Tvilum Sonoma Sideboard User Manual

Model: 778244949

INTRODUCTION

This manual provides essential information for the assembly, operation, maintenance, and troubleshooting of your Tvilum Sonoma Sideboard. Please read these instructions carefully before beginning assembly or use to ensure safe and proper handling of the product.

The Tvilum Sonoma Sideboard is designed to accentuate your living space with its contemporary design, featuring three drawers and three doors for ample storage. It is complemented with top and bottom moldings, rounded metal knobs, and classic detailed finishes.

SAFETY INFORMATION

Always follow the safety guidelines provided in the official installation manual. Ensure all components are securely fastened before use. Do not exceed the recommended weight limits for drawers and shelves.

For detailed safety instructions, refer to the [Installation Manual \(PDF\)](#).

SETUP AND ASSEMBLY

The Tvilum Sonoma Sideboard requires assembly. It is recommended to assemble the unit on a soft, clean surface to prevent scratches. Two people are recommended for assembly.

Required Tools (Not Included):

- Phillips head screwdriver
- Hammer (for dowels and back panel nails)

Assembly Steps Overview:

1. Unpack all components and verify against the parts list in the official manual.
2. Attach cam locks and dowels to the main panels.
3. Assemble the base and side panels.
4. Install shelves and back panel.
5. Assemble and install drawers.

6. Attach doors and adjust hinges for proper alignment.
7. Install all handles and knobs.

For detailed, step-by-step assembly instructions with diagrams, please refer to the official [Installation Manual \(PDF\)](#).

Figure 1: Front view of the Tvilum Sonoma Sideboard, showcasing its three drawers and three doors. This image represents the fully assembled product.

Figure 2: Dimensional drawing of the sideboard, indicating overall width (56.57 inches / 1437 mm), depth (18.15 inches / 461 mm), and height (36.09 inches / 916.6 mm). Also shows drawer dimensions.

OPERATING INSTRUCTIONS

The Tvilum Sonoma Sideboard is designed for easy access and storage.

Drawers:

The three top drawers operate on smooth glides. To open, gently pull the metal knob. To close, push the drawer back until it is flush with the sideboard frame. Avoid forcing drawers if they feel stiff; check for obstructions.

Figure 3: Detail of the top drawers, with one drawer partially extended, illustrating the smooth operation and the metal knob.

Doors:

The three lower doors open outwards to reveal internal storage compartments. Each compartment typically contains an adjustable shelf. To open, gently pull the metal knob. To close, push the door firmly until it latches.

Figure 4: The sideboard with one drawer and one door open, demonstrating the accessible storage and the adjustable shelf within the cabinet.

Weight Capacity:

Ensure not to overload the sideboard. The maximum weight capacity for the top surface is 110 pounds (50 kg). Each drawer can hold up to 7 pounds (3 kg), and each shelf can hold up to 33 pounds (15 kg).

Figure 5: Weight distribution diagram showing the maximum load for the top surface (110 lbs), drawers (7 lbs each), and shelves (33 lbs each).

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Tvilum Sonoma Sideboard.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading of the finish. The material is fade resistant, but extreme conditions should be avoided.
- **Heat:** Do not place hot items directly on the surface. Use coasters or protective pads.
- **Hardware:** Periodically check and tighten all screws and fittings to ensure stability.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Drawers stick or do not slide smoothly.	Misaligned glides, debris in glides, or overloaded drawer.	Check that glides are properly aligned and free of debris. Reduce drawer contents if overloaded. Ensure all screws are tight.
Doors do not close properly or are misaligned.	Hinges are loose or improperly adjusted.	Adjust the screws on the hinges to align the doors. Refer to the installation manual for hinge adjustment details.
Sideboard feels wobbly or unstable.	Loose connections or uneven floor.	Ensure all cam locks and screws are fully tightened. Place the sideboard on a level surface. Use furniture levelers if necessary.

SPECIFICATIONS

Attribute	Detail
Brand	Tvilum
Model Name	Sonoma Sideboard with 3 Doors and 3 Drawers
Model Number	778244949
Color	White
