1. INTRODUCTION

This manual provides detailed instructions for assembling your JEKCA Cat 07S-M03 Dark Grey Cat building block sculpture. JEKCA building blocks utilize a patented interlocking brick-through technology, allowing for sturdy construction without the need for glue. This kit is designed to create a realistic, real-scale cat sculpture.

Recommended Age: This product is recommended for individuals aged 14 years and above due to the intricate nature of the assembly and the presence of small parts.

2. WHAT'S INCLUDED

Before beginning assembly, please verify that all components are present in your kit:

- Bricks (various shapes and sizes)
- Instruction Manual (this document)
- Pins (for interlocking bricks)
- Pin Driver (tool for inserting pins)
- Quick Guide

3. ASSEMBLY INSTRUCTIONS

The JEKCA building system uses a unique interlocking mechanism. Each brick is secured using small pins inserted with a pin driver. Follow the included detailed instruction manual for step-by-step guidance. Patience and focus are essential for a successful

build.

3.1. Basic Interlocking Mechanism

The core of JEKCA construction involves inserting pins through aligned holes in the bricks to create a strong, stable connection. This method ensures the finished sculpture is robust without requiring adhesive.

4. MAINTENANCE

Once assembled, your JEKCA sculpture requires minimal maintenance. To keep it clean, gently dust the surface with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials, as these may damage the plastic bricks.

5. TROUBLESHOOTING

- **Missing Pieces:** In the event of missing bricks or pins, please contact JEKCA customer support directly. Provide details of the missing components and your purchase information.
- **Difficulty with Instructions:** If you find the included instructions challenging, consider searching for online video tutorials or community forums for additional visual guidance. Some users have found external resources helpful for understanding the building methodology.
- **Loose Connections:** Ensure all pins are fully inserted and turned 90 degrees with the pin driver. A proper turn locks the bricks securely.
