MAINTENANCE

To clean the truck, wipe it with a damp cloth. Avoid submerging the truck in water. Store in a dry place away from direct sunlight to preserve its finish and functionality.

TROUBLESHOOTING

- **Wheels not rolling smoothly:** Check for any debris (e.g., hair, lint) caught in the axles or between the wheels and the chassis. Carefully remove any obstructions.
- **Suspension feels stiff:** Ensure no foreign objects are obstructing the suspension mechanism. The suspension is designed to be flexible but may become stiff if blocked.
