Coogam Wooden Blocks Puzzle Instruction Manual

Model: puzzle020 | Brand: Coogam

INTRODUCTION

The Coogam Wooden Blocks Puzzle is a classic brain-teasing toy designed to spark imagination, foster learning, and provide engaging play for children and adults. This 40-piece tangram jigsaw game encourages problem-solving, spatial reasoning, and fine motor skills. Made from natural and healthy basswood with a smooth surface and harmless paint, it ensures safe and durable play.

WHAT'S IN THE BOX

- 40 x Wooden Blocks (various shapes and colors)
- 1 x Reasonably Sized Wooden Board (Length: 10.6", Width: 7", Height: 0.39")

SETUP

The Coogam Wooden Blocks Puzzle requires minimal setup. Simply remove all 40 wooden blocks from the board. The goal is to fit all the pieces back into the board, creating a complete, flat surface. You can also use the blocks to create various shapes and figures outside the board.

OPERATING INSTRUCTIONS

The puzzle offers multiple ways to play, catering to different skill levels and creative desires:

1. **Traditional Board Puzzle:** The primary objective is to arrange all 40 colorful wooden blocks within the confines of the wooden board, ensuring no gaps and a flat surface. This challenges spatial reasoning and problem-solving skills.
2. **Creative Shape Building:** Use the individual blocks to construct various figures and patterns outside the board. Examples include animals, objects, and abstract designs. This encourages creativity and imagination.
3. **Educational Play:** This puzzle is excellent for developing color and shape recognition, fine motor skills, counting, and analysis skills. It provides a screen-free activity that keeps children engaged and focused.

MAINTENANCE

The wooden blocks and board are easy to clean. Use a damp cloth to wipe down the surfaces as needed. Avoid submerging in water or using harsh chemical cleaners, as this may damage the wood or paint. Ensure all pieces are dry before storing.

Smooth solid wood pieces and non-toxic paint ensure safe play

TROUBLESHOOTING

- **Difficulty Assembling:** The puzzle can be challenging. If you or your child are struggling, try starting with the larger pieces first or refer to the product images for guidance on how the pieces might fit. Remember, there are many ways to arrange the blocks.
- **Missing Pieces:** The puzzle contains 40 pieces. To prevent loss, it is recommended to store all pieces securely within the board or in a separate bag when not in use.
- **Pieces Not Fitting:** Ensure pieces are oriented correctly. Some pieces may need to be rotated or flipped to fit properly into the board or alongside other blocks.
