CANWAY 115L Foldable Travel Duffel Bag Instruction Manual

Model: Duffel-13

INTRODUCTION

Thank you for choosing the CANWAY 115L Foldable Travel Duffel Bag. This manual provides essential information for the proper setup, operation, maintenance, and care of your new duffel bag. Please read these instructions carefully before using your product to ensure optimal performance and longevity.

SETUP

Unfolding the Duffel Bag

Your CANWAY duffel bag is designed for compact storage. To unfold it for use:

1. Locate the main zipper on the folded pouch.
2. Unzip the pouch completely. The bag will begin to unfold.
3. Gently pull the sides and ends of the bag to fully extend it to its intended shape.

Attaching the Shoulder Strap

The duffel bag comes with a detachable and adjustable shoulder strap for comfortable carrying.

1. Locate the two D-rings on opposite sides of the main compartment.
2. Attach the metal clips of the shoulder strap to these D-rings.
3. Adjust the strap length using the buckle to your preferred carrying height. The strap features a padded section for enhanced comfort.

OPERATING INSTRUCTIONS

Main Compartment

The duffel bag features one spacious main compartment with a 115-liter capacity, ideal for extended trips or carrying bulky items.

- Use the dual metal SBS zippers to open and close the main compartment.
- Pack your clothing and larger items efficiently.

115L LARGE CAPACITY

Dedicated Shoe Compartment

A separate shoe compartment keeps footwear isolated from other belongings, preventing dirt and odors from spreading.

- Locate the zippered compartment on one end of the bag.
- Place your shoes or dirty laundry inside. This compartment is water and odor resistant and features two ventilated air vents.

WIDENED LUGGAGE SLEEVE

The zippered pocket keeps your tablet and boarding passes secure.

Additional Pockets

The duffel bag includes multiple pockets for organizing smaller items:

- **Front Pockets:** Two zippered pockets on the front for quick access to essentials.
- **Side Pockets:** In addition to the shoe compartment, there are other side pockets for extra storage.

Luggage Sleeve

For convenient travel, the bag features a widened luggage sleeve on the back.

- Slide the luggage sleeve over the handle of your rolling suitcase to secure the duffel bag on top.
- The sleeve also has an additional adhesion belt to keep the bag tightly secured.

Carrying Options

The duffel bag offers multiple ways to carry it:

- **Top Handles:** Use the rounded stitched grip handles for hand-carrying.
- **Side Straps:** Two side straps are available for two people to carry the bag together if it's heavily loaded.
- **Shoulder Strap:** Utilize the adjustable, padded, and removable shoulder strap for comfortable over-the-shoulder carrying.

MAINTENANCE AND CARE

To ensure the longevity and performance of your CANWAY duffel bag, follow these care instructions:

- **Cleaning:** Wipe the bag with a damp cloth and mild soap. Do not machine wash or tumble dry. Air dry completely before storing.
- **Storage:** When not in use, fold the bag back into its compact size and store it in a cool, dry place away from direct sunlight.
- **Zipper Care:** Periodically check zippers for any debris and clean them gently. Avoid forcing zippers if they get stuck.
- **Material:** The bag is made of 600D polyester fabric, which is waterproof and tear-resistant. While durable, avoid exposing it to sharp objects or extreme temperatures.

TROUBLESHOOTING

- **Stuck Zipper:** If a zipper becomes difficult to move, try rubbing a pencil lead or a small amount of wax along the teeth to lubricate it.
- **Strap Detachment:** Ensure the metal clips of the shoulder strap are securely fastened to the D-rings. If a clip is damaged, contact customer support for assistance.
- **Bag Not Folding Properly:** Ensure all compartments are empty and the bag is laid flat before attempting to fold it. Follow the folding steps carefully.
