## 2. KEY FEATURES

- Powerful Magnetic Attachment:** Ensures a secure and instant connection between the case and your iPad.
- Durable Construction:** Crafted from high-quality materials for extended longevity and sustained appearance.
- Apple Pencil Support:** Features a recessed side groove for magnetic charging and a magnetic clasp to secure your Apple Pencil Pro or Apple Pencil (USB-C).
- Slim and Lightweight Design:** Facilitates easy portability without adding significant bulk.
- Versatile Trifold Stand:** The front cover transforms into a stable stand, offering multiple angles for viewing.

viewing, typing, and drawing.

- **Auto Wake/Sleep Functionality:** Automatically wakes your iPad when opened and puts it to sleep when closed, conserving battery life.
- **Scratch Protection:** The scratch-resistant cover helps maintain a flawless and scratch-free screen.

## 3. SETUP GUIDE

---

### 3.1. Attaching the Case

1. Ensure your iPad is clean and free of any debris on its back surface.
2. Align the back of your iPad with the magnetic back panel of the ESR case.
3. The powerful magnets will automatically snap the iPad securely into place.

### 3.2. Detaching the Case

1. Gently push the iPad off the magnetic back panel from one side.
2. The magnetic attachment allows for easy removal when the case is not desired.

## 4. OPERATING INSTRUCTIONS

---

### 4.1. Using the Trifold Stand

The front cover of the case is designed with a trifold mechanism to create a stable stand.

- **Viewing Mode:** Fold the cover into a triangular stand to prop up your iPad for watching videos or making video calls.
- **Typing/Drawing Mode:** Fold the cover into a lower angle for comfortable typing or drawing.

# Scratch Protection

Scratch-resistant cover keeps your screen flawless and scratch-free

This image demonstrates how to fold the trifold cover to achieve both the upright viewing mode and the lower-angle typing/drawing mode, enhancing the versatility of your iPad.

## 4.2. Auto Wake/Sleep Function

The case features an integrated auto wake/sleep function. Opening the front cover will automatically wake your iPad, and closing it will put your iPad to sleep, helping to conserve battery life.

## 4.3. Apple Pencil Support

The case includes a dedicated side groove and magnetic clasp to support your Apple Pencil Pro or Apple Pencil (USB-C).

- Place your Apple Pencil in the recessed groove on the side of the case for magnetic attachment and wireless charging (if supported by your iPad and Pencil model).

- The magnetic clasp on the cover helps to keep the Pencil securely in place when the case is closed.

# Thinner and Lighter

Lightweight design for easier on-the-go

This image highlights the case's full support for Apple Pencil Pro and Apple Pencil (USB-C), showing how the pencil magnetically attaches and charges on the side of the iPad, secured by the case's design.

## 5. MAINTENANCE AND CARE

- To clean the case, wipe it gently with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- Ensure the case is completely dry before reattaching your iPad.
- Avoid exposing the case to extreme temperatures or direct sunlight for prolonged periods, as this may affect its material integrity.

## 6. TROUBLESHOOTING

---

### 6.1. iPad Not Attaching Securely

- Ensure the back of your iPad and the case's magnetic surface are clean and free of any obstructions.
- Verify that your iPad model is listed under the compatible devices section.
- Apply gentle pressure to ensure full magnetic contact.

### 6.2. Stand Stability Issues

- Ensure the trifold cover is fully and correctly folded into the desired stand configuration.
- Use the case on a flat, stable surface for optimal support.

### 6.3. Auto Wake/Sleep Not Functioning

- Check that the case cover is fully closing and making proper contact with the iPad screen.
- Ensure the auto-lock/wake feature is enabled in your iPad's settings (Settings > Display & Brightness > Lock/Unlock).
