

Rowkin Ascent Charge+

Rowkin Ascent Charge+ True Wireless Earbuds User Manual

Model: Ascent Charge+ (NAAT10AA)

1. INTRODUCTION

Welcome to the user manual for your Rowkin Ascent Charge+ True Wireless Earbuds. This guide provides comprehensive instructions for setting up, operating, maintaining, and troubleshooting your new earbuds. Please read this manual thoroughly to ensure optimal performance and longevity of your device.

What's in the Box

- 2 Bluetooth Earbuds
- 1 Portable Charging Case
- 1 Dual-Function Portable Charger (integrated with case)
- 1 USB-C Charging Cable
- 3 Sets of Ear Tips (Small, Medium, Large)
- 1 Qi Wireless Charging Pad

Figure 1.1: All components included with your Ascent Charge+ Earbuds.

Ensure all items are present before proceeding with setup.

2. PRODUCT OVERVIEW

The Rowkin Ascent Charge+ system consists of two true wireless earbuds and a versatile charging case that also functions as a power bank and supports Qi wireless charging.

Figure 2.1: Overview of the Ascent Charge+ Earbuds, Charging Case, and Qi Pad.

Key Components

- **Earbuds:** Each earbud features a dynamic driver for premium sound, a microphone for calls, and capacitive touch controls.
- **Charging Case:** Stores and charges the earbuds. It supports both USB-C and Qi wireless charging. The case also functions as a power bank for other mobile devices.
- **Qi Wireless Charging Pad:** Provided for convenient wireless charging of the case.

3. SETUP

3.1 Initial Charging

Before first use, fully charge the portable charging case and the earbuds.

1. Place the earbuds into their respective slots in the charging case. Ensure they are seated correctly to initiate charging.
2. To charge the case:
 - **Via USB-C:** Connect the provided USB-C cable to the charging port on the case and to a USB power

source.

- **Via Qi Wireless Charging:** Place the charging case on the included Qi wireless charging pad. Ensure the case is centered on the pad for efficient charging.

(()) BATTERY & CHARGING

**Qi wireless charger included,
50+ hours, USB-C connection**

Figure 3.1: Charging the Ascent Charge+ case using the Qi wireless charging pad and USB-C cable.

The charging case provides over 50 hours of music/play time for the earbuds, allowing for approximately 15 full charges of the earbuds.

3.2 Bluetooth Pairing

The Ascent Charge+ earbuds feature easy auto-on pairing.

1. Ensure the earbuds are charged.
2. Remove both earbuds from the charging case. They will automatically power on and enter pairing mode.
3. On your device (smartphone, tablet, etc.), go to the Bluetooth settings.
4. Select "Rowkin Ascent Charge+" from the list of available devices.
5. Once connected, you will hear an audible confirmation, and the earbuds' indicator lights will change.

(()) TRUE WIRELESS CONNECTION

Bluetooth 5.0, Bluetooth Low Energy Chipset,
Laser Direct Structuring antenna technology

Figure 3.2: The Ascent Charge+ earbuds utilize Bluetooth 5.0 for a stable true wireless connection.

The earbuds will automatically reconnect to the last paired device when removed from the case, if Bluetooth is enabled on the device.

3.3 Achieving the Best Fit

Proper fit is crucial for sound quality and comfort. The Ascent Charge+ comes with three sizes of ear tips (Small, Medium, Large).

1. Experiment with different ear tip sizes to find the one that creates a comfortable seal in your ear canal. A good seal enhances bass response and noise isolation.
2. Gently insert the earbud into your ear and twist slightly to secure it. The secure retention wheel helps keep the earbud in place.

FIT & TOUCH CONTROL

Low profile ear hooks and touch controls make your music experience effortless.

Figure 3.3: Proper fit of the earbud in the ear, highlighting the touch control area.

4. OPERATION

4.1 Capacitive Touch Controls

The Ascent Charge+ earbuds feature intuitive touch controls for managing audio playback and calls.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Press and hold on either earbud during an incoming call.
- **Activate Voice Assistant (Siri/Google Assistant):** Triple tap on either earbud.

4.2 Rowkin App Features

Enhance your experience with the accompanying Rowkin app, available for iOS and Android devices.

Battery Percentage

Custom Sound

Find My Earbuds

Figure 4.1: Key features of the Rowkin mobile application.

- **Battery Percentage:** View the current battery level of each earbud.
- **Sound Equalizer:** Customize your audio experience with various sound profiles or create your own.
- **"Find My Earbuds":** Use the in-app locator to help find misplaced earbuds. The app records the last known location where the earbuds were connected.

5. MAINTENANCE

To ensure the longevity and optimal performance of your Ascent Charge+ earbuds, follow these maintenance guidelines:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents. For ear tips, remove them and clean with mild soap and water, then dry thoroughly before reattaching.
- **Water Resistance:** The earbuds are IPX5 water resistant, meaning they can withstand splashes and sweat. They are not designed for submersion in water. Do not expose them to running water or wear them while swimming. Ensure earbuds are dry before placing them back in the charging case.
- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store the case and earbuds in a cool, dry place away from extreme temperatures.
- **Battery Care:** For best battery health, avoid fully discharging the case or earbuds frequently. Charge them regularly.

6. TROUBLESHOOTING

If you encounter issues with your Ascent Charge+ earbuds, refer to the following common solutions:

Problem	Possible Cause	Solution
Earbuds not pairing with device	Earbuds not in pairing mode; Bluetooth off on device; previously paired device interfering.	Ensure earbuds are removed from case. Turn Bluetooth off and on again on your device. Forget "Rowkin Ascent Charge+" from your device's Bluetooth list and re-pair.
Only one earbud playing audio	One earbud not connected; low battery on one earbud.	Place both earbuds back in the charging case for a few seconds, then remove them. Ensure both are charged.
Earbuds not charging in case	Poor contact; case battery low.	Ensure earbuds are correctly seated in the case. Clean charging contacts on earbuds and case. Charge the case.
Poor sound quality / low bass	Improper ear tip fit; ear tips dirty.	Try different ear tip sizes to achieve a better seal. Clean ear tips and earbud nozzles.
Touch controls unresponsive	Earbuds need reset; dirty touch surface.	Place earbuds in case, close lid, wait 10 seconds, then remove. Clean the touch surface.

For further assistance, please refer to the Rowkin app or visit the official Rowkin support website.

7. SPECIFICATIONS

Detailed technical specifications for the Rowkin Ascent Charge+ True Wireless Earbuds:

Feature	Specification
Model Name	Ascent Charge+
Item Model Number	NAAT10AA
Connectivity Technology	Wireless
Wireless Communication Technology	Bluetooth 5.0
Frequency Response	20Hz - 20kHz
Battery Life (Earbuds)	Up to 3.5 Hours (single charge)
Total Playtime with Charging Case	50+ Hours
Charging Interface	USB-C, Qi Wireless Charging
Water Resistance Level	IPX5 (Water Resistant)
Control Type	Capacitive Touch
Microphone	Included
Material	Mylar
Item Weight	4.9 ounces (total package)
Product Dimensions	4.45 x 1.71 x 1.28 inches
