2. Safety Precautions

Before using this product, carefully read and understand all safety information. Failure to follow these instructions may result in injury or property damage.

Important Warnings:

- **Eye Irritant:** May cause eye irritation. Avoid contact with eyes.
- **Skin Irritant:** May cause skin irritation. Avoid prolonged or repeated skin contact.
- **Harmful if Swallowed:** Do not ingest. Harmful if swallowed or absorbed through skin.
- **Contents Under Pressure:** Do not puncture or incinerate container.
- **Heat Exposure:** Do not store near heat, open flame, or in direct sunlight. Do not expose to temperatures above 120°F

(49°C).

- **Keep Out of Reach:** Keep out of reach of children and pets.

First Aid Measures:

- **If in Eyes:** Rinse immediately with plenty of water for several minutes. If irritation persists, seek medical attention.
- **If on Skin:** Wash thoroughly with soap and water. If irritation develops, seek medical attention.
- **If Swallowed:** Do not induce vomiting. Drink plenty of water. Seek medical attention immediately.
- **If Inhaled:** Move to fresh air. If not breathing, administer artificial respiration. Seek medical attention.

3. How to Use

Follow these steps for effective stain removal on carpets and upholstery.

3.1. Preparation

- **Test in an Inconspicuous Area:** Always test the product on a small, hidden area of the carpet or upholstery first to ensure colorfastness and compatibility.
- **Remove Excess Debris:** Blot or scrape away any loose solids or excess liquid from the stain before application.

3.2. Application Steps

1. **Shake:** Shake the can well before each use.
2. **Spray:** Hold the can upright and spray the product directly onto the stain, ensuring the area is thoroughly covered.
3. **Wait:** Allow the product to penetrate the stain for approximately 1 minute. For tougher stains, you may allow it to sit slightly longer, but do not let it dry.
4. **Blot:** Using a clean, damp cloth or paper towel, blot the treated area. Apply pressure to absorb the stain and the product.
5. **Rinse:** Lightly dampen a clean cloth with water and blot the area again to rinse. Repeat blotting with a dry cloth until the area is dry.
6. **Repeat if Necessary:** For stubborn or older stains, repeat the application process until the stain is removed.

3.3. Recommended Surfaces

This product is suitable for use on a variety of surfaces:

- Carpets
- Rugs
- Upholstery
- Laundry (for spot treatment)

4. Maintenance and Storage

Proper care and storage will ensure the longevity and effectiveness of your Zep Instant Carpet and Upholstery Spot Remover.

- **Storage:** Store the product in a cool, dry place, away from direct sunlight and heat sources. Ensure the cap is securely replaced after each use.
- **Temperature:** Do not expose the can to temperatures exceeding 120°F (49°C).
- **Disposal:** Dispose of empty cans according to local regulations for aerosol products.

5. Troubleshooting Tips

If you encounter difficulties, consider the following advice:

- **Stubborn Stains:** For very old or deeply set stains, multiple applications may be required. Ensure sufficient penetration time (up to 1 minute) and thorough blotting between applications.
- **Residue:** If a residue remains after drying, lightly mist with clean water and blot again with a dry cloth.
- **Preventing Re-soiling:** To help prevent future re-soiling of the cleaned area, vacuum the area once it is completely dry.

6. Product Specifications

Specification	Detail
