PACKAGE CONTENTS

- Maxell Bass 13 Headphones with integrated 4 ft cord and in-line microphone

PRODUCT FEATURES

The Maxell Bass 13 Headphones are equipped with several features for an enhanced listening experience:

- **Full-Cup Design:** Provides comprehensive ear coverage for immersive sound.
- **40mm Drivers:** Deliver powerful audio with clear sound and enhanced bass.
- **In-line Microphone:** Enables hands-free calling and voice commands.
- **Adjustable Headband:** Ensures a comfortable and secure fit for various head sizes.
- **Soft Cushioned Earpads:** Designed for comfort during extended use and to assist in blocking external noise.

SETUP INSTRUCTIONS

1. **Unpack:** Carefully remove the headphones from their packaging.

2. **Adjust Headband:** Gently extend or retract the headband slides to fit your head comfortably. The earpads should fully cover your ears without excessive pressure.

3. **Connect to Device:** Insert the 3.5mm audio jack located at the end of the headphone cord into the corresponding audio port on your device (e.g., smartphone, tablet, laptop, MP3 player). Ensure the jack is fully inserted for proper audio transmission.

4. **Volume Control:** Adjust the volume on your connected device to a comfortable listening level before placing the headphones on your ears.

OPERATING INSTRUCTIONS

Audio Playback

Once connected, your headphones will play audio from your device. Control playback (play/pause, skip tracks) and volume directly from your connected device.

Using the In-line Microphone

The Maxell Bass 13 Headphones feature an in-line microphone for hands-free communication.

- **Answering/Ending Calls:** Press the button on the in-line control to answer an incoming call. Press it again to end the call.
- **Voice Assistant:** On compatible devices, a long press of the button may activate your device's voice assistant.

CARE AND MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the exterior of the headphones. Do not use liquid cleaners or solvents.

- **Storage:** Store the headphones in a clean, dry place away from extreme temperatures and direct sunlight. Avoid tangling the cord.

- **Handling:** Do not pull on the cord to disconnect the headphones. Always grasp the 3.5mm jack directly. Avoid dropping the headphones or exposing them to excessive force.

TROUBLESHOOTING

Problem	Possible Solution
No sound or low volume	Ensure the 3.5mm jack is fully inserted into your device. Check the volume level on your connected device. Test with another audio source or device to rule out device issues.
Microphone not working	Ensure the headphones are properly connected. Check your device's audio settings to ensure the external microphone is selected. Test with another application or device.

Problem	Possible Solution
Sound distortion	Lower the volume on your device. Ensure the audio source is not corrupted. Test with another audio source or device.
