VIGO VG02029MBK1 Greenwich Single-Handle Pull-Down Sprayer Kitchen Faucet Instruction Manual

Model: VG02029MBK1

INTRODUCTION

This manual provides detailed instructions for the installation, operation, and maintenance of your VIGO VG02029MBK1 Greenwich Single-Handle Pull-Down Sprayer Kitchen Faucet. Please read all instructions carefully before beginning installation and retain this manual for future reference.

PRODUCT OVERVIEW

The VIGO Greenwich kitchen faucet features a sleek design with a single handle and a pull-down sprayer. It is constructed from solid brass with a durable finish, designed for long-lasting performance in your kitchen.

Figure 1: VIGO Greenwich Single-Handle Pull-Down Sprayer Kitchen Faucet in Matte Black.

Key Features:

- **Pull-Down Sprayer:** Features a flexible hose with clip technology for precise retraction.
- **Dual Function Mode:** Easily switch between stream and spray functions.
- **360-Degree Swivel Spout:** Provides enhanced flexibility for various kitchen tasks.
- **Durable Construction:** Solid brass build with a 7-layer plated finish for corrosion, tarnish, and rust resistance.
- **Water Efficient:** 1.8 GPM flow rate, CEC (Title 20) compliant.
- **Deck Plate Included:** Allows for installation on 1, 2, 3, or 4-hole sinks.

VIGO GREENWICH MATTE BLACK KITCHEN FAUCET WITH PULL-DOWN SPRAYER AND DECK PLATE

VIGO

360-degree pump swivel for flexibility in cleaning

Self-retracting pull-down hose for ease of use

Nylon braided pull-down hose extends up to 30 inches

INSTALLATION INSTRUCTIONS

Before beginning installation, ensure all necessary components are present and that water supply lines are shut off. Professional installation is recommended.

Required Tools (Not Included):

- Adjustable wrench
- Phillips screwdriver
- Plumber's putty or silicone sealant
- Safety glasses

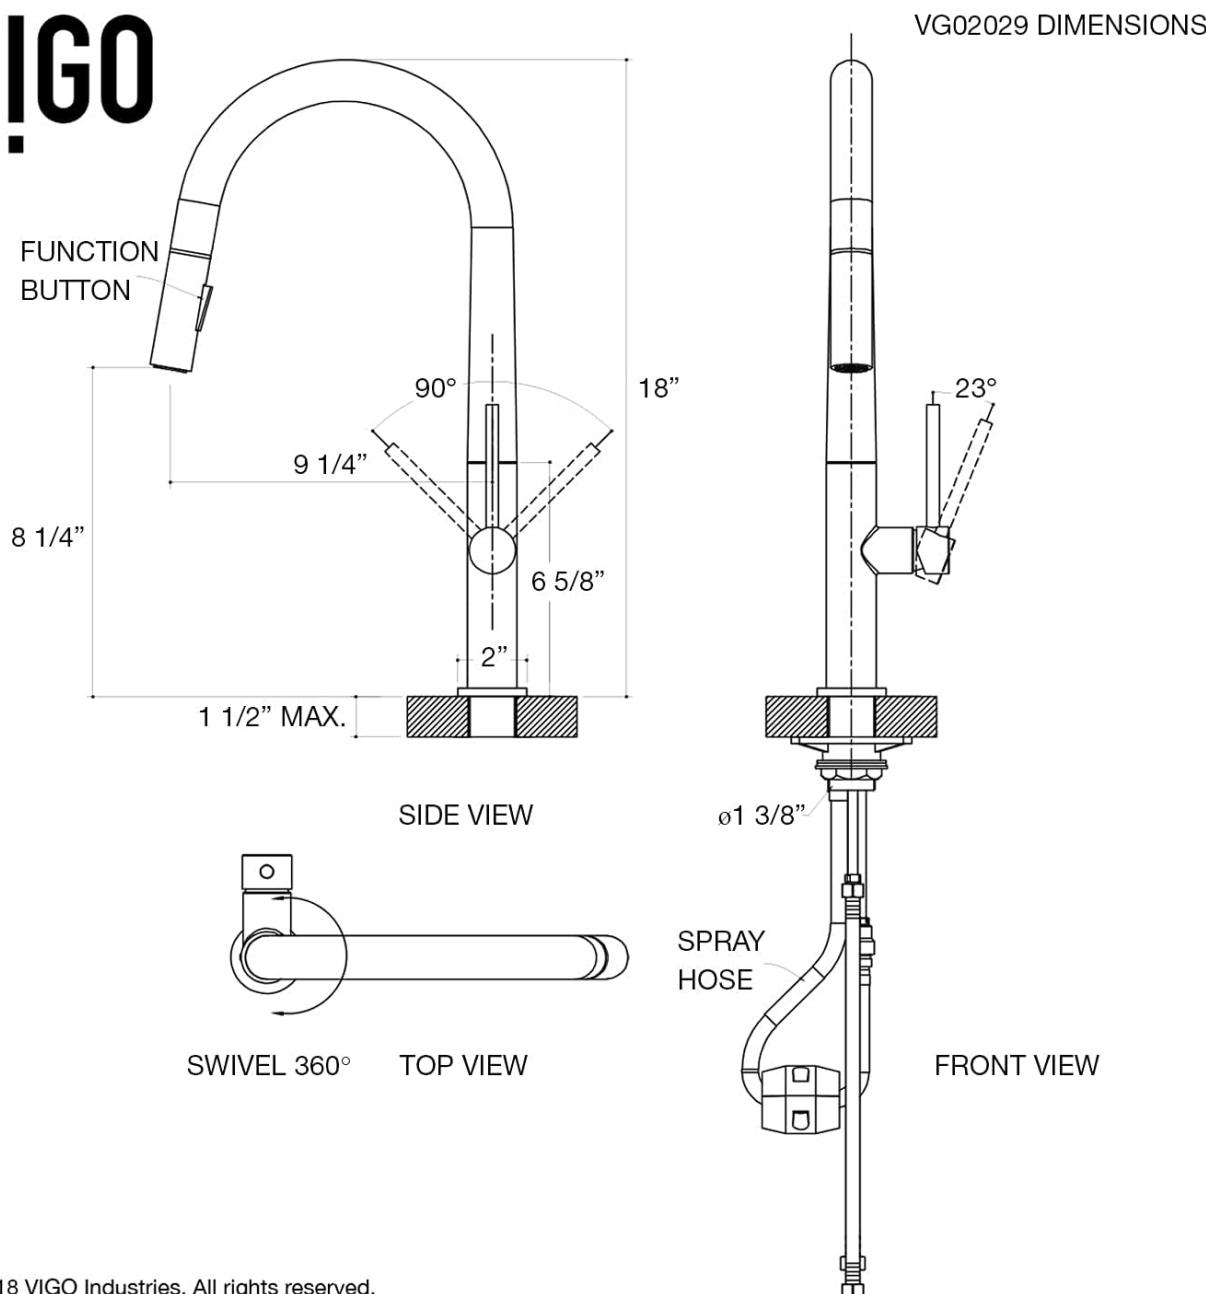

Installation Steps:

1. **Prepare the Sink:** Clean the faucet mounting area on your sink or countertop. If using the included deck plate for a 3-hole

installation, ensure it is properly positioned.

2. **Mount the Faucet:** Insert the faucet body through the mounting hole(s). Secure it from underneath the sink using the provided mounting hardware. Ensure the faucet is oriented correctly.
3. **Connect Water Supply Lines:** Attach the hot and cold water supply lines to the corresponding connections on the faucet and your home's water supply. Use an adjustable wrench to tighten connections, but do not overtighten.
4. **Install Pull-Down Hose:** Connect the pull-down sprayer hose to the quick-connect fitting under the faucet. Ensure a secure connection.
5. **Attach Weight:** Install the counterweight onto the pull-down hose at the specified location (refer to the diagram for optimal placement) to ensure proper retraction of the sprayer.
6. **Test for Leaks:** Slowly turn on the water supply and check all connections for leaks. Operate the faucet to ensure proper function of both stream and spray modes.

GREENWICH FAUCET WITH DECK PLATE

The included deck plate accessory easily transforms 3-hole installations into a single-hole setup to accommodate various types of kitchen remodeling.

VIGO

PREMIUM DESIGN

Designed to conserve water without sacrificing performance.

Figure 4: The VIGO Greenwich faucet with its included deck plate, designed for versatile installation.

OPERATING INSTRUCTIONS

Water Flow and Temperature Control:

- **Single Handle Operation:** The single lever handle controls both water flow volume and temperature.
- **Adjusting Temperature:** Move the handle left for hot water and right for cold water.
- **Adjusting Flow:** Lift the handle upwards to increase water flow and push downwards to decrease or shut off the flow.

Pull-Down Sprayer Function:

- **Engaging Sprayer:** Pull the spray head downwards from the spout to extend the hose.
- **Switching Spray Modes:** Press the button located on the spray head to toggle between a steady stream and a wide spray pattern.
- **Retracting Sprayer:** When finished, guide the spray head back into the spout. The integrated clip technology will ensure it retracts precisely and securely into place.

VIGO

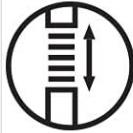

TWO FUNCTIONAL MODE

Use the button on the spout to toggle between spray and stream.

Figure 5: The spray head offers two distinct functional modes: a steady stream and a wide spray, selectable via a button.

VIGO

PULL DOWN SPRAY

25" flexible hose reach for ease of use.

CLIP TECHNOLOGY

Pulls wand precisely into place and keeps it secure every time.

360° ROTATION

Offers more room and flexibility for cleaning dishes.

Figure 6: Features such as the 25-inch flexible pull-down hose, clip technology for secure docking, and 360-degree rotation for enhanced maneuverability.

CARE AND MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your VIGO faucet.

- **Cleaning the Finish:** Clean the faucet regularly with a soft cloth and mild soap. Avoid abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the matte black finish.
- **Cleaning the Nozzle:** The mineral-resistant nozzle can be easily cleaned by gently rubbing the rubber spray holes to dislodge any mineral buildup.
- **Preventing Water Spots:** Wipe the faucet dry after each use to prevent water spots and mineral deposits.
- **Cartridge Maintenance:** The faucet is equipped with a Sedal ceramic cartridge, tested for up to 500,000 uses, requiring minimal maintenance. If leaks occur from the handle, the cartridge may need inspection or replacement.

TROUBLESHOOTING

This section addresses common issues you might encounter with your faucet. For problems not listed here, please contact customer support.

Problem	Possible Cause	Solution
Low Water Flow	Aerator clogged with debris. Water supply valves not fully open. Kink in supply line.	Clean or replace aerator. Ensure supply valves are fully open. Check and straighten supply lines.
Leaking from Handle	Loose cartridge nut. Worn or damaged ceramic cartridge.	Tighten cartridge nut. Replace ceramic cartridge.
Sprayer Does Not Retract Fully	Counterweight improperly positioned or missing. Hose obstructed under sink.	Adjust counterweight position. Clear any obstructions around the hose.

SPECIFICATIONS

Feature	Detail
Model Number	VG02029MBK1
Manufacturer	VIGO Industries
Product Dimensions	25.1 x 26.52 x 45.72 cm
Item Weight	4.99 kg
Color	Matte Black
Style	Greenwich
Finish Type	Matte Black
Material	Brass
Installation Method	Surface-Mounted
Flow Rate	1.8 Gallons Per Minute (GPM)
Number of Holes Required	1 (with deck plate for 3-hole conversion)
Spout Height	8.25 Inches
Number of Handles	1
Mounting Type	Deck Mount
Certification	ADA Compliant
Special Features	Easy to Install, Pull-Down Sprayer, 360° Swivel Spout, Clip Technology
