ZINUS Betsy 48 Inch Standing Desk User Manual

Model: OLB-SDD-A48B

INTRODUCTION

The ZINUS Betsy 48 Inch Standing Desk is designed to convert any flat workspace into an adjustable sit-stand desk. This workstation allows you to easily transition between sitting and standing positions, promoting a more active and productive work environment. It features a spacious desktop for dual monitors and a separate keyboard tray, all within a sturdy steel design.

SETUP

Unpacking and Placement

The ZINUS Betsy 48 Inch Standing Desk requires no assembly. Simply remove it from its packaging and place it on your existing desk or workstation. Due to its robust construction, it is recommended to have assistance when lifting and positioning the unit.

OPERATING INSTRUCTIONS

Adjusting Height

To adjust the desk height, locate the handles on each side of the desktop. Squeeze both handles simultaneously to release the locking mechanism. Gently raise or lower the desktop to your desired height.

Once the desired height is reached, release the handles to lock the desk into position. The desk is adjustable from a minimum height of 5 inches (12.7 cm) up to a maximum height of 17.2 inches (43.7 cm).

Sit-Stand Transition

Regularly transitioning between sitting and standing positions can help alleviate discomfort and improve focus during your workday. Adjust the desk to a comfortable standing height when you wish to stand, and lower it for sitting periods.

PRODUCT FEATURES

Work Surface and Ergonomics

The desk features a spacious top surface designed to accommodate two 24-inch monitors, along with a lower keyboard and mouse tray. Its ergonomic shape and rounded edges contribute to a comfortable user experience.

MAINTENANCE

To ensure the longevity and proper function of your ZINUS Betsy Standing Desk, follow these maintenance guidelines:

- **Cleaning:** Wipe the desk surfaces with a dry cloth. Avoid using harsh chemicals or abrasive cleaners that may damage the finish.
- **General Care:** Always follow manufacturer's instructions for use and maintenance. Keep the desk away from direct heat sources and sharp objects.
- **Weight Capacity:** Do not place objects exceeding the maximum weight recommendation of 100 pounds (45 kg) on the desk.
- **Stability:** Ensure the desk is stable and securely placed on a flat surface before use.

TROUBLESHOOTING

Difficulty Adjusting Height

If you experience difficulty lifting or lowering the desk, consider the following:

- **Weight Load:** Ensure the total weight on the desk (monitors, laptop, etc.) does not exceed the maximum capacity of 100 pounds (45 kg). Excessive weight can make the gas spring mechanism harder to operate.
- **Leverage:** When lifting, apply upward force while squeezing the handles. The initial movement may require more effort due to the gas spring mechanism and the desk's pivot system.
- **Obstructions:** Check for any obstructions beneath the desk or around the adjustment mechanism that might impede movement.

SPECIFICATIONS

Feature	Detail
Brand	Zinus
Model Number	OLB-SDD-A48B
Product Dimensions (D x W x H)	48"D x 30"W x 17.2"H (122cm D x 76cm W x 43.7cm H)
Minimum Height	5 inches (12.7 cm)
Maximum Height	17.2 inches (43.7 cm)
