Setup Instructions

1. **Install Batteries:** The target module requires (3) AA batteries (not included). Open the battery compartment on the underside of the module and insert the batteries, ensuring correct polarity.
2. **Assemble Target Holders:** Insert the rotating target holders into the designated slots on the main module. Ensure they are securely fastened.
3. **Place Targets:** Load the 14 plastic gun targets onto the module. You can choose to use the levitating foam balls or the bullseye targets.
4. **Positioning:** Place the target module on a stable, flat surface. The unit features 4 leg supports for stability.

Operating Instructions

1. **Power On:** Locate the power switch on the target module and turn it to the 'ON' position.
2. **Music (Optional):** The module may feature a galactic soundtrack. Use the music switch to turn it on or off according to preference.
3. **Load Blaster:** Take one of the foam blaster toy guns. Load one soft foam dart at a time into the blaster.
4. **Cock Blaster:** Pull back the cocking mechanism on the blaster to prepare it for firing.
5. **Aim and Shoot:** Aim the blaster at the targets. The game features rotating obstacles that add a challenge. Shoot to knock down all gun targets from up to a 20ft shooting range. The blasters are compatible with Nerf darts.

Maintenance

- **Cleaning:** Wipe down the target module and blasters with a dry or slightly damp cloth. Do not immerse in water.
- **Storage:** Store the game components in a cool, dry place away from direct sunlight when not in use.
- **Battery Care:** Remove batteries from the target module if the game will not be used for an extended period to prevent leakage.

Troubleshooting

- **Targets Not Rotating/Floating:** Ensure batteries are correctly installed and not depleted. Check that the power switch is in the 'ON' position.
- **Darts Not Firing:** Verify that darts are properly loaded and the blaster is fully cocked. Inspect darts for damage that might prevent proper firing.
- **Sound Issues:** Check the music switch on the target module.

Specifications

Feature	Detail
Model Number	B3229
Manufacturer	USA Toyz
Recommended Age	8 - 8 years
Item Weight	3.14 pounds
Package Dimensions	12.64 x 11.93 x 5.28 inches
