K-MED 100145

K-Med 2-in-1 Intimate Lubricant and Massage Gel Instruction Manual

Model: 100145

1. Introduction

The K-Med 2-in-1 is a versatile product designed for dual use as an intimate lubricant and a body massage gel. Its water-based formula ensures compatibility with condoms and is formulated to be non-irritating to the skin. This product aims to enhance comfort and provide a smooth experience during intimate moments or for general body massage.

Image 1: K-Med 2-in-1 product packaging. The image displays a purple tube of K-Med 2-in-1 gel, highlighting its dual function and brand.

2. Safety Information and Precautions

Observe the following safety guidelines for proper use:

- Keep products out of reach of children.
- This product is non-edible.
- Do not use products beyond their expiration dates.
- Do not apply to eye or ear areas.
- In case of irritation or discomfort, discontinue use immediately and consult a medical professional.
- Do not apply to irritated or wounded skin.
- Contraindicated for use on injured areas.
- Do not use during pregnancy.
- In case of signs or symptoms of intoxication, suspend use and seek medical advice.

- Reprocessing of this product is prohibited.
- This product contains Gluten. Individuals with gluten sensitivities should exercise caution.

3. Setup and Preparation

No specific setup is required for this product. Ensure the product is within its expiration date and stored at room temperature. Wash hands thoroughly before and after use.

4. Operating Instructions

4.1. As an Intimate Lubricant

K-Med 2-in-1 can be used during sexual intercourse or whenever additional intimate lubrication is desired. The product is water-based and does not damage latex, making it safe for use with condoms. It can be applied directly to the condom or to the genital area to be lubricated, for both men and women. There are no restrictions on the frequency or quantity of product usage; apply as needed.

4.2. As a Massage Gel

Apply K-Med 2-in-1 to the area of the body to be massaged whenever necessary. There are no restrictions on the frequency or quantity of the product; it can be used whenever desired to leave the skin soft and silky.

Image 2: K-Med 2-in-1 product features. This image highlights key attributes such as being a transparent, non-greasy, fragrance-free, easily removable, and condom-compatible water-based gel.

5. Ingredients

The K-Med 2-in-1 formula includes:

- Vitamin E

- Propylene Glycol
- Citric Acid
- Phosphorus
- Castor Oil

6. Storage and Maintenance

Store the product in a cool, dry place, away from direct sunlight. Ensure the cap is securely closed after each use to prevent contamination and drying. Do not use if the product appears discolored, has an unusual odor, or if the packaging is damaged. Always check the expiration date printed on the packaging before use.

7. Troubleshooting

No specific troubleshooting steps are typically required for this product. If you experience any unexpected reactions or issues not covered in the Safety Information section, discontinue use and consult a medical professional.

8. Specifications

Attribute	Detail
Product Name	Intimate Lubricant
Brand	K-MED
Model Number	100145
Product Form	Gel
Size	200 ml (1-pack)
Number of Units	1 unit
