Key Features:

- **Power Recline:** Smooth, motorized reclining function for both seats.
- **Adjustable Headrests:** Power-adjustable headrests for personalized comfort.
- **Lumbar Support:** Integrated power lumbar support to enhance seating comfort.
- **Center Console:** Features hidden storage compartment and two stainless steel cup holders.
- **USB Charging:** Convenient USB charging ports located on the control panel.
- **Premium Upholstery:** Top-grain leather with a tipping effect on seating areas, complemented by faux leather on sides and back.

SETUP AND ASSEMBLY

The Wurstrow Power Reclining Loveseat is designed for minimal assembly. It typically arrives in a few pieces that easily connect without the need for additional tools.

Assembly Steps:

1. Carefully unbox all components and ensure all parts are present.
2. Align the backrest with the base of the loveseat and slide it into place until it securely locks.
3. Connect any electrical cables for the power functions, ensuring they are securely fastened.
4. Position the loveseat in its desired location, ensuring sufficient clearance for reclining.

Note: While assembly is straightforward, it is recommended to have two people for easier handling due to the size and weight of the loveseat.

OPERATING INSTRUCTIONS

The Wurstrow Loveseat features intuitive controls for its power reclining functions. The control panel is conveniently located on the side of each seat.

Both seats fully reclined, demonstrating the extended footrests and adjustable headrests.

Reclining Functions:

- **Power Recline:** Use the dedicated recline buttons on the control panel to extend or retract the footrest and recline the backrest. You can stop the recline at any desired position.
- **Power Headrest:** Adjust the angle of the headrest using the headrest buttons for optimal neck and head support.
- **Power Lumbar:** Activate and adjust the lumbar support using the dedicated lumbar buttons to customize lower back comfort.
- **Home Button:** Press and hold the "Home" button to return the seat to its original, upright position.

Console Features:

- **Hidden Storage:** Lift the top of the center console to access a hidden storage compartment, ideal for remotes or small items. The console features a slow-close mechanism.
- **Cup Holders:** Utilize the two stainless steel cup holders for beverages.
- **USB Charging:** Plug your devices into the integrated USB port on the control panel for convenient charging.

MAINTENANCE AND CARE

Proper care and maintenance will extend the life and appearance of your Wurstrow Power Reclining Loveseat.

- **Cleaning Spills:** Clean spills immediately with a dry, clean cloth. Do not rub, blot gently.
- **Leather Conditioning:** Condition the leather regularly with a suitable leather conditioner to maintain its suppleness and prevent cracking. Follow the conditioner manufacturer's instructions.
- **General Cleaning:** For general cleaning, wipe the surface with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Vacuuming:** Regularly vacuum crevices and under cushions to remove dust and debris.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading and drying of the leather.

TROUBLESHOOTING

If you encounter any issues with your loveseat, refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Reclining mechanism not working.	Power cord disconnected or loose.	Check that the power cord is securely plugged into both the wall outlet and the loveseat's power input. Ensure the outlet is functional.
Unusual noises during operation.	Loose hardware or mechanism obstruction.	Inspect for any loose bolts or screws and tighten them. Ensure no objects are obstructing the reclining mechanism.
USB port not charging.	Device compatibility or power issue.	Ensure the loveseat is powered on. Try a different USB cable or device to rule out device-specific issues.

If the issue persists, please contact customer support for further assistance.
