Apple Smart Folio User Manual

For iPad Pro 12.9-inch (3rd Generation)

Introduction

This manual provides instructions for the proper setup, operation, and maintenance of your Apple Smart Folio for the 12.9-inch iPad Pro (3rd Generation). The Smart Folio is designed to offer protection and enhance the functionality of your device.

Compatibility: This Smart Folio is specifically designed for the 12.9-inch iPad Pro (3rd Generation).

Product Overview

The Apple Smart Folio provides comprehensive protection for both the front and back of your iPad Pro. Its magnetic design ensures a secure fit and allows for easy attachment and removal. The folio also supports automatic wake and sleep functions when opened and closed, respectively.

Setup

To attach the Smart Folio to your iPad Pro:

1. Ensure your iPad Pro (12.9-inch, 3rd Generation) is clean and free of debris on its back surface.
2. Align the Smart Folio with the back of your iPad Pro. The magnets in the folio will automatically snap it into place, ensuring proper alignment with the camera and buttons.
3. Gently press along the edges to confirm a secure attachment.

Operating Instructions

The Smart Folio offers versatile functionality for your iPad Pro:

- **Automatic Wake/Sleep:** Opening the Smart Folio will automatically wake your iPad Pro. Closing it will put your iPad Pro to sleep.
- **Viewing Stand:** Fold the Smart Folio into a triangular stand to prop up your iPad Pro for comfortable viewing of videos, photos, or video calls.

Maintenance

To keep your Smart Folio in optimal condition:

- **Cleaning:** Use a soft, lint-free cloth, slightly dampened with water, to gently wipe the exterior and interior surfaces. Avoid using harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the Smart Folio in a clean, dry environment away from direct sunlight and extreme temperatures.
- **Avoid Liquids:** Do not immerse the Smart Folio in water or expose it to excessive moisture.

Troubleshooting

- **iPad Pro not waking/sleeping automatically:** Ensure the Smart Folio is correctly aligned and securely attached to your iPad Pro. Check for any debris between the folio and the iPad that might prevent proper magnetic contact.
- **Folio not staying in stand position:** Verify that the folds are crisp and the magnetic connections are engaging properly. If the material has become stretched or damaged, its ability to hold a stand position may be affected.
