Elegant Designs LF2003-WHT 2 Light Mother Daughter Marble Glass Floor Lamp User Manual

INTRODUCTION

This manual provides essential instructions for the safe assembly, operation, and maintenance of your Elegant Designs LF2003-WHT 2 Light Mother Daughter Marble Glass Floor Lamp. Please read all instructions carefully before use and retain this manual for future reference.

SAFETY INFORMATION

- Ensure the lamp is unplugged before assembly, cleaning, or bulb replacement.
- Do not use bulbs exceeding the specified wattage.
- Keep the lamp away from water or damp environments. This product is for indoor use only.
- Place the lamp on a stable, level surface to prevent tipping.
- Keep children and pets away from the lamp during operation and assembly.
- If the power cord is damaged, it must be replaced by a qualified electrician to avoid hazards.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly:

- Lamp poles
- Base
- Lamp Shades (Main and Reading Light)

Image: All components of the Elegant Designs LF2003-WHT Floor Lamp, including the base, pole sections, and two marble glass shades.

SETUP INSTRUCTIONS

Some assembly is required for this floor lamp. Follow these steps for proper setup:

1. Carefully unpack all components from the packaging.
2. Begin by screwing the bottom-most pole section into the lamp base. Ensure it is securely tightened.
3. Continue to screw the remaining pole sections together, working your way up. As you assemble, gently pull any excess electrical cord from the bottom of the base to prevent twisting inside the pole.
4. Once all pole sections are assembled, attach the main marble glass shade to the top socket and the smaller marble glass shade to the reading light arm. Secure them with the provided socket nuts.
5. Install the appropriate light bulbs (not included) into both sockets.

OPERATING INSTRUCTIONS

This lamp features two lights with a rotary switch for control.

- **Bulb Requirements:** The main light requires one 100W equivalent 3-way Type A medium base bulb (not included). The reading light requires one 60W equivalent Type A medium base bulb (not included). LED bulbs are compatible.
- **Switch Operation:** The lamp is operated by a rotary switch. Turn the switch clockwise to cycle through the lighting modes: main light on (low), main light on (medium), main light on (high), reading light on, both lights on, and off.

MAINTENANCE

- **Cleaning:** To clean the lamp, ensure it is unplugged. Wipe the metal surfaces with a soft, dry cloth. The glass shades can be cleaned with a damp cloth and mild glass cleaner, then dried thoroughly.
- **Bulb Replacement:** Always unplug the lamp before replacing bulbs. Allow old bulbs to cool completely before removal. Screw in new bulbs firmly but do not overtighten.

TROUBLESHOOTING

- **Lamp not turning on:** Ensure the power cord is securely plugged into a working outlet. Check if the light bulbs are correctly installed and not burnt out. Verify the rotary switch is turned to an 'on' position.
- **Flickering light:** This may indicate a loose bulb or an incompatible bulb type. Try tightening the bulb or replacing it with a new one of the correct wattage and type.
- **Lamp wobbles:** Ensure all pole sections are tightly screwed together and the lamp is placed on a flat, stable surface. The base is designed to be sturdy, but uneven flooring can affect stability.

SPECIFICATIONS

Model Name	Elegant Designs 2 Light Mother Daughter Floor Lamp with White Marble Glass
Model Number	LF2003-WHT
Brand	Elegant Designs
Finish Type	White
Product Dimensions	13.25"D x 18"W x 71"H
Item Weight	1.6 ounces
Base Material	Marble
Shade Material	Glass
Bulb Base	E26
Number of Light Sources	2
Switch Type	Rotary
Power Source	Corded Electric
