Image 3: First page of the assembly instructions, detailing steps 1 through 4 with visual block placement.

- Step 1: Base Construction.** Begin by placing the single brown 2x2 plate. Then, add the specified white and light gray 1x1, 1x2, and 1x4 blocks to form the initial layers of the cat's body base.
- Step 2: Building the Lower Body.** Continue adding layers of white, light gray, and dark gray blocks as indicated, building upwards from the base. Pay close attention to the block orientation and color placement to form the lower section of the cat's body.

3. **Step 3: Shaping the Mid-Body.** Introduce more white, light gray, and dark gray blocks to further shape the cat's torso. Ensure blocks are firmly connected to create a stable structure.
4. **Step 4: Forming the Upper Body.** Add the remaining white, light gray, and dark gray blocks to complete the main structure of the cat's body, preparing for the head and tail sections.

6. Maintenance

- **Cleaning:** To clean your assembled model or individual blocks, gently wipe them with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Storage:** Store blocks and assembled models in a cool, dry place away from direct sunlight to prevent discoloration or material degradation. The original re-sealable pouch can be used for convenient storage of un-assembled blocks.
- **Handling:** Handle the assembled model with care to prevent accidental disassembly.

7. Troubleshooting

- **Missing Blocks:** Carefully check the packaging and surrounding area for any small blocks that may have been overlooked. If blocks are genuinely missing, contact the retailer or manufacturer for assistance.
- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly before applying gentle, even pressure. Avoid forcing blocks together, as this can cause damage.
- **Model Instability:** Double-check all connections according to the instructions. Ensure each block is fully seated and securely attached to its neighboring blocks.

8. Warranty and Support

No specific warranty information is provided with this product. For any product-related inquiries or support, please refer to the retailer where the product was purchased or contact Daiso customer service if available in your region.
