McKesson B07K32DTSS

McKesson Ultra Plus Stretch Briefs User Manual

Model: B07K32DTSS | Brand: McKesson

1. PRODUCT OVERVIEW

The McKesson Ultra Plus Stretch Briefs are designed to provide reliable and comfortable incontinence protection for both men and women. These briefs feature heavy absorbency, soft cloth-like materials, and advanced design elements to ensure a secure fit and effective fluid management.

Image 1.1: Packaging of McKesson Ultra Plus Stretch Briefs, Medium/Regular size, 20 count.

Key features include a soft, cloth-like inner and outer breathable material, a hi-loft premium nonwoven acquisition layer for rapid fluid absorption, and an advanced dual-core performance system that locks wetness away while reducing urine pH for improved odor control and skin wellness.

2. PRODUCT FEATURES

- **Soft, cloth-like inner and outer breathable material:** Delivers enhanced comfort for extended wear.
- **Advanced stretch side panels:** Provide a flexible and secure fit.
- **Hi-loft premium, nonwoven acquisition layer:** Rapidly absorbs fluid into the core, keeping skin dry.
- **Advanced dual-core performance:** Locks wetness away, reduces urine pH, and contributes to improved odor control and skin wellness.
- **Inner leg cuffs:** Offer added leak defense, minimizing the risk of leaks.
- **Full-length closure strips with hook-and-loop design:** Allow for refastening to ensure a snug and adjustable fit.

Comfortable Secure Fit

Comfort

Soft, cloth-like inner and outer material

Odor Control

Premium odor control prevents odors before they have a chance to form

Super Absorbency

Advanced contoured dual-core performance locks wetness away

Secure Fit

Soft and flexible hook & loop tabs can refasten anywhere on the brief

Leak Protection

Gentle outer leg gathers provide comfort and added protection

Added Shield

Premium acquisition layer rapidly absorbs fluids into the core

Advanced Dual-Core Absorption

Rapid fluid absorption with hi-loft non-woven layer and dual-core technology that locks away wetness, reduces pH, and promotes skin wellness.

Image 2.2: Illustration demonstrating the rapid fluid absorption and dual-core technology for wetness lock-away and skin wellness.

Ultimate Comfort & Protection

Experience reliable incontinence care tailored for your needs

Advanced Leak Protection

Soft & Gentle Material

Versatile Application

Easy Adjustability

Image 2.3: Visual summary of benefits including advanced leak protection, soft and gentle material, versatile application, and easy adjustability.

3. SAFETY INFORMATION

Please read and adhere to the following safety guidelines:

- May cause skin irritation. Avoid contact with eyes and mouth.
- Do not flush used products down the toilet. Dispose of hygienically in a waste receptacle.
- Wash hands thoroughly after handling used products.
- If rash or irritation occurs, discontinue use immediately and consult a healthcare professional.
- Keep out of reach of children to prevent accidental ingestion or misuse.

4. INGREDIENTS

These briefs are **Not Made with Natural Rubber Latex**.

5. DIRECTIONS FOR USE

Follow these steps for proper application and disposal:

- Application:** Apply the brief by securing the refastenable full-length closure strips around the waist. Ensure a snug yet comfortable fit.
- Change Frequency:** Change the brief when it is wet or soiled to maintain hygiene and skin health.
- Disposal:** Dispose of used briefs hygienically in a designated waste bin. Do not flush.
- Sizing and Absorbency:** Always assess the appropriate size and absorbency level for the individual user's needs to ensure maximum effectiveness and comfort.

6. SIZING AND FIT

Selecting the correct size is crucial for comfort and leak protection. McKesson Ultra Plus Stretch Briefs are available in various sizes to accommodate different waist measurements.

MCKESSON

ULTRA PLUS | STRETCH Briefs

WAIST SIZE

M/R

32 - 54 in

L/XL

48 - 66 in

**XXL/
3XL**

58 - 77 in

Image 6.1: Waist size chart for McKesson Ultra Plus Stretch Briefs, showing M/R (32-54 in), L/XL (48-66 in), and XXL/3XL (58-77 in).

For a more detailed fit assessment, refer to the comprehensive height and weight chart below:

Stretch briefs

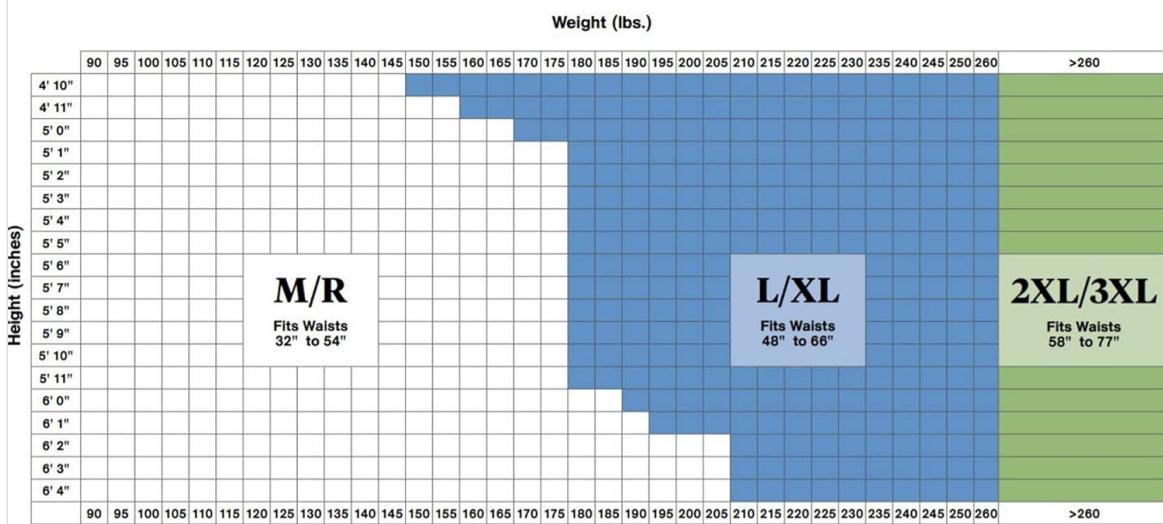

Image 6.2: Detailed sizing chart for stretch briefs, correlating height and weight to recommended sizes (M/R, L/XL, 2XL/3XL).

Ensure the brief fits snugly around the waist and legs without being too tight, allowing for comfortable movement and effective containment.

7. CARE AND MAINTENANCE

McKesson Ultra Plus Stretch Briefs are disposable products and do not require cleaning or maintenance. For optimal performance and hygiene, always dispose of used briefs promptly and hygienically as per the directions for use.

Image 7.1: McKesson Ultra Plus Stretch Briefs package and folded briefs on a surface, ready for use.

8. TROUBLESHOOTING

If you encounter issues while using the McKesson Ultra Plus Stretch Briefs, consider the following common troubleshooting tips:

- **Leakage:** Ensure the correct size and absorbency level are being used. Check that the brief is applied snugly with no gaps around the legs or waist. The inner leg cuffs should be properly positioned.
- **Discomfort/Redness:** Verify the brief is not too tight. Ensure skin is clean and dry before application. If irritation persists, discontinue use and consult a healthcare professional.
- **Odor:** Ensure briefs are changed regularly, especially after voiding. The dual-core system is designed to control odor, but frequent changes are essential for hygiene.

9. SPECIFICATIONS

Attribute	Detail
Product Dimensions	10 x 10 x 6.5 inches

Item Weight	3.33 Pounds
Manufacturer	McKesson Brand
ASIN	B07K32DTSS
