

Altec Lansing IMW991-BLK

Altec Lansing RockBox Bluetooth Speaker User Manual

Model: IMW991-BLK

1. INTRODUCTION

Thank you for purchasing the Altec Lansing RockBox Bluetooth Speaker. This portable, waterproof speaker is designed to deliver powerful sound and vibrant LED lighting effects, making it ideal for various indoor and outdoor environments. Please read this manual carefully to ensure proper use and to maximize your listening experience.

The RockBox features a rugged design, IP67 waterproof rating, long battery life, and the ability to pair with multiple speakers for an enhanced audio experience.

2. SAFETY INFORMATION

- Do not attempt to disassemble or modify the speaker.
- Keep the speaker away from extreme temperatures, direct sunlight, and open flames.
- Ensure all ports are securely closed when using the speaker near water to maintain its waterproof integrity.
- Use only the provided AC adapter for charging.
- Avoid dropping or subjecting the speaker to strong impacts.

Key Features:

- Waterproof & Durable:** Certified IP67 rated, making it waterproof, shockproof, snowproof, and dustproof. Ideal for outdoor use, including beaches, pool sides, and camping.
- Wireless Bluetooth Connectivity:** Connects up to 100 feet away from your device with Bluetooth 4.2 for a stable and fast connection.
- Long Battery Life:** Enjoy up to 12 hours of continuous music playback on a single charge.
- Illuminating LED Lights:** Features 7 color combinations that can sync with your music, enhancing the party atmosphere.
- House Party Pairing:** Connect up to 50 House Party enabled speakers together for a synchronized audio

experience.

- **Voice Assistant Integration:** Access Siri and Hey Google for hands-free control and information.

5. SETUP

Charging the Speaker:

1. Locate the charging port on the side of the speaker.
2. Connect the provided AC adapter to the charging port.
3. Plug the AC adapter into a power outlet. The charging indicator light will illuminate.
4. Allow the speaker to fully charge before first use.

Initial Power On:

1. Press and hold the Power button () located on the top panel of the speaker for a few seconds until you hear an audible prompt and the LED lights activate.

6. OPERATING INSTRUCTIONS

Bluetooth Pairing:

1. Ensure the speaker is powered on. It will automatically enter Bluetooth pairing mode, indicated by a flashing Bluetooth indicator light.
2. On your smartphone, tablet, or other Bluetooth-enabled device, go to the Bluetooth settings.
3. Select "Altec RockBox" from the list of available devices.
4. Once connected, you will hear an audible confirmation, and the Bluetooth indicator light will become solid.

House Party Pairing:

To connect multiple RockBox speakers for a synchronized audio experience:

1. Ensure all speakers are powered on and not connected to any Bluetooth device.
2. On the first speaker (master speaker), press and hold the House Party button (H) until you hear a prompt.
3. On subsequent speakers (slave speakers), press the House Party button (H) briefly.
4. The speakers will automatically connect. Once connected, you can control playback and volume from the master speaker or your connected device.

7. MAINTENANCE

- Clean the speaker with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- Ensure all port covers are clean and properly sealed to maintain waterproof integrity.
- Store the speaker in a cool, dry place when not in use.
- Avoid prolonged exposure to direct sunlight or extreme temperatures.

8. TROUBLESHOOTING

Problem	Possible Solution
Speaker does not power on.	Ensure the battery is charged. Connect the AC adapter and try again.
Cannot pair with Bluetooth device.	Ensure the speaker is in pairing mode (flashing Bluetooth light). Turn off and on Bluetooth on your device. Move closer to the speaker.
No sound or low volume.	Increase volume on both the speaker and your connected device. Ensure the speaker is not muted.
Sound distortion.	Reduce the volume. Move the speaker closer to your device to avoid interference.
House Party pairing fails.	Ensure all speakers are not connected to any other Bluetooth device. Follow the pairing steps carefully.
