Amazon Basics B07JMX6CP1

Amazon Basics A19 LED Light Bulbs Instruction Manual

Model: B07JMX6CP1

1. INTRODUCTION

This manual provides essential information for the safe and efficient use of your Amazon Basics A19 LED Light Bulbs. These 60W equivalent, 9W energy-efficient bulbs feature an E26 standard base, emit a daylight white 5000K light, and are dimmable, offering a 10,000-hour lifetime. Please read this manual thoroughly before installation and operation.

2. SAFETY INFORMATION

Always follow basic safety precautions when using electrical products to reduce the risk of fire, electric shock, and personal injury.

- **Risk of Electric Shock:** Disconnect power before inspection, installation, or removal.
- **Risk of Fire:** Do not exceed the wattage rating of the fixture.
- Do not use with standard dimmers unless explicitly stated as dimmable. This product is dimmable.
- Not for use in totally enclosed luminaires.
- Do not use where directly exposed to water.
- This device is not intended for use with emergency exits.
- Ensure the bulb is securely screwed into the fixture.

3. PACKAGE CONTENTS

Your package includes:

- 6 x Amazon Basics A19 LED Light Bulbs (Daylight White 5000K, Dimmable)

5. SETUP AND INSTALLATION

Installing your Amazon Basics A19 LED Light Bulbs is a straightforward process. Ensure safety precautions are followed.

1. **Turn Off Power:** Before replacing any light bulb, ensure the power to the fixture is turned off at the circuit breaker or wall switch to prevent electric shock.
2. **Remove Old Bulb:** Carefully unscrew the old light bulb from the fixture. Allow it to cool if it has been recently in use.
3. **Insert New Bulb:** Gently screw the Amazon Basics A19 LED Light Bulb into the E26 medium base socket. Turn clockwise until it is snug, but do not overtighten.
4. **Restore Power:** Once the new bulb is securely installed, restore power to the fixture at the circuit breaker or wall switch.
5. **Test:** Turn on the light switch to ensure the bulb is functioning correctly.

6. OPERATING INSTRUCTIONS

These LED bulbs are designed for simple operation and offer dimmable functionality.

- **Standard Operation:** Flip the wall switch to turn the light bulb on or off.
- **Dimmable Functionality:** If your fixture is connected to a compatible dimmer switch, you can adjust the brightness of the LED bulb by operating the dimmer control. These bulbs are designed to work smoothly with compatible dimmers.

7. MAINTENANCE

LED light bulbs require minimal maintenance. Follow these guidelines to ensure longevity:

- **Cleaning:** Ensure the power is off and the bulb is cool before cleaning. Wipe the bulb with a soft, dry cloth. Do not use liquid cleaners or abrasive materials.
- **Replacement:** These bulbs have a long lifespan of 10,000 hours. Replace the bulb when it reaches the end of its

operational life or if it becomes damaged.

- **Storage:** If storing unused bulbs, keep them in their original packaging in a cool, dry place.

8. TROUBLESHOOTING

If you encounter issues with your LED light bulbs, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Bulb does not light up.	No power to the fixture, loose connection, or faulty bulb.	Check the circuit breaker and wall switch. Ensure the bulb is screwed in tightly. Test the bulb in another working fixture.
Bulb flickers or dims unexpectedly.	Incompatible dimmer switch, loose connection, or voltage fluctuations.	Ensure you are using a compatible dimmer (refer to "Recommended Dimmers"). Tighten the bulb. Check for stable power supply.
Light output is too low or too high.	Dimmer setting, or incorrect bulb for desired brightness.	Adjust the dimmer switch. Ensure the bulb's lumen output (800 Lumens) meets your lighting needs.
Bulb makes a buzzing sound.	Incompatible dimmer switch.	Replace the dimmer with a compatible LED dimmer.

9. WARRANTY AND SUPPORT

For warranty information and customer support, please refer to the Amazon Basics official website or contact Amazon customer service directly. Keep your purchase receipt for warranty claims.
