## USAGE INSTRUCTIONS

---

### Preparation

Ensure the product is well-mixed before use. Shake the can vigorously for a few seconds.

### Application

Follow these steps for optimal results:

1. **Shake well:** Ensure the product is thoroughly mixed.
2. **Hold 8 inches away:** Position the can approximately 8 inches (20 cm) from your hair.
3. **Spray onto roots in a sweeping motion:** Apply the dry shampoo directly to the roots of your hair using a continuous sweeping motion.
4. **Wait 30 seconds:** Allow the product to sit for about 30 seconds to absorb oils.
5. **Massage or brush through:** Gently massage the product into your scalp with your fingertips or brush through your hair to distribute and remove any excess.

## INGREDIENTS AND PRODUCT FEATURES

The Amika Perk Up Dry Shampoo is formulated with key ingredients and adheres to specific product standards:

- **Sea Buckthorn:** A potent natural ingredient, this 'superfruit' is a plant source of fatty-acid omega 7, promoting elasticity and providing superior hydration for hair and scalp.

- **Rice Starch:** A highly absorbent, yet light powder that eliminates dirt, oil, and odor while adding volume and texture to hair.

Additional features include:

- Certified vegan
- Cruelty-free
- Color-safe
- Keratin-safe
- Free from sulfates, parabens, phthalates, mineral oil, and petrolatum
- No gluten contributors

## CARE AND STORAGE

---

To maintain the quality and effectiveness of your Amika Perk Up Dry Shampoo, store it in a cool, dry place away from direct sunlight and heat. Ensure the cap is securely replaced after each use to prevent product leakage or contamination. Do not puncture or incinerate the can, even after use.

## TROUBLESHOOTING

---

If you encounter any issues while using the product, consider the following:

- **White Residue:** If white residue appears, ensure you are shaking the can well before each use and holding it the recommended 8 inches away from your hair. Massage or brush through thoroughly after application.
- **Insufficient Oil Absorption:** Make sure you are applying the product directly to the oily roots and allowing it to sit for the recommended 30 seconds before massaging or brushing.
- **Clogged Nozzle:** If the nozzle becomes clogged, rinse it under warm water. Ensure the can is dry before reattaching the nozzle and storing.
