5. Operating Instructions

This TV stand is designed for ease of use and organization.

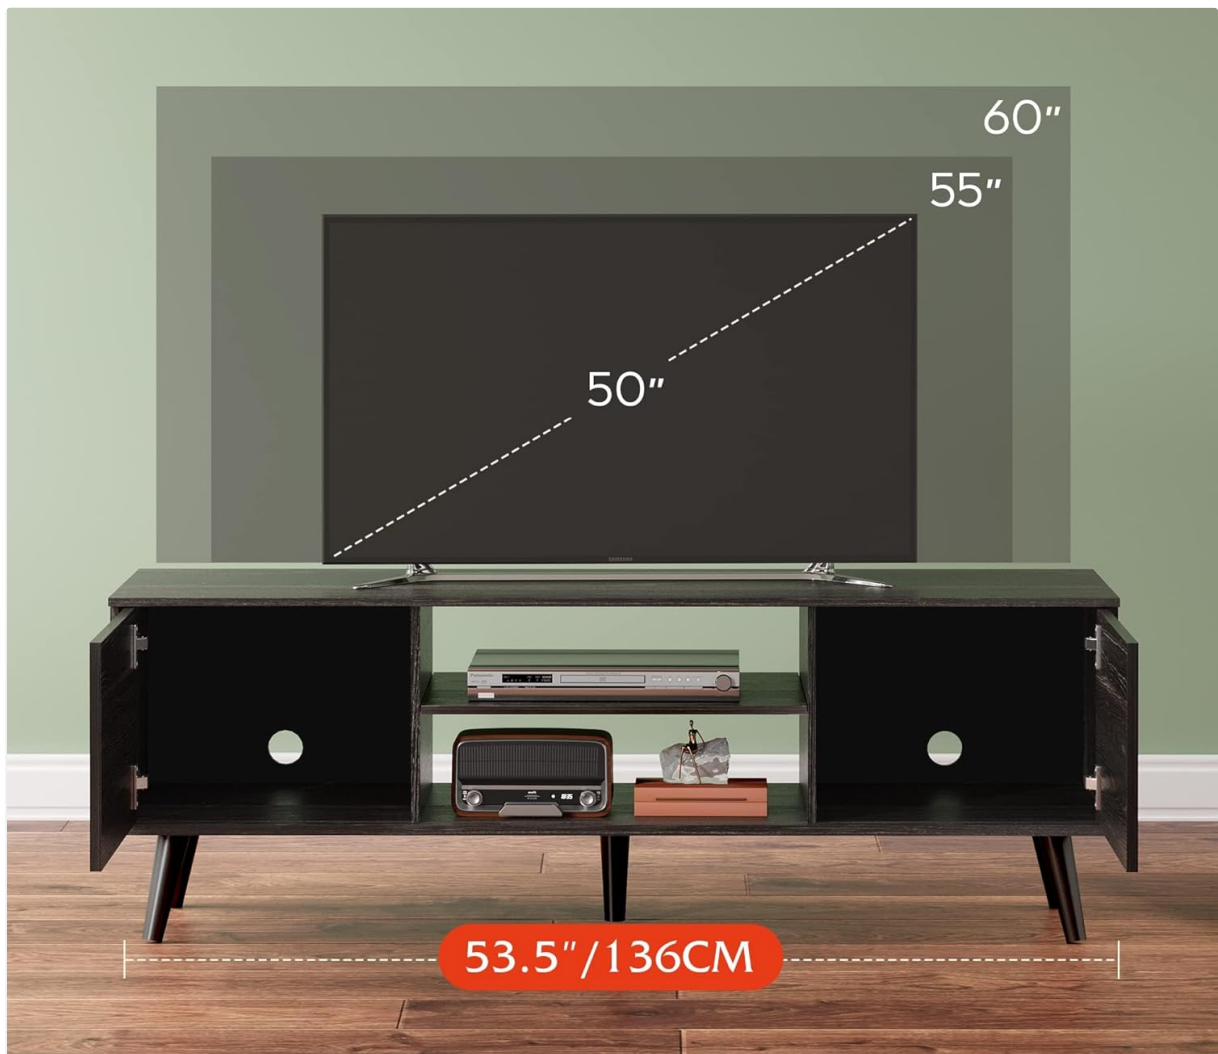

- **Adjustable Shelves:** The central shelves can be adjusted to three different heights to accommodate various media devices, books, or decorative items. Simply remove the shelf pins, reposition the shelf, and reinsert the pins.
- **Soft-Close Cabinets:** The side cabinet doors are equipped with soft-close hinges to prevent slamming and reduce noise. Gently push the doors to close, and they will retract smoothly.
- **Cable Management:** Utilize the pre-drilled holes in the rear panels of the central and side compartments to route and conceal power cords and audio/video cables, maintaining a tidy appearance.

6. Maintenance

To maintain the appearance and longevity of your WLIVE TV Stand:

- Wipe with a damp cloth for general cleaning.
- Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish.
- Periodically check and tighten all fasteners to ensure stability.
- Keep the stand away from direct sunlight and excessive moisture.

7. Troubleshooting

If you encounter any issues with your TV stand, consider the following:

- **Wobbling:** Ensure the stand is on a level surface. Check that all legs are securely attached and all cam locks and screws are tightened.
- **Doors not closing properly:** Verify that the hinges are correctly installed and adjusted. Minor adjustments to hinge screws can often resolve alignment issues.
- **Missing parts:** Contact customer support immediately if any parts are missing or damaged upon arrival.
