Livarno Lux - Table LED Daylight Lamp User Manual

Brand: **Livarno Lux** | Model: **B07HFBLRG8**

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the Livarno Lux Table LED Daylight Lamp. This manual provides essential information for the safe and efficient operation of your new lamp. Please read it thoroughly before use and retain it for future reference.

This elegant LED lamp features a high-quality matte nickel appearance and an adjustable height arm, making it suitable for various uses as a desk or floor lamp. It incorporates an energy-saving LED module designed for long-term use.

Figure 1.1: Livarno Lux Table LED Daylight Lamp. This image shows the lamp fully extended, highlighting its adjustable arm and the rectangular LED light head. The base is square and flat, and the lamp has a sleek, modern design in a matte nickel finish.

2. SAFETY INSTRUCTIONS

Always observe the following safety precautions to prevent injury or damage to the product:

- Before connecting the lamp to a power source, ensure the voltage matches the rating indicated on the lamp's label.
- Do not expose the lamp to moisture, rain, or extreme temperatures. Use indoors only.
- Do not attempt to open or modify the lamp. The LED module is not user-replaceable.
- Keep the lamp away from flammable materials.
- If the power cord or plug is damaged, do not use the lamp. Contact qualified personnel for repair.
- Avoid looking directly into the LED light source for extended periods, as it may cause eye strain.
- Ensure the lamp is placed on a stable, flat surface to prevent tipping.
- Unplug the lamp from the power outlet before cleaning or performing any maintenance.

3. PACKAGE CONTENTS

Carefully unpack all items and check for any damage or missing parts. If any components are missing or damaged, contact customer support immediately.

- Livarno Lux Table LED Daylight Lamp (with integrated LED module)
- User Manual (this document)

4. SETUP

1. **Unpacking:** Carefully remove the lamp from its packaging. Retain the packaging for future transport or storage.
2. **Placement:** Place the lamp on a stable, flat, and dry surface. Ensure there is adequate space around the lamp for adjustment and ventilation. Avoid placing it near heat sources or in direct sunlight.
3. **Power Connection:** Insert the power plug into a suitable wall outlet. Ensure the connection is secure.

5. OPERATING INSTRUCTIONS

The Livarno Lux LED lamp is designed for simple operation:

- **Turning On/Off:** The lamp features a touch button switch. Gently touch the designated area on the lamp base or arm (refer to product illustration for exact location) to turn the lamp on or off.
- **Adjusting the Lamp:** The lamp is equipped with an adjustable arm. Carefully pivot the arm and the lamp head to achieve your desired lighting angle and height. Do not force the joints beyond their natural range of motion.

6. MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your lamp, follow these maintenance guidelines:

- **Cleaning:** Before cleaning, always unplug the lamp from the power outlet. Wipe the lamp's exterior with a soft, dry, lint-free cloth. Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish.
- **LED Module:** The integrated LED module is designed for a long lifespan and is not user-replaceable. Do not attempt to replace the LEDs.
- **Storage:** If storing the lamp for an extended period, unplug it and store it in a clean, dry place, preferably in its original packaging.

7. TROUBLESHOOTING

If you encounter issues with your lamp, refer to the following troubleshooting guide:

Problem	Possible Cause	Solution
Lamp does not turn on.	<ul style="list-style-type: none"> ◦ Power cord not properly connected. ◦ No power from the outlet. ◦ Faulty lamp. 	<ul style="list-style-type: none"> ◦ Ensure the power cord is securely plugged into both the lamp and the wall outlet. ◦ Test the outlet with another device. Check your circuit breaker. ◦ If the above steps do not resolve the issue, contact customer support.
Light flickers or is dim.	<ul style="list-style-type: none"> ◦ Unstable power supply. ◦ Internal component issue. 	<ul style="list-style-type: none"> ◦ Try plugging the lamp into a different outlet. ◦ Contact customer support if the issue persists.

8. SPECIFICATIONS

Feature	Detail
Brand	Unbekannt (Livarno Lux product line)
Manufacturer	Briloner Leuchten GmbH
Model Number	B07HFBLRG8
Material	Nickel
Color	Matte Nickel Optics
Light Source Type	Integrated LED
Power Consumption	Approx. 9.5W
Luminous Flux	690 LM
Color Temperature	3000K (Warm White)
Color Rendering Index (Ra)	≥ 80
Service Life	2000 hours
Switching Cycles	15000 x
Switch Style	Touch button
Special Features	Adjustable Height, Low power consumption, Reader Arm
Energy Saving	Up to 86% compared to a standard 48-53W light bulb
Date First Available	20 Aug. 2019

9. WARRANTY AND SUPPORT

This product is manufactured by Briloner Leuchten GmbH. For warranty information, technical support, or service inquiries, please contact your retailer or the manufacturer directly. Please have your proof of purchase and the product model number (B07HFBLRG8) ready when contacting support.

For further assistance, you may visit the manufacturer's website or contact their customer service department. Specific warranty terms and conditions may vary by region and retailer.
