4. SETUP AND ASSEMBLY

1. **Unboxing:** Carefully remove all components from the packaging. Retain the packaging for future storage or transport.

2. **Attaching Optional Hands:** The figure comes with several pairs of optional hands. Gently pull off the default hands and push the desired optional hands onto the wrist joints. Apply minimal force to avoid damage.
3. **Equipping Weapons:** Select a weapon (e.g., Progressive Knife, Pallet Rifle) and carefully place it into the figure's hand. Ensure a secure fit.
4. **Using the Umbilical Cable:** Connect one end of the Umbilical Cable to the port on the figure's back and the other end to the designated slot on the display stand.
5. **Assembling the Display Stand:** The display stand may require minor assembly. Follow the visual guides provided in the product images to connect the base, support rod, and cage components.
6. **Mounting the Figure:** Place the figure onto the display stand using the provided mounting joint. Ensure the figure is stable and balanced.

5. OPERATING AND POSING

The Eva-01 figure features advanced articulation for a wide range of poses. Exercise care when adjusting joints to prevent damage.

- **Joint Movement:** Gently manipulate the joints at the neck, shoulders, elbows, wrists, torso, hips, knees, and ankles to achieve desired poses. Some joints may be tighter initially.
- **Accessory Interchange:** Hands and weapons can be interchanged to recreate various scenes or create original displays. Refer to Section 4 for hand and weapon attachment.
- **Stability:** When posing, ensure the figure maintains balance, especially when holding heavy accessories or in dynamic stances. Utilize the display stand for enhanced stability.

6. MAINTENANCE AND CARE

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the figure. Avoid abrasive cleaners or solvents, as these can

damage the paint and finish.

- **Storage:** Store the figure away from direct sunlight, extreme temperatures, and high humidity to prevent material degradation and discoloration. If storing for extended periods, consider returning it to its original packaging.
- **Handling:** Always handle the figure by its main body parts. Avoid gripping small, delicate components or accessories with excessive force.

7. TROUBLESHOOTING

Issue	Possible Cause	Solution
Loose joint	Normal wear or manufacturing tolerance.	Apply a small amount of clear nail polish or a specialized joint tightener to the joint. Allow to dry completely before posing.
Accessory does not fit	Incorrect accessory for the hand, or slight misalignment.	Ensure the correct hand is used for the accessory. Gently adjust the accessory's position. Do not force.
Figure unstable on stand	Improper mounting or unbalanced pose.	Verify the mounting joint is securely attached. Adjust the figure's pose to distribute weight evenly.
