2. **Attach Legs to Frame:** Secure the table legs to the main frame structure using the provided screws and tools. Ensure all connections are finger-tight initially.
3. **Install Lower Shelf:** Position the polyrattan lower shelf within the frame and secure it. This shelf provides additional storage.
4. **Tighten All Fasteners:** Once all structural components are in place, fully tighten all screws and bolts. Do not overtighten.

## MAINTENANCE

Regular cleaning and proper care will extend the life and appearance of your Casaria Polyrattan Side Table.

- **Cleaning Glass Top:** Clean the frosted safety glass top with a standard glass cleaner and a soft, lint-free cloth.

- **Frame Care:** The powder-coated steel frame is resistant to rust, but regular cleaning helps maintain its finish. Inspect for any scratches or damage that could expose the metal.
- **Seasonal Storage:** During prolonged periods of non-use or harsh winter conditions, it is recommended to cover the table or store it indoors to protect it from extreme elements.
- **Fastener Check:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary.
