Atoll K (DVD + Blu-ray) Instruction Manual

Model: B07JJPCT13

INTRODUCTION

This manual provides comprehensive instructions for the Atoll K (DVD + Blu-ray) set. Directed by Léo Joannon, this film marks the final cinematic appearance of the beloved comedy duo, Laurel and Hardy. This release by BFI is a new 2K restoration, presenting the longest-ever English language cut of this historically significant film in High Definition.

The set includes both DVD and Blu-ray formats, offering a versatile viewing experience. Please read through this manual to understand the product's features, proper usage, and care to ensure optimal enjoyment and longevity of your discs.

SETUP

To begin watching Atoll K, follow these simple steps:

- 1. Unpack the Set:** Carefully remove the DVD and Blu-ray discs from their packaging.
- 2. Select Your Format:** Choose either the DVD or Blu-ray disc based on your player's compatibility and desired video quality. Blu-ray offers High Definition (1080p) playback, while DVD offers Standard Definition.
- 3. Insert the Disc:** Gently insert the chosen disc into your compatible DVD or Blu-ray player. Ensure the disc is clean and free of smudges or scratches.
- 4. Region Compatibility:** Please note that the Blu-ray disc is Region B and the DVD is Region 2. Ensure your player is compatible with these regions or is region-free.
- 5. Power On:** Turn on your player and television/monitor. The disc should auto-play or present a menu.

DUAL FORMAT EDITION

Contains both DVD and Blu-ray versions

MAINTENANCE AND CARE

Proper care of your discs will ensure their longevity and optimal playback performance:

- **Handling:** Always hold discs by their edges or the center hole. Avoid touching the playback surface.
- **Cleaning:** If a disc becomes dirty, gently wipe it with a soft, lint-free cloth from the center outwards. Do not use

abrasive materials or harsh chemicals.

- **Storage:** Store discs in their original cases, away from direct sunlight, extreme temperatures, and high humidity.
- **Avoid Scratches:** Be careful not to scratch the disc surface, as this can lead to playback errors.

TROUBLESHOOTING

If you encounter issues during playback, consider the following common solutions:

Problem	Solution
Disc not playing or loading.	Ensure the disc is inserted correctly. Check for smudges or scratches and clean if necessary. Verify your player is compatible with Blu-ray (for Blu-ray disc) or DVD (for DVD disc). Confirm region compatibility (Blu-ray: Region B, DVD: Region 2).
Video or audio skipping/freezing.	Clean the disc thoroughly. Check for deep scratches. Try playing the disc in another compatible player to rule out player issues.
No audio.	Check your player's audio settings and your TV/receiver volume. Ensure audio cables are securely connected.
Menu navigation issues.	Ensure your remote control batteries are working. Some players may require a firmware update for optimal disc compatibility.
