JUMMICO SD-OCRC18010BU

JUMMICO Ergonomic Gaming Chair SD-OCRC18010BU User Manual

Model: SD-OCRC18010BU

1. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Assembly is required. Ensure all parts are correctly installed before use.
- Do not exceed the maximum weight limit of **300 pounds (136 kg)**.
- Use caution when adjusting chair features, especially the recline and height mechanisms, to prevent pinching or sudden movements.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Do not stand on the chair or use it as a step stool.

2. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning assembly. Refer to the included parts list in your physical manual for detailed identification.

3. SETUP AND ASSEMBLY

Assembly of the JUMMICO Gaming Chair is designed to be straightforward. It typically takes approximately 12 minutes with the provided tools and instructions.

Assembly Steps:

1. **Attach Casters to Base:** Insert the five casters into the holes on the star base until they click securely into place.
2. **Install Gas Lift:** Place the gas lift cylinder into the center hole of the star base.
3. **Assemble Seat Mechanism:** Attach the seat plate mechanism to the underside of the seat cushion using the provided screws. Ensure the front of the mechanism faces the front of the seat.
4. **Connect Seat to Gas Lift:** Carefully place the assembled seat onto the gas lift cylinder.
5. **Attach Armrests:** Secure the armrests to the sides of the seat cushion using the designated screws.
6. **Mount Backrest:** Attach the backrest to the seat assembly using the remaining screws. Ensure a firm connection.
7. **Install Headrest and Lumbar Cushions:** Position the headrest and lumbar support cushions as desired. These are typically secured with straps.

Note: All necessary tools and hardware are included in the packaging for convenient assembly.

4. OPERATING INSTRUCTIONS

The JUMMICO Gaming Chair offers several adjustable features for personalized comfort.

4.1. Height Adjustment

- To **raise** the seat height, lift the lever located under the right side of the seat while taking your weight off the chair. Release the lever at the desired height.
- To **lower** the seat height, lift the lever located under the right side of the seat while remaining seated. Release the lever at the desired height.

4.2. Recline Function

The backrest can be reclined and locked at various angles between 90° and 150°.

- To **recline**, pull the recline lever (typically on the right side, below the seat) upwards and lean back. Release the lever to lock the backrest in position.
- To **return to an upright position**, pull the recline lever upwards and lean forward slightly.

UPDATED CUSHION

Thicker padding and
deeper bucket seat

HEAD AND LUMBAR SUPPORT

Can be freely removed as needed

Image 4.2: Visual representation of the chair's 90°-150° recline capability for different modes of use.

4.3. 360° Swivel

The chair features a 360° swivel function, allowing for easy rotation without moving the base.

4.4. Headrest and Lumbar Support

The headrest and lumbar support cushions are freely removable and adjustable to suit your comfort needs.

Image 4.3: Detail of the removable headrest and lumbar support cushions, highlighting the updated cushioning.

4.5. Footrest

The integrated footrest can be extended for additional leg support when reclining. Pull the footrest out from under the seat when needed, and push it back in for storage.

5. MAINTENANCE

Proper maintenance ensures the longevity and performance of your JUMMICO Gaming Chair.

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the faux leather material.
- **Fastener Check:** Periodically check all screws and bolts to ensure they are tight. Re-tighten as necessary to maintain stability and prevent parts from loosening.
- **Caster Care:** Keep the casters free of debris (hair, dust, etc.) to ensure smooth rolling.

6. TROUBLESHOOTING

If you encounter any issues with your JUMMICO Gaming Chair, refer to the following common solutions:

- **Armrests are Loose:** If armrests become loose, re-tighten the screws that secure them to the seat. Regular checks can prevent this issue.
- **Chair Feels Unstable or Wobbly:** Ensure all assembly screws are securely tightened. Check the connection between the gas lift and the base, and the seat mechanism.
- **Difficulty Adjusting Height:** Verify that the gas lift lever is fully engaged. If the issue persists, the gas lift cylinder may need replacement.
- **Chair Tilts Forward When Leaning on Edge:** This chair is designed for balanced seating. Avoid leaning heavily on the very front edge of the seat to maintain stability.
- **Casters Not Rolling Smoothly:** Check for any hair or debris wrapped around the caster wheels and remove them. Lubrication may also improve movement.

If these solutions do not resolve the problem, please contact customer support for further assistance.

7. SPECIFICATIONS

Feature	Detail
Brand	JUMMICO (HIPFATE)
Model Number	SD-OCRC18010BU
Color	Blue
Material	Faux Leather, Foam
Product Dimensions (D x W x H)	21" x 31" x 20.3"
Item Weight	41.9 Pounds (19 kg)
