6. SETUP AND INSTALLATION

Follow these steps to install your chair slipcovers:

1. **Armrest Covers:** Stretch the armrest covers over each armrest.
2. **Backrest Cover:** Unzip the backrest cover. Carefully pull it over the top of the chair's backrest, ensuring it aligns with the chair's contours. Zip it up securely along the bottom edge of the backrest.
3. **Seat Cover:** Place the seat cover over the chair's seat cushion. The elastic edges will help secure it. Fasten any buckles or straps underneath the seat to prevent shifting.

8. MAINTENANCE

To maintain the quality and longevity of your slipcovers:

- **Washing:** Machine wash cold with like colors.
- **Drying:** Tumble dry low or hang to dry.

- **Bleaching:** Do not bleach.
- **Ironing:** Do not iron.

9. TROUBLESHOOTING

If you encounter any issues with your slipcovers, consider the following:

- **Poor Fit:** Double-check your chair's dimensions against the size guide (Section 5). Ensure the backrest zipper is fully closed and all elastic edges and buckles are properly secured.
- **Slipping/Shifting:** Ensure all straps and elastic bands are taut and correctly fastened underneath the chair.
- **Pet Hair Accumulation:** While the cover protects the chair, it may attract pet hair. Regular lint rolling or vacuuming is recommended for maintenance.
