

Duratec MRD120

Duratec 120 cm Round Folding Table Instruction Manual

Model: MRD120

1. INTRODUCTION

Thank you for choosing the Duratec 120 cm Round Folding Table. This manual provides essential information for the safe and efficient use of your new table. Please read these instructions carefully before setup and operation, and retain them for future reference.

The Duratec Round Folding Table features a 120 cm diameter top made from high-resistance injected polyethylene (HDPE) and a high-quality steel frame with electrostatic paint. Its design allows for easy folding, transport, and storage, making it suitable for both indoor and outdoor use.

2. SAFETY INSTRUCTIONS

- Ensure all locking mechanisms on the legs are fully engaged before placing any items on the table.
- Do not exceed the table's weight capacity. While robust, excessive weight can cause damage or instability.
- Keep fingers clear of folding mechanisms during setup and folding to prevent pinching.
- Place the table on a flat, stable surface to prevent tipping.
- Avoid standing or sitting on the table.
- Do not expose the table to extreme heat sources or open flames.

3. PACKAGE CONTENTS

Upon unpacking, please verify that all components are present and undamaged.

- 1 x Duratec 120 cm Round Folding Table (with integrated folding legs)

4. SETUP INSTRUCTIONS

The Duratec Round Folding Table is designed for quick and easy setup.

1. **Unfold the Table:** Place the folded table on its side or upside down on a clean, flat surface.
2. **Extend the Legs:** Gently pull each set of legs outwards until they are fully extended.
3. **Engage Locking Mechanisms:** Locate the safety locks (typically a sliding ring or a lever) on the leg hinges. Ensure these are securely engaged to prevent accidental folding. You should hear a click or feel the mechanism lock into place.
4. **Position Upright:** Carefully flip the table upright, ensuring all four legs are stable on the ground.

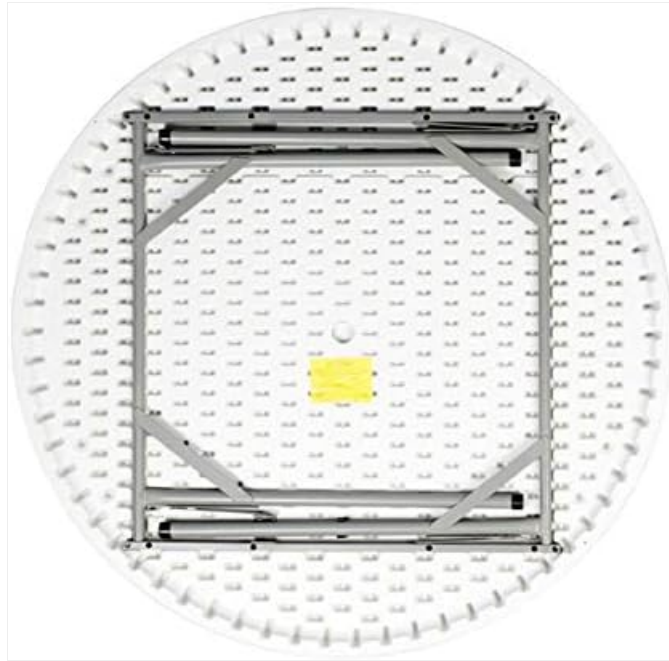

Figure 1: Underside view illustrating the steel frame and leg locking mechanisms. Ensure these are fully engaged for stability.

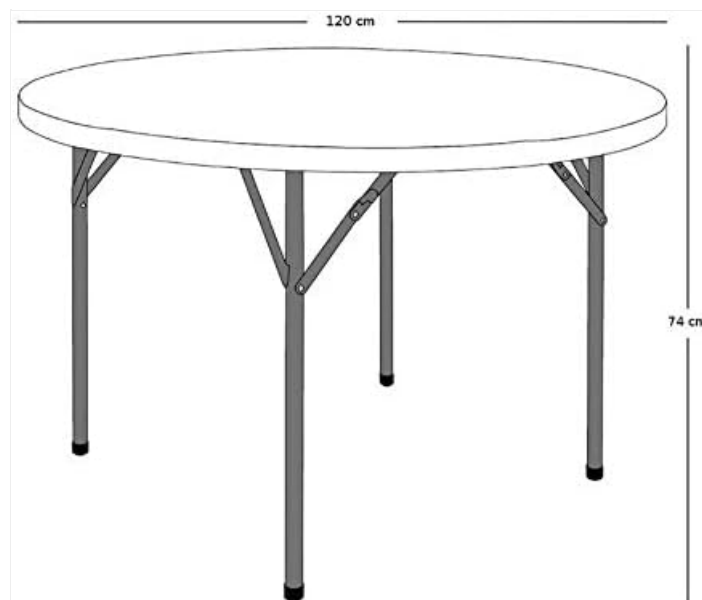

Figure 2: Dimensional diagram of the table, showing a 120 cm diameter and 74 cm height.

5. OPERATING INSTRUCTIONS

Your Duratec folding table is versatile and suitable for various uses.

- **Placement:** The table can be used in both indoor and outdoor environments.
- **Surface Protection:** The HDPE tabletop is designed to be stain-resistant, scratch-resistant, and peel-resistant. However, using placemats or coasters for hot items or sharp objects is recommended.

to prolong its lifespan.

- **Folding for Storage:** To fold the table, first clear all items from the surface. Carefully disengage the safety locks on the leg hinges, then fold the legs inwards towards the underside of the table. The table can then be stored flat.

6. MAINTENANCE

- **Cleaning:** Wipe the tabletop and legs with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals, as these may damage the surface finish.
- **Storage:** When not in use, fold the table and store it in a dry, cool place away from direct sunlight and extreme temperatures to preserve its materials.
- **Inspection:** Periodically check all screws and connections to ensure they are tight. Tighten if necessary.

7. TROUBLESHOOTING

- **Table is wobbly:** Ensure all legs are fully extended and their safety locks are engaged. Check that the table is on a flat, even surface.
- **Difficulty folding/unfolding:** Ensure no debris is obstructing the folding mechanisms. Apply gentle, even pressure. Do not force the mechanisms.
- **Stains on tabletop:** For stubborn stains, a non-abrasive household cleaner can be used. Test on an inconspicuous area first.

8. SPECIFICATIONS

Feature	Detail
Model	MRD120
Brand	Duratec

Feature	Detail
Tabletop Diameter	120 cm
Height	74 cm
Weight	11.5 kg
Color	White / Gray
