech XL Bird Cage, please refer to the following common solutions:

- **Cage Instability:** Ensure all screws and clips used during assembly are tightened. Check that the cage is placed on a flat, level surface. Lock the casters if the cage is moving unintentionally.
- **Difficulty with Tray Removal:** Ensure the tray is not obstructed by any debris or misaligned. Gently pull it out straight.
- **Doors Not Closing Securely:** Check if any cage bars are bent or if the latch mechanism is obstructed. Gently adjust the bars or clean the latch.
- **Casters Not Rolling Smoothly:** Clean any debris from the caster wheels. Ensure they are properly installed and not overtightened.

For issues not covered here, please contact customer support.

8. Specifications

Feature	Specification
Model Number	YA-00089221
Overall Dimensions (L x W x H)	46 x 35.5 x 158.5 cm (18.1 x 14 x 62.4 inches)
