Riwbox XBT-880

Riwbox XBT-880 Wireless Bluetooth Headphones User Manual

Model: XBT-880

1. Introduction and Overview

The Riwbox XBT-880 Wireless Bluetooth Headphones are designed to provide a high-quality audio experience with convenience and comfort. Featuring advanced Bluetooth V5.3 technology, these headphones offer a stable and quick connection to your devices. The over-ear design with soft protein ear pads ensures comfort during extended use, while the 40mm large diameter aperture drivers deliver precise deep bass and clear sound.

These headphones support both wireless Bluetooth and wired connections, providing versatility for various listening scenarios. A built-in microphone and volume controls enable hands-free calling and easy management of your audio playback.

Figure 1: Riwbox XBT-880 Wireless Bluetooth Headphones. The headphones feature a white and blue design with comfortable over-ear cups and a foldable headband.

2. Package Contents

Please verify that all items listed below are included in your package:

- Riwbox XBT-880 Wireless Bluetooth Headphones

- Charging Cable (Micro-USB)
- 3.5mm Audio Cable (AUX) with built-in microphone
- User Manual (this document)

3. Product Features and Controls

The Riwbox XBT-880 headphones are designed with intuitive controls for ease of use. The main controls are located on the earcups.

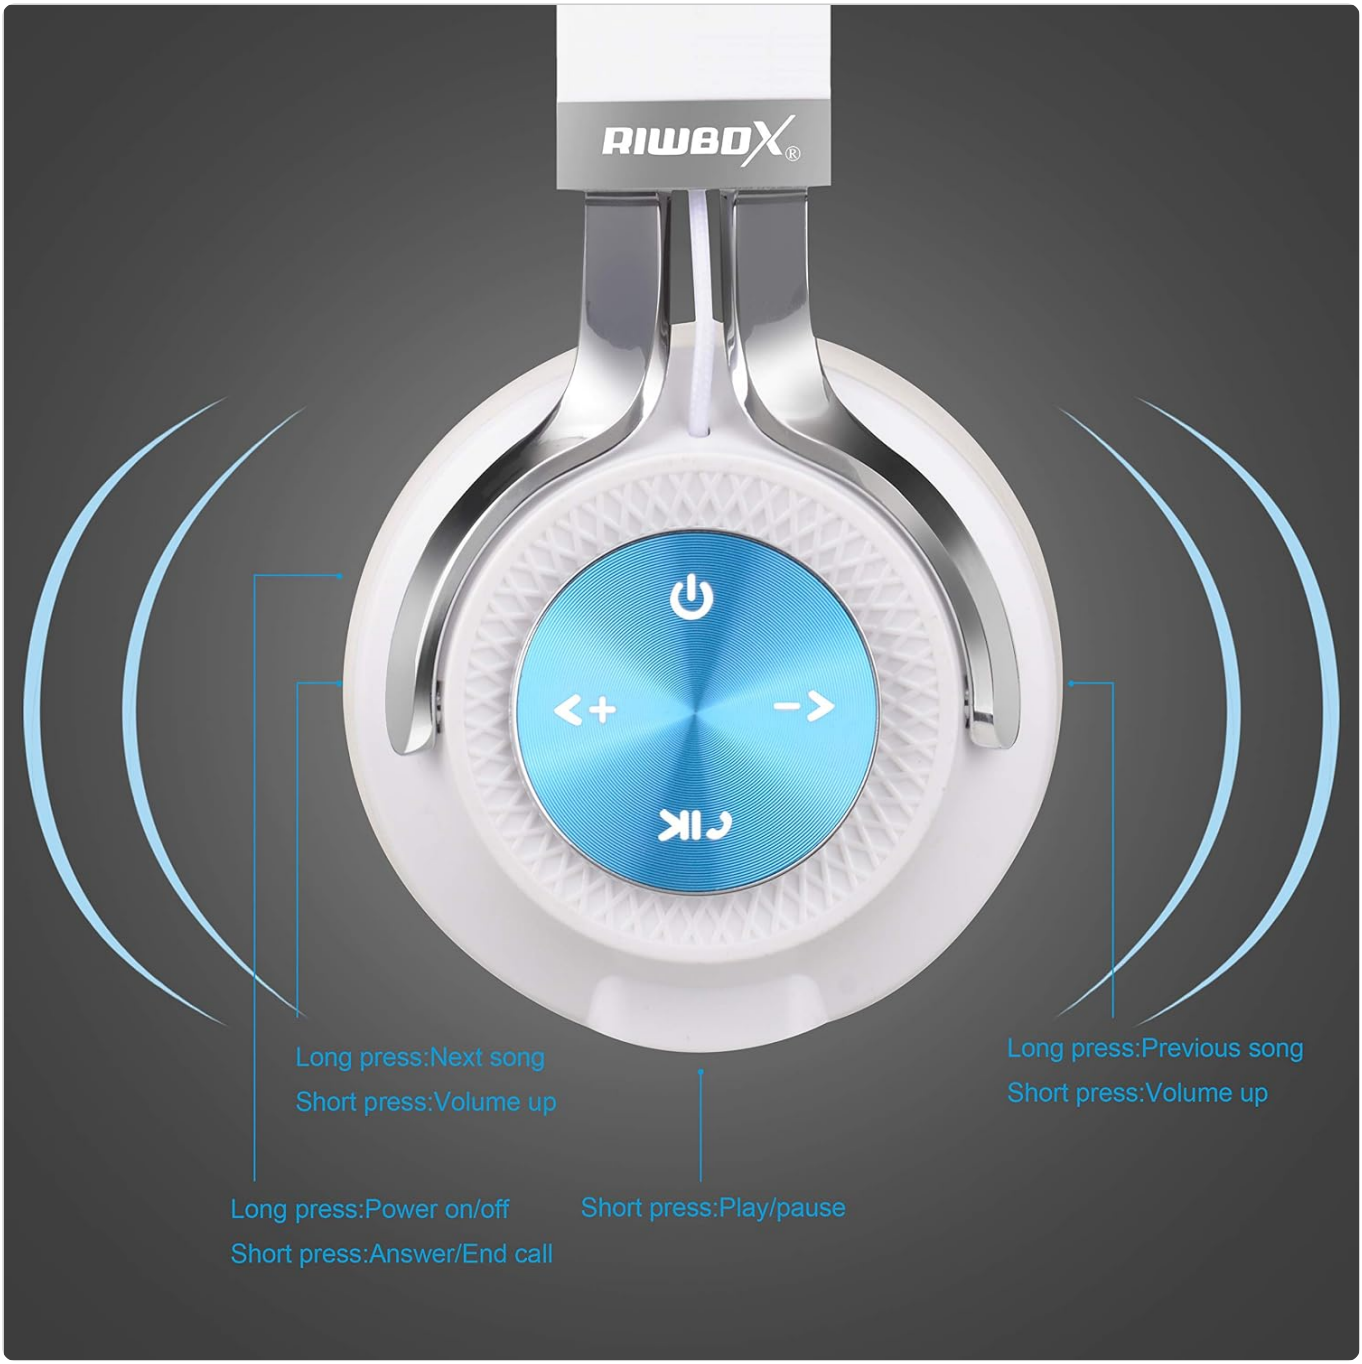

Figure 2: Control layout on the Riwbox XBT-880 headphones. The image highlights the power button, volume controls, and track navigation buttons on the earcup.

Key Features:

- **40mm Drivers:** For impressive sound quality with precise deep bass and high clarity.
- **Bluetooth V5.3:** Ensures quick and stable wireless connection up to 33 feet.
- **Over-Ear Pads:** Made with protein for high soft elasticity, comfort, and breathability.

- **Built-in Microphone:** Enables hands-free calling.
- **Volume Control:** Integrated on the earcup for easy audio adjustment.
- **Foldable Design:** For easy storage and portability.
- **Dual Mode:** Supports both wireless Bluetooth and wired 3.5mm audio connections.

Control Functions:

Control	Action	Function
Power Button	Long Press	Power On/Off
Power Button	Short Press	Play/Pause
Volume Up (+)	Short Press	Volume Up
Volume Down (-)	Short Press	Volume Down
Next Track (>)	Long Press	Next Song
Previous Track (<)	Long Press	Previous Song
Call Button (on AUX cable)	Short Press	Answer/End Call
Call Button (on AUX cable)	2 Times Press	Next Song (Wired Mode)
Call Button (on AUX cable)	3 Times Press	Previous Song (Wired Mode)

---

4. Setup

4.1 Charging the Headphones

Before first use, fully charge your Riwbox XBT-880 headphones. A full charge takes approximately 3 hours.

1. Connect the provided Micro-USB charging cable to the charging port on the headphone earcup.
2. Connect the other end of the cable to a USB power source (e.g., computer USB port, USB wall adapter).
3. The indicator light will turn red during charging.
4. Once fully charged, the indicator light will turn blue.

4.2 Bluetooth Pairing

To connect your headphones wirelessly to a device:

1. Ensure the headphones are powered off.
2. Press and hold the Power button until the indicator light flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, PC, TV), enable Bluetooth and search for available devices.
4. Select "Riwbox XBT-880" from the list of found devices.
5. Once connected, the indicator light on the headphones will typically show a solid blue or flash slowly.
6. The headphones will automatically attempt to reconnect to the last paired device when powered on.

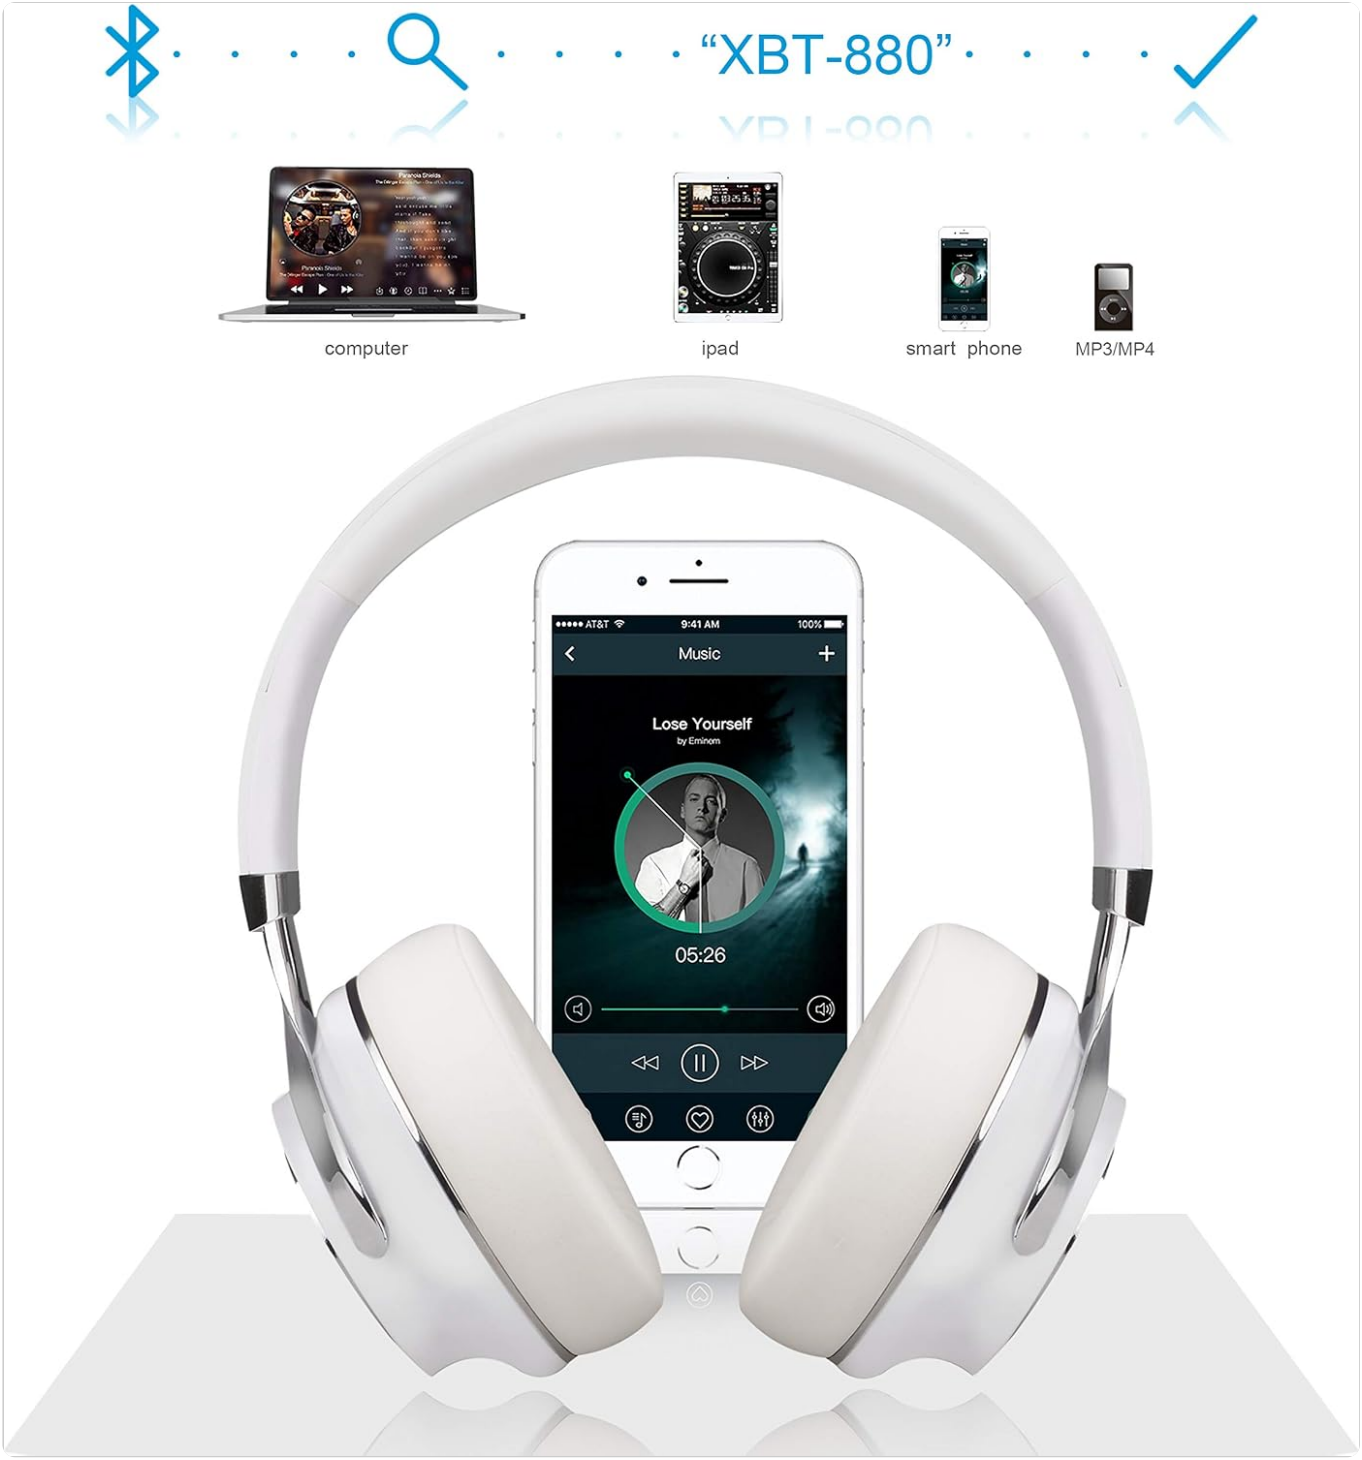

Figure 3: The Riwbox XBT-880 headphones are compatible with a wide range of Bluetooth-enabled devices, including computers, iPads, smartphones, and MP3/MP4 players.

5. Operating Instructions

5.1 Wireless Mode

- **Power On/Off:** Long press the Power button.
- **Play/Pause:** Short press the Power button.
- **Volume Adjustment:** Short press the '+' button for Volume Up, '-' button for Volume Down.
- **Track Navigation:** Long press the '>' button for Next Song, '<' button for Previous Song.
- **Answering/Ending Calls:** Short press the Power button when a call comes in or to end an ongoing call.

5.2 Wired Mode

The headphones can be used in wired mode even if the battery is depleted. This mode utilizes the included 3.5mm audio cable.

1. Connect one end of the 3.5mm audio cable to the audio input jack on the headphone earcup.
2. Connect the other end of the cable to the 3.5mm audio output jack of your device.
3. In wired mode, the controls on the headphone earcup may not function. Use the inline controls on the 3.5mm audio cable for basic functions (Play/Pause, Next/Previous Song, Answer/End Call).

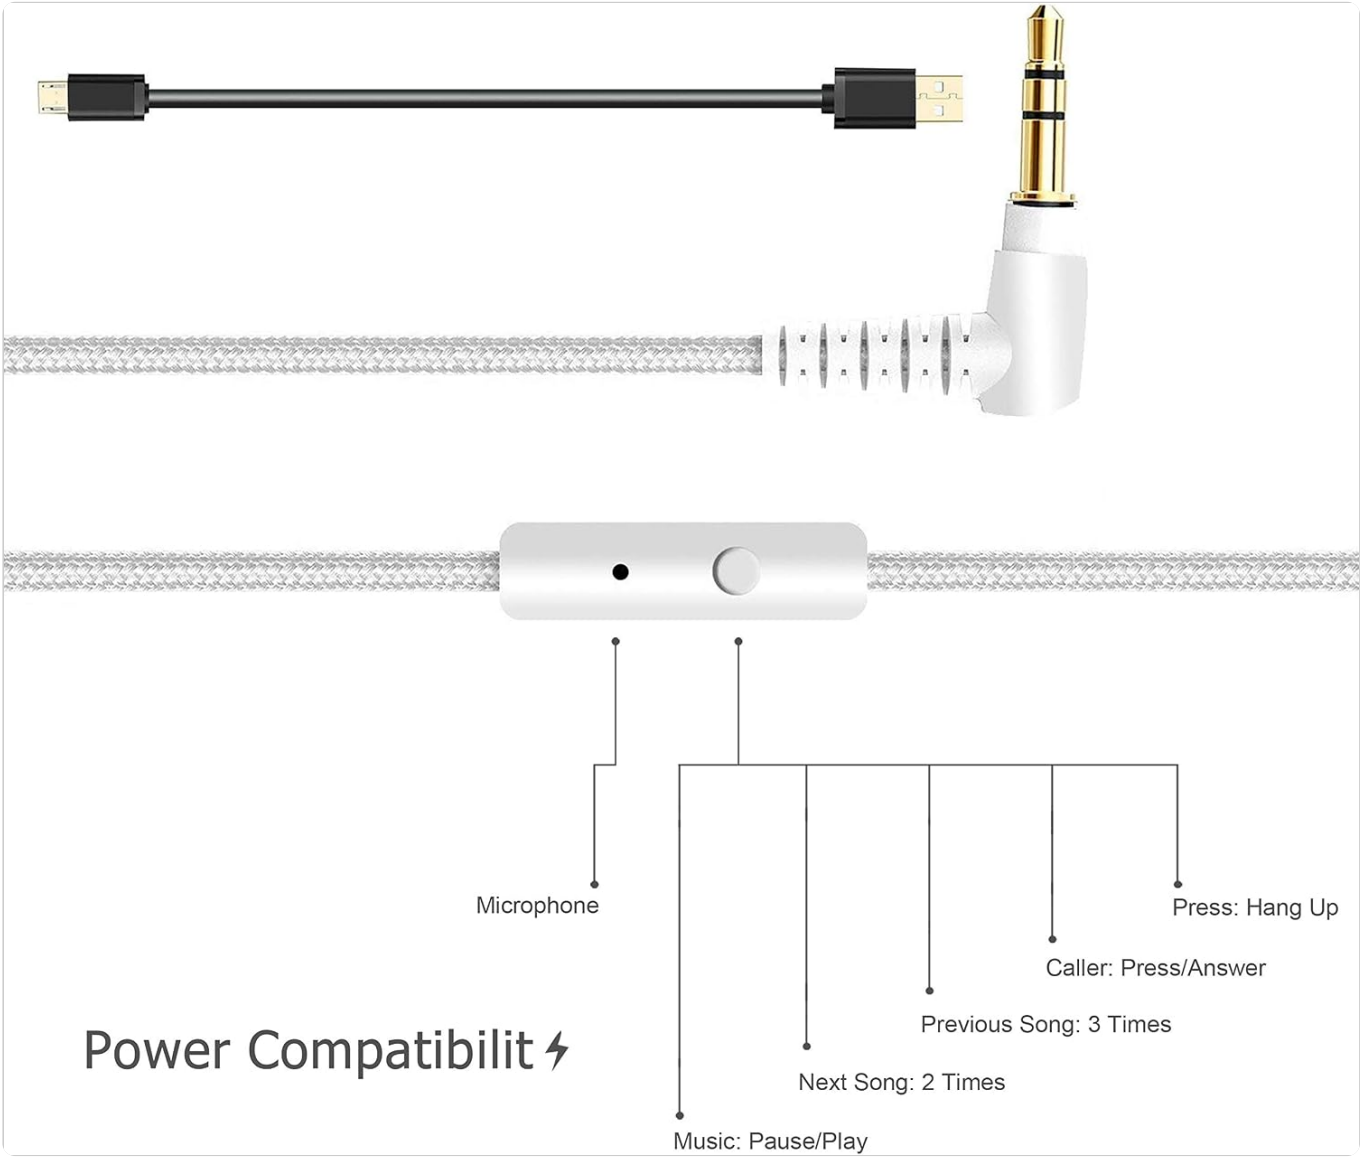

Figure 4: The 3.5mm audio cable includes an inline microphone and control button for managing music playback and calls in wired mode.

6. Maintenance

Proper maintenance ensures the longevity and performance of your Riwbox XBT-880 headphones.

- **Cleaning:** Use a soft, dry cloth to clean the headphones. For the protein ear pads, a slightly damp cloth can be used, but ensure they are completely dry before storage. Avoid harsh chemicals or abrasive materials.
- **Storage:** When not in use, fold the headphones for compact storage. Store them in a cool, dry place away from direct sunlight and extreme temperatures.
- **Discoloration:** For white models, slight discoloration may occur over extended periods of use, particularly in areas that come into frequent contact with skin or makeup. This is normal wear and tear and does not affect functionality.

Figure 5: The foldable design of the Riwbox XBT-880 headphones allows for convenient storage and portability.

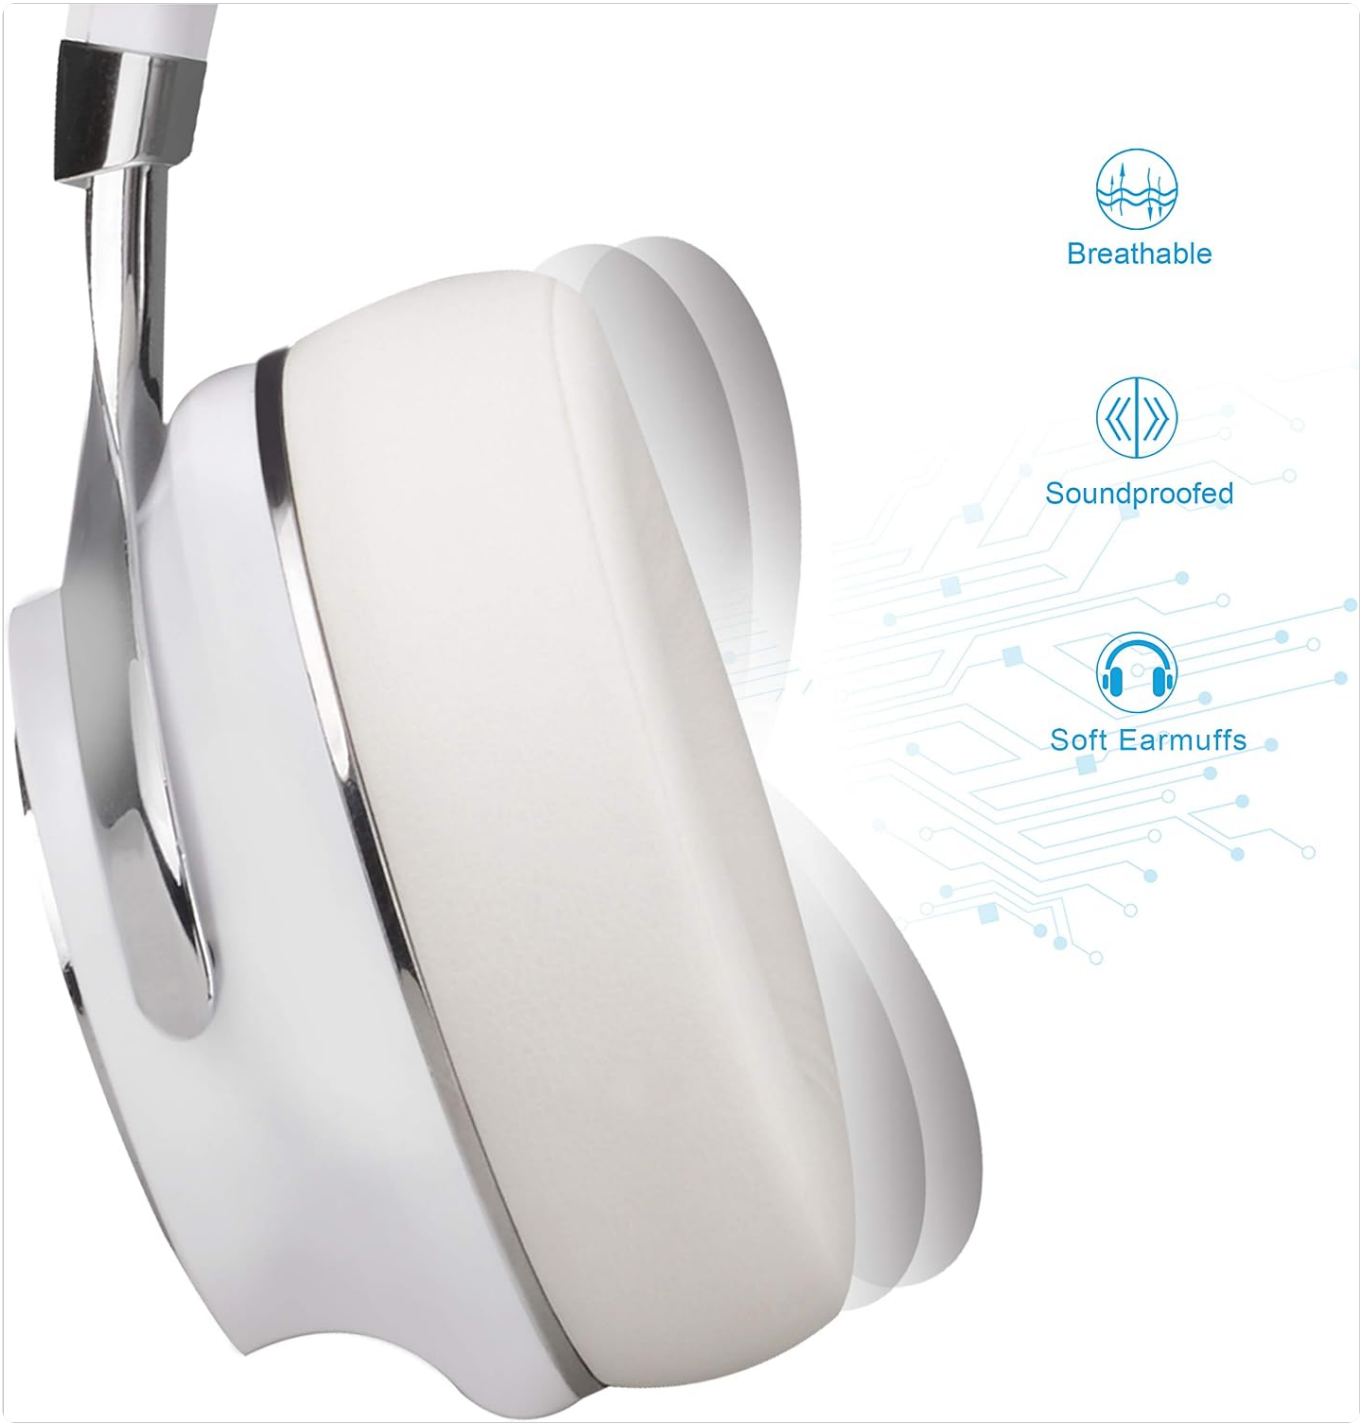

Figure 6: The soft, breathable, and soundproofed earcups provide comfort for prolonged listening sessions.

7. Troubleshooting

If you encounter issues with your Riwbox XBT-880 headphones, please refer to the following common solutions:

- **No Power:** Ensure the headphones are fully charged. Connect them to a power source using the Micro-USB cable.
- **Cannot Pair via Bluetooth:**
  - Ensure the headphones are in pairing mode (flashing blue and red light).
  - Make sure Bluetooth is enabled on your device.
  - Move the headphones closer to your device (within 33 feet).
  - Clear previous Bluetooth connections on your device and try pairing again.
  - Restart both the headphones and your device.

- **No Sound:**
  - Check the volume level on both the headphones and your connected device.
  - Ensure the headphones are properly paired or the 3.5mm audio cable is securely connected.
  - If using wired mode, ensure the cable is not damaged.
- **Intermittent Connection:**
  - Ensure there are no obstacles between the headphones and your device.
  - Move closer to your device to reduce interference.
  - Avoid using the headphones near other strong wireless signals (e.g., Wi-Fi routers).
- **Microphone Not Working:**
  - Ensure the headphones are properly connected and selected as the audio input device on your computer or smartphone.
  - If using wired mode, ensure the 3.5mm audio cable with the built-in microphone is used and fully inserted.
