# Elkay ELUHAD321655PD Lustertone Classic Double Bowl Undermount Stainless Steel ADA Sink Instruction Manual

Model: ELUHAD321655PD

## INTRODUCTION

---

This manual provides essential information for the installation, operation, and maintenance of your Elkay Lustertone Classic Double Bowl Undermount Stainless Steel ADA Sink, model ELUHAD321655PD. Please read these instructions carefully before installation and retain for future reference to ensure proper function and longevity of your sink.

## SETUP AND INSTALLATION

---

The Elkay ELUHAD321655PD sink is designed for undermount installation, creating a seamless transition with your countertop. A minimum cabinet size of 36 inches is required for proper fitment. For detailed dimensions and cutout specifications, refer to the diagram below. Professional installation is recommended to ensure correct placement and sealing.

## OPERATING YOUR SINK

This sink features two bowls of equal size, allowing for versatile use in your kitchen for washing, soaking, rinsing, and other household tasks. The innovative Perfect Drain design eliminates the gap around the drain, promoting a cleaner and more hygienic sink environment by directing food particles directly into the drain. This product is ADA compliant when installed correctly, ensuring accessibility for all users.

## MAINTENANCE AND CARE

---

The Lustertone Classic stainless steel finish is designed for durability and is scratch-resistant under heavy-duty use. Light scratches that occur with everyday use will naturally blend into the finish over time. For deeper scratches, an Elkay stainless steel restoration kit can be used for repair.

## **BEAUTIFUL, REPAIRABLE FINISH**

This striking uniform finish is scratch resistant to heavy-duty use. Deep scratches, which may occur over time, are repairable with an Elkay stainless steel restoration kit. The fine linear grain reflects light evenly for high shine.
