- **Cleaning the Doll:** Wipe the doll's body with a damp cloth. For water surprises, use clean water. Avoid harsh chemicals or abrasive cleaners.
- **Hair Care:** The doll's real hair can be gently combed and styled. Avoid excessive pulling or tangling. If hair becomes messy, gently wash with mild soap and water, then air dry. Do not use heat styling tools.
- **Accessory Care:** Keep all small accessories in a safe place to prevent loss. Clean plastic accessories with a damp cloth.
- **Storage:** Store the doll and accessories in a clean, dry place away from direct sunlight and extreme temperatures. The transformed capsule can serve as a convenient storage or display case.

6. TROUBLESHOOTING

If you encounter any issues with your L.O.L. Surprise! #Hairgoals doll, consider the following:

- **Water Surprise Not Working:** Ensure the doll has been fed enough water or fully submerged in water (depending on the doll's specific surprise). Some color change features require very cold or very warm water to activate.
- **Hair Tangling:** Gently comb the doll's hair starting from the ends and working your way up. Use a wide-tooth comb if available. Avoid harsh brushing.
- **Missing Accessories:** Double-check all packaging layers and compartments of the capsule. Small accessories can sometimes be overlooked during unboxing.
