Arcchio 9968019

Arcchio LED Logan Floor Lamp User Manual

Model: 9968019 | Brand: Arcchio

1. PRODUCT OVERVIEW

The Arcchio LED Logan floor lamp (Model 9968019) is designed to provide efficient and versatile lighting for office and study environments. Its modern design, combined with advanced LED technology, ensures optimal illumination and energy savings.

Key features include:

- **Energy-Efficient LED Lighting:** Utilizes modern LED technology for energy saving and efficient illumination.
- **Integrated Dimmability:** Features a swivelling dimmer for infinitely adjustable light intensity, allowing for personalized lighting atmospheres.
- **Optimized Light Distribution:** Emits 60% of light upwards and 40% downwards, providing balanced room illumination.
- **Glare-Free Design:** Equipped with a prismatic diffuser on the underside to ensure comfortable, glare-free light.
- **Sturdy U-shaped Base:** Provides stability and a sleek profile.
- **Included Light Sources:** Comes with high-quality LED light sources (1 x 36W LED + 1 x 24W LED) for immediate use.

2. SAFETY INSTRUCTIONS

Please read these safety instructions carefully before installation and operation. Failure to follow these instructions may result in electric shock, fire, or other injuries.

- **Electrical Safety:** Ensure the power supply is disconnected before installation, cleaning, or maintenance. This product operates on 230 Volts.
- **Installation:** Installation should be performed by a qualified electrician if you are unsure. Ensure all connections are secure.
- **Placement:** Place the lamp on a stable, level surface to prevent tipping. Do not place near heat sources or in excessively damp environments. The housing rating is IP20, meaning it is protected against solid objects over 12.5mm but not against water.
- **Handling:** Do not touch the LED light sources directly when the lamp is in operation, as they may be hot.
- **Cleaning:** Use a soft, dry cloth for cleaning. Do not use abrasive cleaners or solvents.
- **Damage:** If the lamp or power cord is damaged, do not operate it. Contact customer support for assistance.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before proceeding with assembly.

- Arcchio LED Logan Floor Lamp (Main Body with integrated LED light sources)
- U-shaped Base
- Power Cord with Plug
- Assembly Hardware (screws, washers, etc. - specific items may vary)

4. SETUP AND INSTALLATION

While specific assembly instructions are not provided, the following general steps outline the typical setup process for the Arcchio LED Logan floor lamp. Assembly is required.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface.
2. **Attach Base:** Securely attach the U-shaped base to the main lamp body using the provided assembly hardware. Ensure all screws are tightened firmly to prevent wobbling.
3. **Position Lamp:** Place the assembled lamp in your desired location, ensuring it is on a stable and level surface. Consider the optimal light distribution for your workspace.
4. **Connect Power:** Plug the power cord into a standard 230V electrical outlet.

5. OPERATING INSTRUCTIONS

The Arcchio LED Logan floor lamp is designed for simple and intuitive operation.

- **Power On/Off:** The lamp is equipped with an integrated switch. Locate the switch on the lamp body and press it to turn the lamp on or off.
- **Dimming Function:** The lamp features a swivelling dimmer. Rotate the dimmer knob to infinitely adjust the light intensity from minimum to maximum brightness.

Figure 5.2: Close-up of the lamp head with the LED lights illuminated, showing the dual light strips and the prismatic diffuser.

6. MAINTENANCE

Regular maintenance will help ensure the longevity and optimal performance of your Arcchio LED Logan floor lamp.

- **Cleaning:** Disconnect the lamp from the power supply before cleaning. Use a soft, dry, lint-free cloth to wipe down the lamp body and diffuser. Do not use liquid cleaners, abrasive materials, or chemical solvents, as

these can damage the finish or electrical components.

- **LED Light Sources:** The LED light sources are integrated and designed for a long lifespan. They are not user-replaceable. If the LEDs fail, the entire lamp head or unit may require professional service or replacement.
- **Inspection:** Periodically inspect the power cord and plug for any signs of damage. Ensure the base remains securely attached to the lamp body.

7. TROUBLESHOOTING

If you encounter issues with your Arcchio LED Logan floor lamp, refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Lamp does not turn on.	No power supply; loose connection; faulty outlet.	Check if the power cord is securely plugged into a working outlet. Test the outlet with another device. Ensure the lamp's switch is in the 'On' position.
Light is flickering or dim.	Dimmer setting too low; unstable power supply.	Adjust the dimmer knob to increase brightness. Ensure the lamp is connected to a stable power source.
Lamp is unstable.	Base not securely attached; uneven surface.	Ensure the U-shaped base is firmly attached to the lamp body with all hardware tightened. Place the lamp on a flat, stable surface.

If the problem persists after trying these steps, please contact customer support.

8. SPECIFICATIONS

Attribute	Detail
Brand	Arcchio

Attribute	Detail
Model Number	9968019
Manufacturer	Lampenwelt
Style	Contemporary
Colour	Black (nero, bianco)
Material	Aluminum / Zinc (other metals)
Product Dimensions (L x W x H)	61 x 28 x 195 cm
Item Weight	11.8 Kilograms
Number of Lights	2
Type of Bulb	LED (1 x 36W LED + 1 x 24W LED)
Total Wattage	60 Watts
Luminous Flux	6000 Lumen
Voltage	230 Volts
Special Feature	Dimmable
Switch Style	Dimmer
Housing Rating (IP)	IP20
Protection Class	I
EU Energy Efficiency Label	A+ (Old rating, equivalent to E under new system)

Figure 8.1: The EU Energy Efficiency Label for the Arcchio Logan lamp, indicating an A+ rating under the previous system (equivalent to E under the new system).

9. WARRANTY AND SUPPORT

For warranty information and customer support, please refer to the purchase documentation or contact the retailer where the product was purchased. Keep your proof of purchase for any warranty claims.
