2015 -2020 GMC Yukon XL**

Image 1.1: This diagram illustrates the compatible full console with bucket seats (green checkmark) and the incompatible split bench seat (red X). Ensure your vehicle's console matches the compatible configuration.

2. PRODUCT FEATURES

The Jaronx Center Console Organizer Tray is engineered with practical features to maximize your console's utility and maintain order.

2.1. Enhanced Storage and Organization

This organizer provides multiple compartments, transforming a deep, often messy, console into an organized storage area. It allows for the separation of items such as wallets, sunglasses, pens, business cards, and phones, while leaving ample space underneath for larger items.

Image 2.1: The top row shows a messy, deep, and dirty console. The bottom image shows the same console after installation of the organizer, demonstrating improved organization and accessibility.

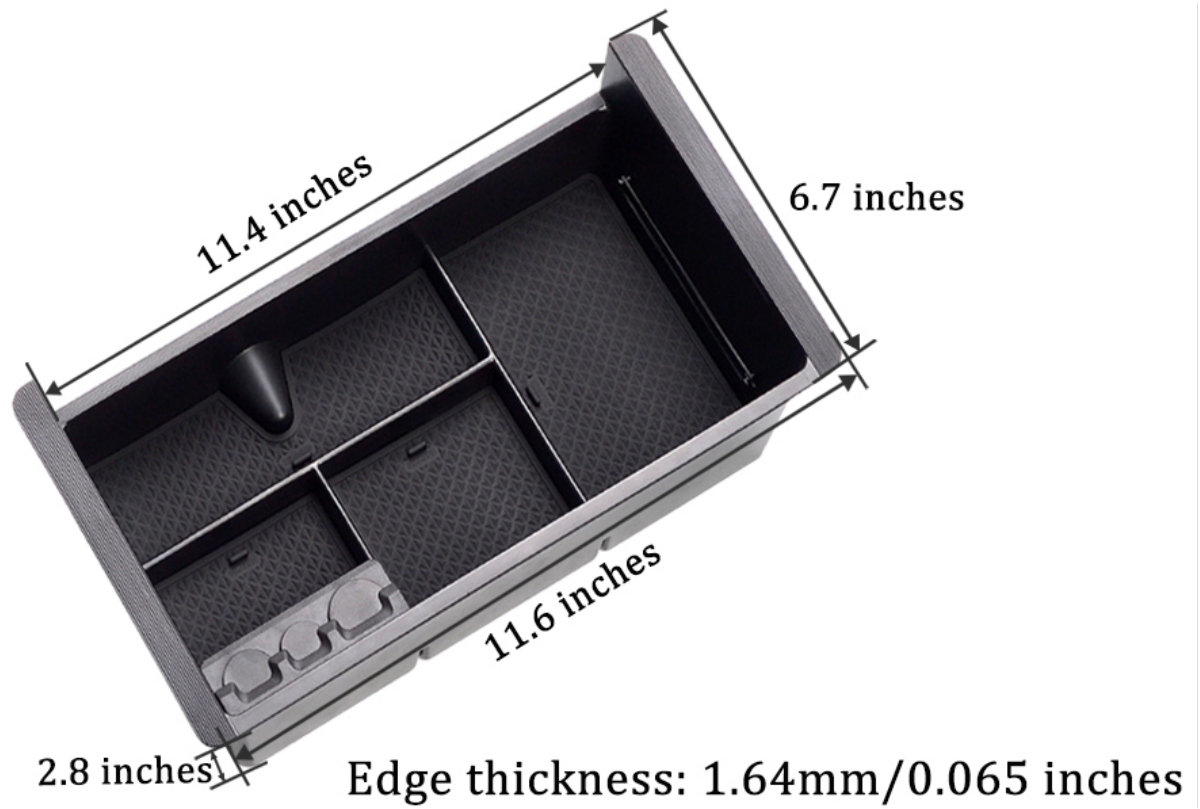

Image 2.2: An overhead view of the organizer with labels indicating designated areas for keys, coins, lipsticks, glasses, smartphones, and business cards, highlighting its versatile storage capabilities.

2.2. Durable Construction and Anti-Slip Design

The organizer is constructed from solid ABS material with a thickened edge for enhanced durability and resistance to breakage. High-quality silicone mats are included to prevent items from sliding, rolling, or rattling within the compartments, ensuring a quiet and secure storage solution.

**High quality ABS
and PC materials**

02

**Silicone mat prevents
objects from slipping**

Image 2.3: This image highlights the high-quality ABS and PC materials used in the organizer's construction (top panel) and the textured silicone mats designed to prevent items from slipping (bottom panel).

2.3. Detachable Coin Organizer

A detachable coin organizer is included, allowing you to neatly store and access coins. This coin box can be fixed in different areas within the tray using integrated buckles, providing flexibility in layout.

03

Detachable Coin Organizer allows you to clamp coins

04 The coin box can be fixed in different areas by buckles.

Image 2.4: The detachable coin organizer is shown, designed to securely hold coins. This component can be removed or repositioned as needed.

05

An exclusive position for storing glasses

06

Prevent glasses from rolling or scratches.

Image 2.5: This image demonstrates how the coin box can be securely fixed into various positions within the organizer tray using its integrated buckles, indicated by red circles.

2.4. Dedicated Glasses Storage

The organizer features an exclusive position specifically designed for storing glasses. This dedicated slot helps prevent glasses from rolling around or getting scratched, keeping them safe and easily accessible.

Zero-Risk Purchase

No reason to refund or replacement for faulty items

Image 2.6: The top panel shows the dedicated slot for glasses within the organizer. The bottom panel illustrates how glasses fit securely into this position, preventing movement and potential damage.

3. SETUP AND INSTALLATION

Installation of the Jaronx Center Console Organizer Tray is straightforward and requires no tools or modifications to your vehicle.

3.1. Installation Steps

1. Ensure your vehicle's center console is clean and free of debris.
2. Open the center console lid.
3. Carefully place the Jaronx Center Console Organizer Tray into the console opening. The tray is designed to fit snugly into the existing console structure.
4. Adjust the tray as needed to ensure it sits level and stable.
5. Place the included anti-slip mats into the designated compartments within the tray.
6. Position the detachable coin organizer in your preferred location within the tray, securing it with its buckles if desired.

Image 3.1: The Jaronx Center Console Organizer Tray shown installed in a vehicle's console, demonstrating its seamless integration and immediate organizational benefits.

4. OPERATING AND USE

Once installed, the organizer tray is ready for immediate use. Utilize the various compartments to store and categorize your personal items.

- **Main Compartments:** Use the larger sections for items such as smartphones, small notebooks, or a wallet.
- **Coin Holder:** Place coins in the detachable coin organizer for easy access.
- **Glasses Slot:** Securely store your eyeglasses or sunglasses in the dedicated slot to prevent damage.
- **Card Slot:** Utilize the specially designed slot for business cards or other small cards.

5. MAINTENANCE

Maintaining your Jaronx Center Console Organizer Tray is simple and helps prolong its lifespan and appearance.

5.1. Cleaning Instructions

- The organizer tray and silicone mats can be easily removed for cleaning.
- Wipe the ABS plastic tray with a damp cloth and mild detergent if necessary. Avoid abrasive cleaners.
- The silicone mats can be rinsed with water and air-dried.
- Ensure all components are completely dry before placing them back into the console.

6. TROUBLESHOOTING

Most issues with the organizer tray relate to compatibility or minor fitment. Refer to the following common scenarios:

6.1. Common Issues and Solutions

Issue	Possible Cause	Solution
Tray does not fit or is too loose.	Incorrect vehicle console type (e.g., split bench seat instead of full console with bucket seats) or incompatible model year.	Verify your vehicle's console type and model year against the compatibility list in Section 1.1. This organizer is designed for a precise fit in specified full consoles.
Items slide or rattle within the tray.	Anti-slip mats are not installed or are misplaced.	Ensure all four anti-slip mats are correctly placed in the bottom of the tray's compartments.
Coin organizer is not secure.	Coin organizer not properly buckled into place.	Ensure the coin organizer's buckles are fully engaged with the corresponding slots in the main tray.
