1. INTRODUCTION

Thank you for choosing the Toysery Fire Truck Toy, Model 55. This toy is designed to provide an engaging and imaginative play experience for children aged 3 and up. It features realistic flashing lights, siren sounds, an extendable rotating ladder, and an innovative bump-and-go action for dynamic play. This manual provides essential information for safe setup, operation, and maintenance of your new fire truck toy.

2. SETUP

2.1 Unpacking and Initial Inspection

Carefully remove the fire truck from its packaging. Inspect the toy for any visible damage or missing parts. Ensure all components are securely attached and the toy's construction is well-rounded and edge-free for child safety.

2.2 Battery Installation

The Toysery Fire Truck Toy requires batteries (not included). Locate the battery compartment on the underside of the truck. Using a small screwdriver, open the compartment, insert the required alkaline batteries, ensuring correct polarity (+/-). Close the compartment securely.

3. OPERATING INSTRUCTIONS

3.1 Activating Lights and Sounds

To activate the flashing lights and siren sounds, press the designated button on the truck. Press the button again to turn off the sounds and lights.

REALISTIC FIRE TRUCK WITH LED FLASHING LIGHTS

Figure 3: The fire truck with its lights flashing and siren sounds active.

3.2 Extending and Rotating the Ladder

The fire truck features an extendable and rotating rescue ladder. Gently pull the ladder upwards to extend it. The ladder can also be rotated 360 degrees manually to simulate various rescue scenarios.

EXTENDABLE ROTATING LADDER

3.3 Bump-and-Go Action

Place the truck on a flat, smooth surface. Once activated, the truck will move forward and automatically change direction when it encounters an obstacle, providing continuous play without manual steering.

SMART MOTION SENSOR BUMP AND GO SYSTEM

4. MAINTENANCE

4.1 Cleaning

To clean the fire truck, wipe it with a soft, damp cloth. Do not immerse the toy in water or use harsh chemicals, as this may

damage the electronic components and finish.

4.2 Storage

When not in use, store the toy in a cool, dry place away from direct sunlight. If storing for an extended period, remove the batteries to prevent leakage and potential damage to the toy.

5. TROUBLESHOOTING

- **No Power/Lights/Sounds:** Ensure batteries are correctly installed and are not depleted. Replace with fresh alkaline batteries if necessary. Check that the power switch is in the 'ON' position.
- **Movement Issues:** Verify that the toy is placed on a flat, smooth surface. Obstacles or uneven surfaces may interfere with the bump-and-go mechanism. Check for any debris or hair caught in the wheels.
- **Ladder Not Extending/Rotating Smoothly:** Ensure there are no obstructions preventing the ladder from moving freely. Avoid forcing the ladder, as this may cause damage.

6. SPECIFICATIONS

Brand Name	Toysery
Model Name	Fire Truck
Model Number	55
UPC	762539796082
Manufacturer Minimum Age	12 Months
Manufacturer Maximum Age	60 Months
Item Weight	440 Grams
Item Dimensions (LxWxH)	11.65 x 5.63 x 3.82 inches
Material Type	TPR
Power Source	Battery Powered
Batteries Required	Yes
Batteries Included	No
Educational Objective	Foster cognitive, motor, and social skills development
