|--------------|-------------------|-------|--------------------|-------------|-----------------|----------------|
| Introduction | What's in the Box | Setup | Operating          | Maintenance | Troubleshooting | Specifications |
|              |                   |       | Warranty & Support |             |                 |                |

1. Introduction

The Powerbeats3 Wireless In-Ear Headphones are designed for athletes, offering a comfortable, powerful, and secure audio experience. These headphones connect wirelessly via Class 1 Bluetooth technology, providing freedom of movement during workouts. Key features include dual-driver acoustics for high-quality sound, a 12-hour rechargeable battery, and the Fast Fuel feature for quick charging. They are also IPX4 sweat and water-resistant, making them suitable for rigorous activities.

Image 1.1: Powerbeats3 Wireless In-Ear Headphones (Black).

2. What's in the Box

Please check the package contents to ensure all items are present:

- Powerbeats3 Wireless In-Ear Headphones

- 4 sets of eartips (various sizes)
- Micro USB charging cable
- Carrying case

### 3. Setup

#### 3.1. Charging Your Headphones

Before initial use, fully charge your Powerbeats3 headphones. A full charge provides up to 12 hours of playback.

1. Connect the Micro USB charging cable to the charging port on the right earbud.
2. Connect the other end of the cable to a USB power source (e.g., computer, wall adapter).
3. The LED indicator will show charging status. It will turn solid white when fully charged.

**Fast Fuel:**

If the battery is low, a 5-minute charge provides 1 hour of playback.

#### 3.2. Pairing with a Device

The Powerbeats3 headphones use Class 1 Bluetooth for wireless connectivity.

1. Press and hold the power button on the left earbud for 5 seconds until the LED indicator flashes white. This puts the headphones in pairing mode.
2. On your device (smartphone, tablet, computer), go to Bluetooth settings and ensure Bluetooth is enabled.
3. Select "Powerbeats3" from the list of available devices.
4. Once connected, the LED indicator will turn solid white.

#### 3.3. Fitting Your Headphones

Proper fit is crucial for sound quality and comfort. The Powerbeats3 come with multiple ear-tip sizes to ensure a secure fit.

1. Choose the ear-tip size that creates a comfortable seal in your ear canal.
2. Place the ear hook over your ear and gently insert the earbud into your ear canal.
3. Adjust the flexible ear hook to fit snugly around your ear.

Image 3.1: Close-up of Powerbeats3 earbud demonstrating the ear hook design.

## **4. Operating Your Headphones**

### **4.1. In-Line Remote Control**

The in-line remote on the cable allows you to control music playback, volume, and phone calls.

Image 4.1: Powerbeats3 In-Line Remote Control.

- **Volume Up/Down:** Press the top (+) or bottom (-) buttons.
- **Play/Pause:** Press the center button once.
- **Skip Track Forward:** Press the center button twice.
- **Skip Track Backward:** Press the center button three times.
- **Activate Voice Assistant:** Press and hold the center button.

#### 4.2. Phone Calls

- **Answer/End Call:** Press the center button once.
- **Decline Call:** Press and hold the center button.

- **Switch Between Calls:** Press the center button once to switch between two active calls.

## 5. Maintenance

### 5.1. Cleaning

To maintain optimal performance and hygiene, clean your headphones regularly.

- Gently wipe the earbuds and cable with a soft, damp, lint-free cloth.
- Remove ear-tips and clean them with mild soap and water, then rinse thoroughly and dry completely before reattaching.
- Do not use abrasive cleaners or submerge the headphones in water.

### 5.2. Water and Sweat Resistance

The Powerbeats3 headphones are IPX4 rated, meaning they are resistant to splashing water from any direction. This makes them suitable for exercise and light rain.

- Do not submerge the headphones in water.
- Avoid exposing them to pressurized water or high-velocity water.
- Ensure the charging port is dry before charging.

## 6. Troubleshooting

If you encounter issues with your Powerbeats3 headphones, try the following solutions:

| Problem                        | Solution                                                                                                                                                                                                                 |
|--------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Headphones won't turn on       | Ensure the headphones are charged. Connect to a power source using the Micro USB cable.                                                                                                                                  |
| Cannot pair with device        | Make sure Bluetooth is enabled on your device. Put headphones in pairing mode (LED flashes white). Move headphones closer to the device. Forget "Powerbeats3" in your device's Bluetooth settings and try pairing again. |
| No sound or poor sound quality | Check volume levels on both headphones and your device. Ensure ear-tips are properly fitted and clean. Try re-pairing the headphones.                                                                                    |
| Remote control not responding  | Ensure the headphones are connected. Try restarting your device.                                                                                                                                                         |

## 8. Warranty and Support

This product is a renewed item. Renewed products typically come with a specific return policy and may not carry the original manufacturer's warranty.

### 8.1. Return Policy

The buybox winner offers a 90-day refund/replacement return policy. Please refer to the seller's specific return policy for detailed terms and conditions.

## 8.2. Legal Disclaimer

A restocking fee of 20% of the item's price may be applied if the buyer changes their mind and returns an item in original condition within the return window, or more than 15 days past the return window. All approved returns must be returned within 14 days in original condition with all included accessories. Items with serial numbers will be matched and verified.

## 8.3. Customer Support

For any issues or support inquiries regarding this renewed product, please contact the seller directly through the platform where the purchase was made. They can provide assistance specific to your renewed item.

## 9. Safety Information

- **Hearing Safety:** To avoid hearing damage, do not listen at high volume levels for long periods.
- **Driving Safety:** Do not use headphones while driving or cycling where it may be unsafe.
- **Choking Hazard:** Keep small parts, such as ear-tips, away from children.
- **Battery Safety:** Do not attempt to replace the battery yourself. Do not expose to excessive heat or fire.
- **Cleaning:** Use only a dry, soft cloth for cleaning. Avoid harsh chemicals.

**1. 30mm Driver**  
The 30mm driver delivers powerful, clear sound with deep bass and crisp highs.

**2. Noise Cancelling**  
Active Noise Cancelling (ANC) technology reduces ambient noise, allowing you to enjoy your music in peace.

**3. 30-Hour Battery Life**  
With a single charge, you can listen for up to 30 hours.

**4. Multipoint Connection**  
Connect to two devices at once, so you can seamlessly switch between your phone and laptop.

**5. Touch Sensor**  
Control your music and calls with the touch sensor on the side of the earcup.

**6. Foldable Design**  
The headphones are foldable, making them easy to carry and store.

**7. Quick Charge**  
A 5-minute charge gives you 3 hours of playback.

**8. Adaptive Sound Mode**  
The headphones automatically adjust the sound profile to match your environment.

**9. Speak-to-Chat**  
When you start talking, the headphones automatically pause music and activate the microphone.

**10. 3.5mm Headset Jack**  
The headphones have a 3.5mm headset jack for wired connection.

**11. Carrying Case**  
The headphones come with a soft carrying case for protection and portability.

**12. Headband Padding**  
The headband is padded for comfort during long listening sessions.

**13. Earcup Padding**  
The earcups are padded for comfort and to seal the sound.

**14. Swivel Earcups**  
The earcups can swivel 90 degrees for a more comfortable fit.

**15. Headband Adjuster**  
The headband has an adjustable slider for a custom fit.

**16. Headset Cable**  
The headphones come with a 3m headset cable.

**17. USB-C Cable**  
The headphones come with a USB-C cable for charging.

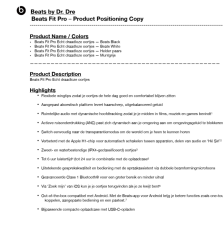

**18. Quick Start Guide**  
The headphones come with a quick start guide.

**19. Warranty Card**  
The headphones come with a 1-year warranty card.

**20. Sony WH-1000XM3**  
The headphones are the Sony WH-1000XM3 model.
