## MAINTENANCE

To ensure the longevity and cleanliness of your LEGO set, follow these simple maintenance guidelines:

- **Cleaning:** Use a soft brush or cloth to gently remove dust and debris from the bricks. For deeper cleaning, wash LEGO bricks by hand using lukewarm water (up to 40°C / 104°F) and a mild detergent. Rinse thoroughly with clear water and air dry at room temperature. Do not use hot water, harsh chemicals, or abrasive materials, as these can damage the plastic.
- **Storage:** Store your LEGO set in a cool, dry place away from direct sunlight to prevent discoloration and warping. Keep small pieces in a container to avoid loss.

## TROUBLESHOOTING

If you encounter any issues with your LEGO City Diving Yacht set, consider the following:

- **Missing Pieces:** In the rare event of a missing piece, please visit the official LEGO Customer Service website to request replacement parts. Ensure you have the set number (60221) ready.
- **Assembly Difficulties:** Double-check the instruction manual steps. Sometimes a small piece might be misplaced or an assembly step overlooked. Disassemble the problematic section and re-follow the instructions carefully.
