BePuzzled Peanuts Snoopy Detective 3D Crystal Puzzle Instruction Manual

Brand: Bepuzzled | Model: 31034

INTRODUCTION

This manual provides detailed instructions for assembling and caring for your BePuzzled Peanuts Snoopy Detective Original 3D Crystal Puzzle. Please read all instructions carefully before beginning assembly.

This 3D Crystal Puzzle is designed for ages 12 and up. It features interlocking, translucent pieces that form a three-dimensional model of Snoopy as a detective, complete with a lamppost and base.

PRODUCT OVERVIEW

The BePuzzled 3D Crystal Puzzle offers a unique challenge, combining elements of traditional jigsaw puzzles with three-dimensional construction. The precision-molded, clear hard plastic pieces interlock to create a visually appealing display piece.

WHAT'S IN THE BOX

- 1 Crystal Puzzle (consisting of multiple interlocking pieces)

The puzzle includes all necessary pieces to construct the Snoopy Detective figure, lamppost, and base. No additional tools or adhesive are required for assembly.

ASSEMBLY INSTRUCTIONS

The assembly of this 3D Crystal Puzzle requires careful attention to detail. The pieces are designed to interlock precisely. Do not use excessive force, as this may damage the pieces.

Preparation

1. Unpack all puzzle pieces from the packaging.
2. Count and verify that all pieces are present according to the included diagram (if provided in your specific package).
3. Familiarize yourself with the different shapes and how they might connect. Sorting pieces by color or shape can be helpful.

Step-by-Step Assembly

While specific step-by-step diagrams are often included with the product, the general approach involves building the core structure first and then adding details. For this Snoopy Detective puzzle, you will typically start with the main body of Snoopy, then attach the head, ears, hat, magnifying glass, and finally the lamppost and base.

- Identify the core pieces that form the main body of Snoopy.
- Carefully interlock these pieces, ensuring they fit snugly without forcing.
- Proceed to assemble the head, ears, and hat, then attach them to the body.
- Assemble the magnifying glass and attach it to Snoopy's hand.

- Construct the lamppost and the base.
- Finally, attach the assembled Snoopy figure and lamppost to the base.

OPERATING / USAGE

Once assembled, your Snoopy Detective 3D Crystal Puzzle is intended for display. It is not designed as a toy for active play. Handle with care to prevent pieces from detaching or breaking.

- Place the assembled puzzle on a stable, flat surface.
- Avoid placing it in direct sunlight for extended periods to prevent potential material degradation.
- Keep out of reach of small children and pets due to small parts.

MAINTENANCE

To maintain the clear, glossy appearance of your 3D Crystal Puzzle:

- Dust regularly with a soft, dry cloth.
- For deeper cleaning, gently wipe with a slightly damp cloth and mild soap, then dry immediately with a soft cloth. Avoid abrasive cleaners.
- Do not submerge the puzzle in water.

TROUBLESHOOTING

Pieces do not fit or break easily:

Ensure you are using the correct pieces for each step. The pieces are precision-molded and should fit without excessive force. If a piece breaks, contact customer support for possible replacement options.

Missing pieces:

If you discover a missing piece, please refer to the contact information provided by the manufacturer for assistance. Often, a diagram with piece numbers is included to help identify specific missing parts.
