LEGO 60213

LEGO City Dock Side Fire 60213 Building Kit Instruction Manual

Brand: LEGO | Model: 60213

INTRODUCTION

This manual provides essential information for the assembly, operation, and care of your LEGO City Dock Side Fire 60213 Building Kit. This set features a fireboat with a multi-shot water cannon and a raising motor, alongside a dock scene complete with a walkie-talkie, oil barrels, and a dolly. It includes two LEGO City minifigures: a firefighter and a dockworker. The set contains 97 pieces and is designed for builders aged 5 and up.

SAFETY INFORMATION

Warning: Toy contains small parts. Not for children under 3 years.

Always ensure that small LEGO elements are kept away from young children to prevent choking hazards. Adult supervision is recommended during assembly and play, especially for younger users.

SETUP AND ASSEMBLY

The LEGO City Dock Side Fire 60213 Building Kit is designed for straightforward assembly. Detailed step-by-step instructions are provided within the kit. For an enhanced building experience, digital instructions are also available through the LEGO Life app.

Using Digital Building Instructions

The LEGO Life app offers interactive 3D building instructions, allowing you to zoom, rotate, and visualize each step of the construction process. This can be particularly helpful for complex steps or for builders who prefer digital guidance.

Video: Demonstrates how to access and use digital building instructions via the LEGO Life app for an interactive assembly experience.

To access digital instructions:

1. Download the LEGO Life app from your device's app store.
2. Open the app and navigate to the 'Instructions Plus' section.
3. Scan the QR code on your instruction booklet or search for model 60213.
4. Follow the interactive 3D steps to build your model.

OPERATING THE MODEL

Once assembled, the LEGO City Dock Side Fire set offers various interactive features for imaginative play.

Fireboat Water Cannon

The fireboat is equipped with a multi-shot water cannon. To operate, load the translucent blue 'water' studs into the cannon. Press the trigger mechanism to launch the studs, simulating water being sprayed to extinguish fires. The boat also features a raising motor for dynamic play scenarios.

Dock Scene Interaction

The dock scene includes a warning sign, two oil barrels, and a dolly. The dockworker minifigure can use the dolly to transport the oil barrels, creating various rescue or cargo scenarios. The 'fire' elements can be attached to the oil barrels to simulate an emergency.

MAINTENANCE

Proper care ensures the longevity of your LEGO bricks.

- **Cleaning:** To clean LEGO bricks, use mild soap and lukewarm water (not exceeding 40°C or 104°F). Rinse thoroughly and air dry. Avoid using hot water, harsh chemicals, or abrasive materials, as these can damage the plastic.
- **Storage:** Store LEGO bricks in a clean, dry place away from direct sunlight and extreme temperatures. This prevents discoloration and warping.
- **Handling:** Avoid excessive force when connecting or disconnecting bricks to prevent stress marks or breakage.

TROUBLESHOOTING

If you encounter issues with your LEGO set, consider the following:

- **Missing Pieces:** In the rare event of a missing piece, please contact LEGO Customer Service directly. They can assist with replacement parts.
- **Assembly Difficulty:** Refer to the instruction manual or the digital instructions in the LEGO Life app. Ensure all steps are followed precisely and that the correct pieces are used. Sometimes, a small error early in the build can affect later steps.
- **Loose Connections:** Ensure bricks are pressed firmly together. LEGO elements are designed to fit snugly.

SPECIFICATIONS

Feature	Detail
Product Name	LEGO City Dock Side Fire
Model Number	60213
Brand	LEGO
Number of Pieces	97
Recommended Age	5 years and up
Product Dimensions	10.32 x 5.55 x 2.4 inches
Item Weight	0.009 ounces
Release Date	January 1, 2019
