5. MAINTENANCE

To ensure the longevity and appearance of your WANGE The White House model, follow these maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. Avoid using harsh chemicals or abrasive materials, as these can damage the plastic blocks.
- **Storage:** Store the assembled model in a stable location away from direct sunlight and extreme temperatures to prevent discoloration or warping of the blocks.

- **Handling:** Handle the model with care to prevent accidental disassembly. If parts become loose, reattach them firmly.

6. TROUBLESHOOTING

Missing Pieces:

If you discover any missing pieces in your set, please contact Wange customer service. Provide details of the missing parts, and replacements will be shipped to you free of charge.

Blocks Not Fitting Securely:

Ensure that blocks are aligned correctly before pressing them together. Apply firm, even pressure. If a block consistently does not fit, check if it is the correct piece according to the instruction manual.

Difficulty Following Instructions:

Review the illustrations in the instruction manual carefully. If a step remains unclear, try re-examining previous steps or consulting online resources for visual aids or community forums for assistance.
