

Awei A900BL

Awei A900BL Bluetooth Bass Stereo Wireless Headphones User Manual

Model: A900BL

INTRODUCTION

This manual provides detailed instructions for the Awei A900BL Bluetooth Bass Stereo Wireless Headphones. Please read this manual carefully before using the product to ensure proper operation and to maximize your listening experience. These headphones are designed for wireless audio playback and hands-free communication via Bluetooth connectivity.

PACKAGE CONTENTS

Upon unpacking, please verify that all items listed below are present:

- Awei A900BL Bluetooth Headphones
- USB Charging Cable
- Ear Cushions
- User Manual (this document)

Image: Awei A900BL Bluetooth Bass Stereo Wireless Headphones. The headphones feature a black headband and earcups with gold-colored outer panels, showcasing a sleek and modern design.

SETUP

1. Charging the Headphones

Before initial use, fully charge the headphones. Connect the provided USB charging cable to the charging port on the headphones and the other end to a USB power source (e.g., computer USB port, wall adapter). The indicator light will typically show red during charging and turn off or blue when fully charged.

2. Powering On/Off

- **Power On:** Press and hold the Multi-function button for approximately 3-5 seconds until the indicator light flashes.
- **Power Off:** Press and hold the Multi-function button for approximately 3-5 seconds until the indicator light turns off.

3. Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the Multi-function button for about 5-7 seconds until the indicator light flashes red and

blue alternately, indicating pairing mode.

3. On your device (smartphone, tablet, computer), enable Bluetooth and search for available devices.
4. Select "Awei A900BL" from the list of found devices.
5. Once paired, the indicator light will typically flash blue slowly or remain solid blue.
6. If a password is required, enter "0000".

OPERATING INSTRUCTIONS

Music Playback

- **Play/Pause:** Press the Multi-function button once.
- **Next Track:** Press and hold the Volume Up button.
- **Previous Track:** Press and hold the Volume Down button.
- **Volume Up:** Short press the Volume Up button.
- **Volume Down:** Short press the Volume Down button.

Call Management

- **Answer Call:** Press the Multi-function button once.
- **End Call:** Press the Multi-function button once during a call.
- **Reject Call:** Press and hold the Multi-function button for 2 seconds.
- **Redial Last Number:** Double-press the Multi-function button.

MAINTENANCE

- Keep the headphones dry. Do not expose them to moisture or extreme temperatures.
- Clean the ear cushions and surfaces with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- Store the headphones in a cool, dry place when not in use.
- Avoid dropping or subjecting the headphones to strong impacts.

TROUBLESHOOTING

Problem	Solution
Headphones do not power on.	Ensure the headphones are fully charged. Connect to a power source and try again.
Cannot pair with device.	<ul style="list-style-type: none">• Ensure headphones are in pairing mode (flashing red and blue).• Turn off Bluetooth on your device and turn it back on.• Delete "Awei A900BL" from your device's Bluetooth list and attempt to pair again.• Ensure the headphones are within range (typically 10 meters) of your device.

Problem	Solution
No sound or poor sound quality.	<ul style="list-style-type: none"> Check the volume levels on both the headphones and your connected device. Ensure the headphones are properly paired. Move closer to your device to avoid interference. Try playing audio from a different application or device.
Microphone not working.	<ul style="list-style-type: none"> Ensure the headphones are connected and selected as the audio input device on your system settings. Check for any obstructions near the microphone.
