## 6. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your vanity set.

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. For stubborn marks, a slightly damp cloth with mild soap can be

- **Mirror Care:** Clean mirrors with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Avoid Excessive Weight:** Do not place excessively heavy objects on the tabletop or in the drawers to prevent damage.
- **Environmental Conditions:** Avoid exposing the vanity to extreme temperatures or humidity, which can cause warping or damage to the wood.
