Toomax MEC355

Toomax Wood Midi Broom Cabinet (MEC355) Instruction Manual

Brand: **Toomax** | Model: **MEC355**

1. INTRODUCTION

This manual provides comprehensive instructions for the safe and efficient assembly, operation, and maintenance of your Toomax Wood Midi Broom Cabinet (MEC355). Please read all instructions carefully before beginning assembly or use. Keep this manual for future reference.

The Toomax Wood Midi Broom Cabinet provides versatile storage for various environments.

2. SAFETY INFORMATION

Warning: During assembly and foot adjustment, tools and caution are necessary to prevent injuries.

Always ensure the cabinet is stable before loading items.

- Do not overload shelves. Ensure weight is evenly distributed.
- Fix the cabinet to a wall to prevent tipping, especially if used outdoors or in areas with children.
- Keep small parts away from children during assembly.
- Use appropriate personal protective equipment (e.g., gloves) if necessary during assembly.

3. PRODUCT OVERVIEW

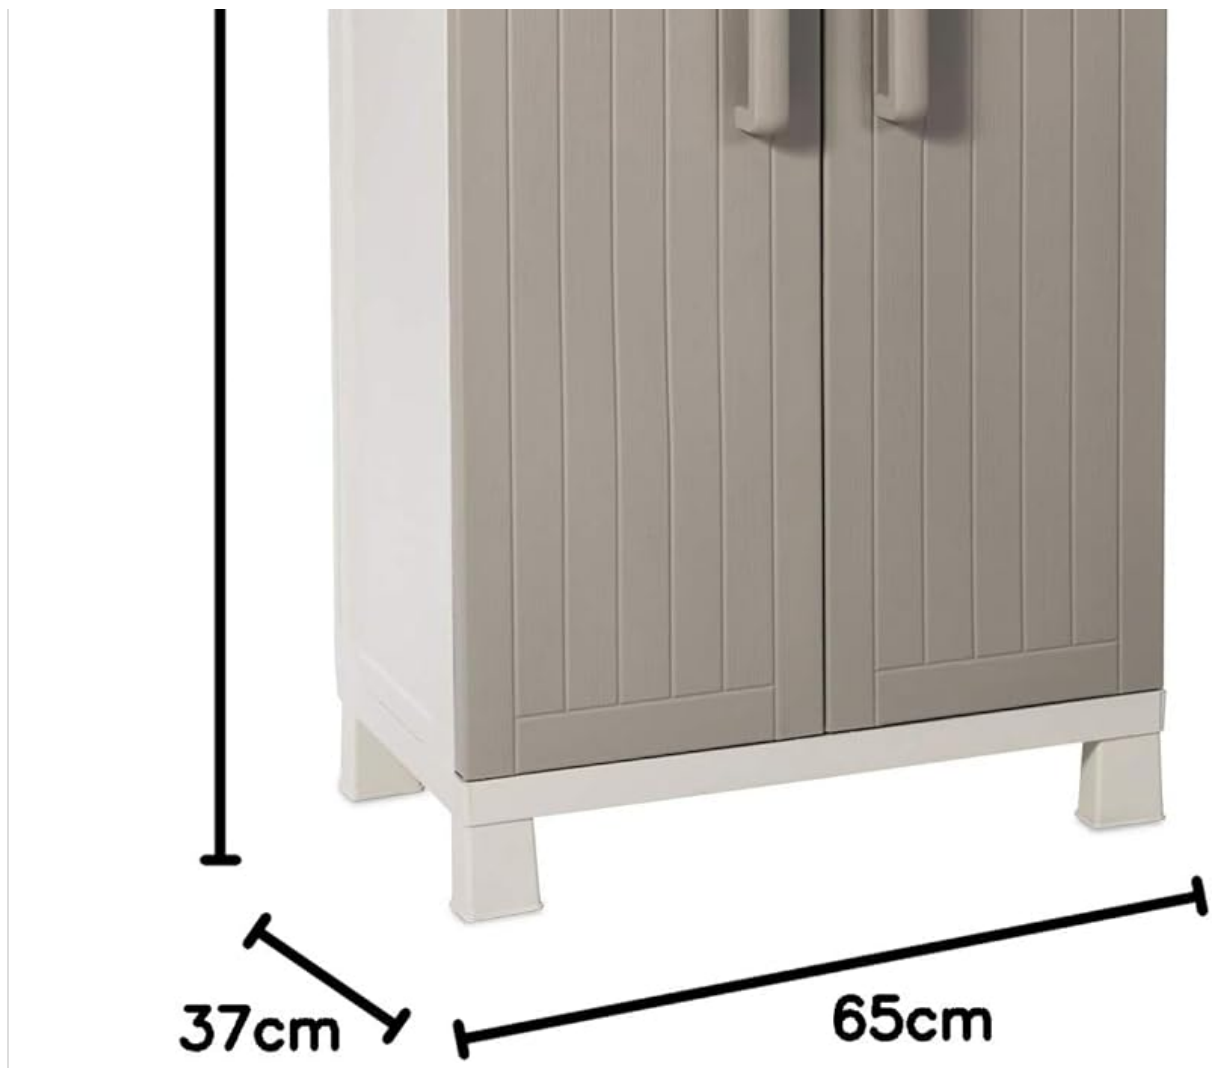

Features

- Plastic cabinet with 4 wide internal shelves.
- Designed for both indoor and outdoor use.
- Made from recycled polypropylene, resistant to UV rays.
- Easy to assemble with interlocking parts.
- Requires wall fixing for stability.

Dimensions

The cabinet dimensions are approximately 65 cm (width) x 37 cm (depth) x 173 cm (height). Each shelf can support up to 20 kg of weight, uniformly distributed.

Detailed dimensions of the Toomax Wood Midi Broom Cabinet.

4. ASSEMBLY INSTRUCTIONS

The Toomax Wood Midi Broom Cabinet is designed for easy assembly using interlocking parts. A detailed assembly manual is included in the packaging. Follow the step-by-step diagrams and instructions provided in the physical manual for best results.

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the parts list in your manual.
2. **Assemble Base:** Connect the base panels and feet as indicated.
3. **Construct Side Panels:** Attach the side panels to the base.
4. **Install Shelves:** Insert the internal shelves into the designated slots. Ensure they are securely seated.
5. **Attach Doors:** Mount the doors to the cabinet frame.
6. **Secure Top Panel:** Place and secure the top panel.
7. **Wall Fixing:** For safety and stability, especially in outdoor environments, fix the cabinet to a wall using appropriate hardware (not always included).

Adjustable feet for enhanced stability.

5. OPERATION

The Toomax Wood Midi Broom Cabinet is designed for organizing various items, from cleaning supplies to garden tools. The internal shelves are ideal for smaller items, while the tall compartment is suitable for brooms, mops, or other long-handled tools.

- **Loading:** Place items on shelves, ensuring not to exceed the maximum load capacity of 20 kg per shelf. Distribute weight evenly to maintain stability.
- **Door Closure:** Ensure doors close properly to protect contents from dust and weather.
- **Security:** The cabinet is designed to accommodate a padlock (not included) for added security.

Organize your tools and supplies efficiently within the cabinet.

6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your Toomax cabinet, follow these simple maintenance

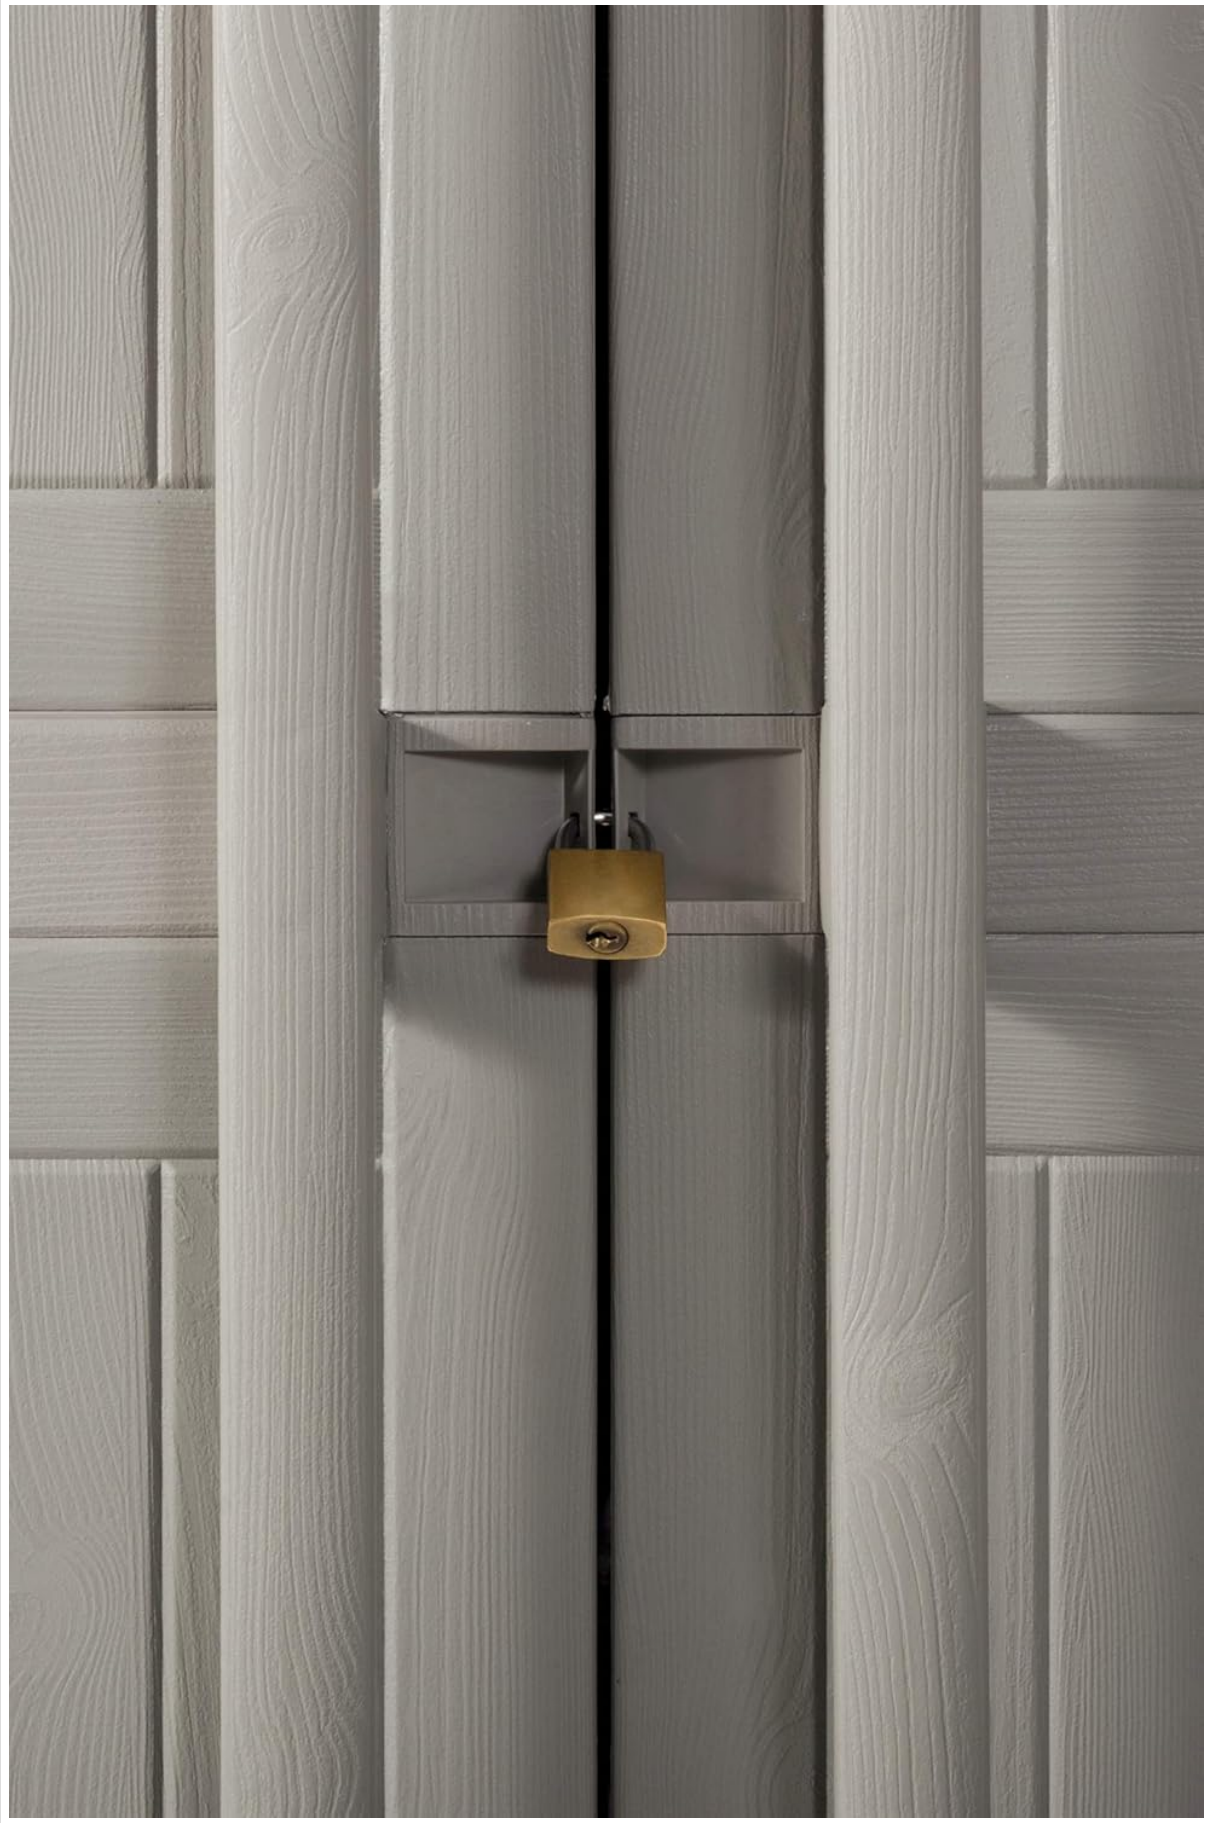

guidelines:

- **Cleaning:** Clean the cabinet regularly with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals that could damage the plastic.
- **UV Resistance:** The cabinet is made from UV-resistant polypropylene, but prolonged exposure to direct sunlight may still cause slight fading over many years.
- **Inspection:** Periodically check all connections and wall fixings to ensure they remain secure.
- **Winter Care (for outdoor use):** While suitable for outdoor use, consider storing delicate items indoors during extreme winter conditions.

7. TROUBLESHOOTING

If you encounter any issues with your Toomax Wood Midi Broom Cabinet, refer to the following common solutions:

- **Cabinet Instability:** Ensure the cabinet is placed on a flat, level surface. Adjust the feet if necessary. Verify that the cabinet is securely fixed to a wall as recommended.
- **Doors Not Closing Properly:** Check for any obstructions. Ensure the cabinet is level and square. The door hinges should be aligned correctly.
- **Damaged or Missing Parts:** If any parts arrived damaged or are missing, please contact Toomax customer support with your product model and purchase details.
- **Difficulty During Assembly:** Refer to the detailed assembly instructions provided in the packaging. Ensure all interlocking parts are correctly aligned and fully engaged.

The cabinet features a padlock-ready closure for added security (padlock not included).

8. SPECIFICATIONS
