JEKCA ST19ML14

JEKCA Tiger 01S Animal Plastic Building Blocks Instruction Manual

Model: ST19ML14

INTRODUCTION

Welcome to the JEKCA Tiger 01S building experience. This manual provides detailed instructions for assembling, maintaining, and understanding your JEKCA animal model. JEKCA utilizes a unique interlocking brick-through system designed for stability and durability, ensuring your completed model remains intact.

Please read this manual thoroughly before beginning assembly to ensure a smooth and enjoyable building process.

SAFETY INFORMATION

- **Recommended Age:** This product is designed for individuals aged 14 years and above.
- **Small Parts:** The kit contains small parts which may pose a choking hazard. Keep out of reach of young children.
- **Adult Supervision:** While not strictly required for the recommended age, adult supervision is advised for younger builders.

PACKAGE CONTENTS

Before starting assembly, verify that all components are present in your package:

- Instruction Manual
- Building Bricks (over 980 pieces)
- Pins
- Pin Driver (assembly tool)
- Quick Guide

SETUP AND ASSEMBLY INSTRUCTIONS

The JEKCA Tiger 01S model is assembled using a unique interlocking brick-through system that ensures a sturdy and stable final structure. Follow the detailed steps provided in the included building manual for precise assembly.

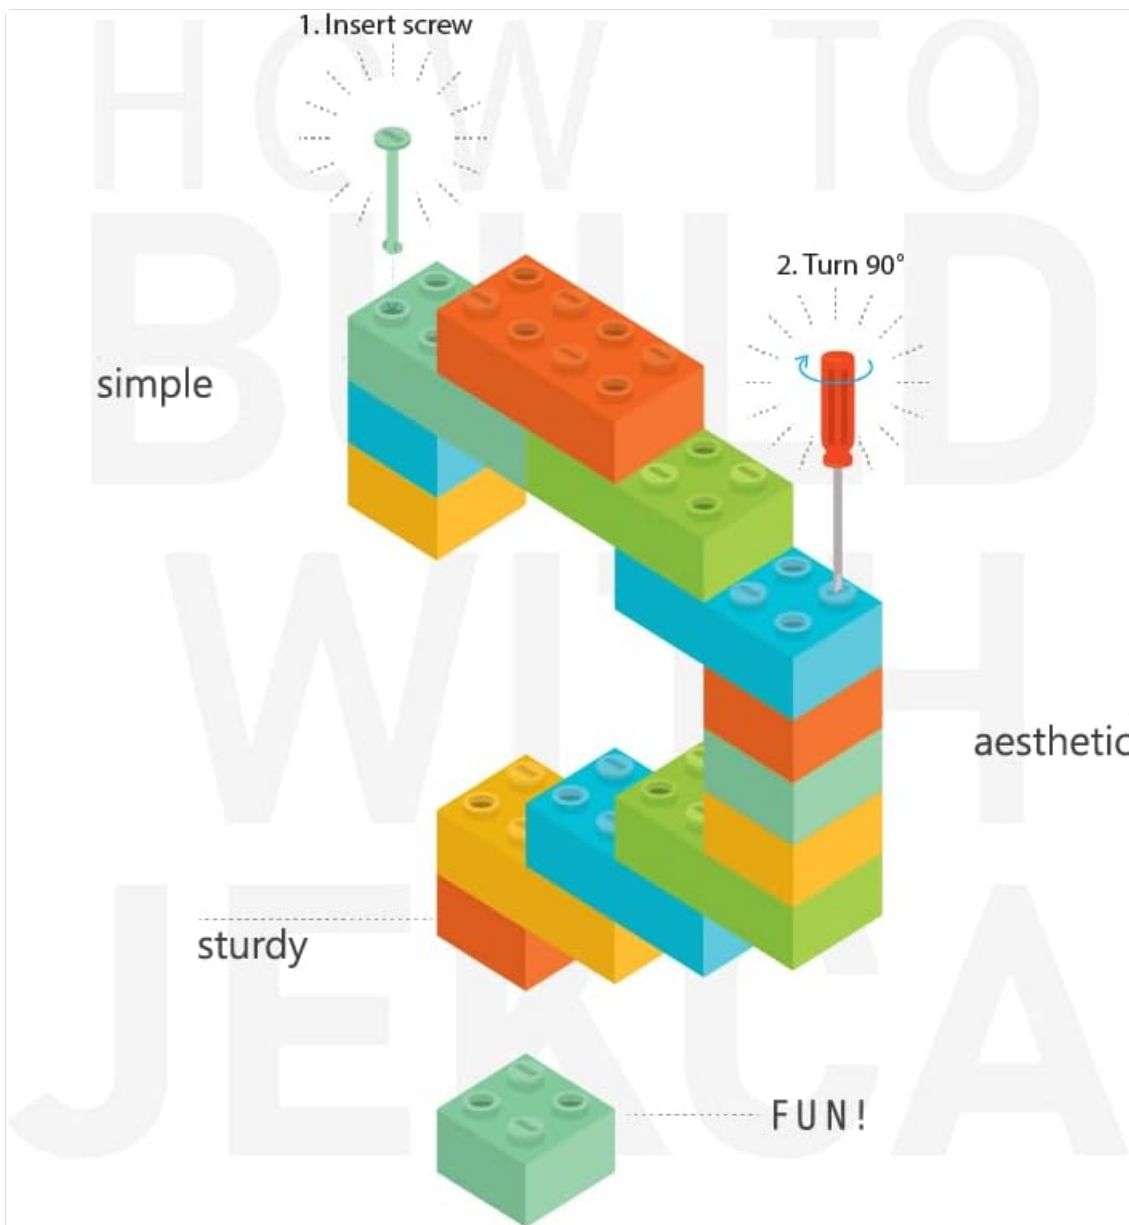

Image: JEKCA Building Principle. This illustration demonstrates the core assembly method: 1. Insert a pin (screw-like component) into the brick. 2. Turn the pin 90 degrees with the provided driver to secure the connection between bricks.

The assembly process involves connecting bricks using specialized pins and a pin driver. This method creates a robust connection, making the model less prone to accidental disassembly.

Image: Detailed Assembly Steps. This diagram shows the three key steps: 1. Aligning bricks, 2. Inserting pins, and 3. Rotating pins 90 degrees with the driver to lock them in place.

Refer to the included physical instruction manual for step-by-step visual guides specific to the Tiger 01S model. Each step will clearly indicate which bricks to use and how to connect them.

OPERATING AND DISPLAY

Once fully assembled, the JEKCA Tiger 01S is designed as a display model. Its sturdy construction, achieved through the interlocking system, allows for stable placement on various surfaces.

Handle the model with care, especially when moving it, to prevent any accidental stress on the brick connections.

MAINTENANCE

To maintain the appearance of your JEKCA Tiger 01S model:

- **Dusting:** Regularly dust the model with a soft, dry cloth or a soft brush to prevent dust accumulation in crevices.
- **Cleaning:** For more thorough cleaning, gently wipe the surface with a slightly damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.
- **Storage:** If storing the model, ensure it is placed in a clean, dry environment away from direct sunlight to prevent discoloration or material degradation.

TROUBLESHOOTING

While JEKCA models are designed for durability, here are some common issues and their solutions:

- **Loose Connections:** If any bricks feel loose, use the pin driver to ensure the pins are fully inserted and rotated 90 degrees to secure the connection.
- **Missing Pieces:** Carefully check the packaging and your work area for any small, overlooked pieces. If a piece is

genuinely missing, contact JEKCA customer support.

- **Difficulty Following Instructions:** The included manual provides detailed visual steps. If you encounter difficulty, re-examine the diagrams carefully. Online resources or community forums might also offer additional visual aids or tips.

SPECIFICATIONS

Feature	Detail
Model Name	Tiger 01S
Model Number	ST19ML14
Brand	JEKCA
Product Dimensions	11.57 x 2.95 x 5.24 inches (29.4 x 7.5 x 13.3 cm)
Item Weight	1.69 pounds
Number of Pieces	>980 pieces
Recommended Age	14 years and up
ASIN	B07JYTJBPB
