Hemudu Universal Swivel Tabletop TV Stand HT04B-001 Instruction Manual

Model: HT04B-001

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Hemudu Universal Swivel Tabletop TV Stand, model HT04B-001. This stand is designed to securely hold televisions ranging from 27 to 60 inches, with a maximum weight capacity of 99 lbs. It features an 80-degree swivel function and 4-level height adjustment for optimal viewing.

2. SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in property damage, serious injury, or death. If you have any questions, contact customer support.

- **Weight Capacity:** Do not exceed the maximum weight capacity of 99 lbs (45 kg). This stand is designed for televisions between 27 and 60 inches.
- **VESA Compatibility:** Ensure your TV's VESA mounting pattern is compatible with the stand (100x100mm to 400x400mm).
- **Stable Surface:** Always place the TV stand on a flat, stable, and level surface.
- **Children and Pets:** Keep children and pets away from the stand during assembly. Do not allow children to climb on or play with the stand or TV.
- **Proper Installation:** Ensure all screws are securely tightened according to the assembly instructions. Do not overtighten.
- **Cable Management:** Route all cables properly to prevent tripping hazards and accidental pulling of the TV.

3. PRODUCT FEATURES

- **Universal Compatibility:** Supports 27-60 inch TVs with VESA patterns from 100x100mm to 400x400mm.
- **Swivel Function:** Offers an 80-degree swivel range (± 40 degrees) for flexible viewing angles.
- **Height Adjustment:** Features 4 levels of height adjustment to customize TV placement.
- **Durable Construction:** Constructed with a heavy-duty steel pole and an 8mm thick tempered glass base for stability.
- **Cable Management:** Integrated cable pass-through port helps organize and conceal cables.
- **Easy Assembly:** Designed for straightforward installation with clearly labeled parts.

5. ASSEMBLY INSTRUCTIONS

The Hemudu TV stand is designed for quick and easy assembly. All necessary hardware is included and clearly labeled. It is recommended to have a second person assist with lifting the TV onto the stand.

Required Tools (Not Included):

- Phillips head screwdriver

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list in your included manual.
2. **Attach Support Column to Base:** Secure the main support column to the tempered glass base using the provided screws and tools. Ensure it is firmly attached.
3. **Assemble TV Brackets:** Attach the horizontal TV bracket arms to the vertical mounting rails.
4. **Attach Mounting Rails to TV:** Select the appropriate screws, washers, and spacers for your TV's VESA mounting holes. Secure the vertical mounting rails to the back of your television.
5. **Mount TV to Stand:** With assistance, carefully lift the television and hook the mounting rails onto the

support column's bracket. Ensure the TV is centered and level.

6. **Secure TV:** Use the safety lock screws to secure the TV to the stand, preventing accidental dislodgement.
7. **Adjust Height (Optional):** If desired, adjust the TV height by repositioning the mounting rails on the support column before fully tightening.

6. OPERATION

Swivel Function:

The Hemudu TV stand allows for an 80-degree swivel range (40 degrees left and 40 degrees right). To adjust the viewing angle, gently grasp the sides of your television and rotate it to the desired position. The stand is designed for smooth and stable movement.

Image 6.1: Swivel function of the TV stand.

Height Adjustment:

The stand offers 4 levels of height adjustment. To change the TV height, you will need to temporarily remove the TV from the stand. Adjust the position of the mounting rails on the main support column to one of the four available height settings, then re-mount and secure your television.

Image 6.2: Height adjustment feature.

Cable Management:

Utilize the integrated cable pass-through port on the support column to route and organize your TV and device cables. This helps maintain a tidy appearance and reduces cable clutter.

7. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the stand. For the tempered glass base, a glass cleaner can be used. Avoid abrasive cleaners or solvents that may damage the finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight and secure. Retighten if necessary.
- **Avoid Overloading:** Do not place items on the stand that exceed its weight capacity.

8. TROUBLESHOOTING

- **TV is not level:** Ensure the mounting rails are evenly positioned on the support column. Adjust as needed. Check that the stand is on a level surface.
- **Stand feels unstable:** Verify that all screws are fully tightened. Ensure the TV's weight and VESA pattern are within the stand's specifications. The stand must be placed on a firm, flat surface.

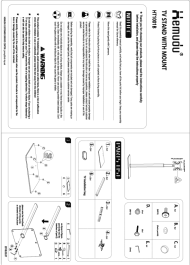

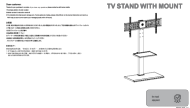

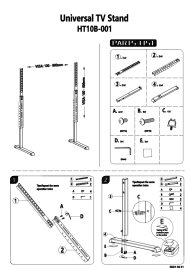

- **Difficulty with swivel:** Check for any obstructions around the base or TV. Ensure no cables are snagged.
- **Missing parts:** If any parts are missing upon unboxing, contact Hemudu customer support immediately.

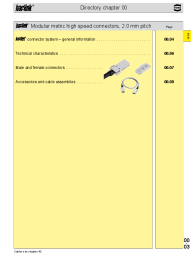

9. WARRANTY AND SUPPORT

For warranty information or technical support, please refer to the warranty card included with your product or contact Hemudu customer service through their official website or the retailer where the product was purchased. Please have your model number (HT04B-001) and purchase date available when contacting support.
