Sojag Outdoor 12' x 14' Striano

Sojag Striano 12 ft. x 14 ft. Gazebo Screen House User Manual

Model: Outdoor 12' x 14' Striano

1. PRODUCT OVERVIEW

The Sojag Striano Screen House is designed to provide a protected and comfortable outdoor living space. This structure features a robust aluminum frame, durable galvanized steel roof panels, and full wall-to-wall screens, offering protection from weather elements and insects. Double sliding doors on each side provide convenient access.

2. SAFETY INFORMATION

Prior to assembly and use, please read and understand all safety warnings and instructions. Failure to do so may result in injury or damage.

- **Assembly Hazards:** Be aware of potential hazards during assembly. It is recommended to have at least two people for assembly. Wear appropriate personal protective equipment, such as gloves and eye protection.
- **Stable Foundation:** Ensure the gazebo is assembled on a level and stable foundation to prevent tipping or instability.
- **Snow Accumulation:** While the structure is designed for year-round use, it is advised to remove any significant accumulation of snow from the roof to prevent structural damage.
- **Wind and Weather:** Avoid assembly during strong winds or heavy rain. Ensure all connections are securely fastened after assembly and regularly check for loose parts, especially after severe weather.

3. COMPONENTS

The Sojag Striano Gazebo Screen House consists of the following primary components:

- **Aluminum Frame:** Powder-coated, corrosion-resistant aluminum frame provides the main structural support.
- **Galvanized Steel Roof Panels:** Durable roof panels designed to offer protection from the elements.
- **Screen Walls:** Full wall-to-wall screens for insect protection and airflow.
- **Double Sliding Doors:** Two fully screened double sliding doors for convenient entry and exit.

4. SETUP AND ASSEMBLY

Assembly of the Sojag Striano Gazebo Screen House is required. It is crucial to follow the detailed step-by-step instructions provided in the comprehensive user manual (PDF) linked in the 'Further Resources' section. Ensure all parts are accounted for and undamaged before beginning assembly.

- **Site Preparation:** Select a level and firm ground for installation. Clear the area of any debris or obstacles.
- **Tools:** Use the correct tools as specified in the assembly manual to ensure secure and proper construction.
- **Fasteners:** Use only the screws, nuts, and bolts supplied with the kit. Tighten all fasteners securely but do not overtighten to avoid damaging threads.

5. OPERATION

The Sojag Striano Screen House is designed for ease of use, providing a versatile outdoor space.

- **Sliding Doors:** The double sliding doors can be easily opened or closed to control access and airflow. Ensure the tracks are clear of debris for smooth operation.
- **Screen Functionality:** The integrated screens provide protection from insects while allowing ventilation.

6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your Sojag Striano Gazebo Screen House.

- **Snow Removal:** During winter months, it is crucial to remove any significant snow accumulation from the roof to prevent excessive weight and potential damage.
- **Cleaning:** Clean the aluminum frame and galvanized steel roof panels periodically with mild soap and water. Avoid abrasive cleaners or harsh chemicals that could damage the finish.

- **Screen Care:** Gently clean the screens with a soft brush or cloth and mild soapy water. Ensure they are dry before retracting or storing.
- **Fastener Check:** Periodically inspect all bolts and screws to ensure they remain tight and secure.

5. Achtung bei großen Bauteilen:

- Verwenden Sie, wenn möglich, eine zweite Person, um größere Teile anzuheben und zu montieren, um Verletzungen durch übermäßiges Gewicht oder unkontrollierte Bewegungen zu vermeiden.
- Achten Sie darauf, Bauteile sicher zu unterstützen, wenn sie noch nicht vollständig befestigt sind.

Sicherheitshinweise für die Montage

1. Befestigung der Geräte:

- Verwenden Sie die im Bausatz enthaltenen Schrauben, Muttern und Bolzen, um die Konstruktion sicher zu montieren.
- Ziehen Sie alle Schrauben und Verbindungen fest an, jedoch nicht übermäßig, um eine Beschädigung des Gewindes zu vermeiden.

2. Verankerung:

- Wenn die Montageanleitung eine Verankerung im Boden vorsieht, befolgen Sie diese Anweisungen sorgfältig, um die Struktur bei Wind sicher zu befestigen.
- Eine nicht ausreichend verankerte Struktur kann bei starkem Wind gekippt oder umgestoßen werden.

3. Schutz vor Kanten und Spitzen:

- Schützen Sie sich vor scharfen Kanten und Spitzen, insbesondere bei Metallteilen, und tragen Sie Schutzhandschuhe.
- Decken Sie freiliegende Schrauben oder scharfe Kanten ab, um Verletzungen zu vermeiden.

4. Überprüfung nach der Montage:

- Überprüfen Sie alle Verbindungen und Verankerungen nach dem Aufbau gründlich, um sicherzustellen, dass die Struktur stabil und fest ist.
- Überprüfen Sie regelmäßig die Struktur von lockeren Schrauben oder beschädigten Teilen, insbesondere nach starkem Wind oder extremen Wetterbedingungen.

SicherheitsnHinweise zur Nutzung

1. Wind- und Wetterbedingungen:

- Schützen Sie den Pavillon oder die Pergola bei Sturmwarnungen oder extremen Wetterbedingungen, indem Sie lose Teile entfernen oder das Dach sichern.

7. TROUBLESHOOTING

This section provides general guidance for common issues. For specific problems, refer to the detailed user manual (PDF).

- **Instability:** If the gazebo feels unstable, ensure it is placed on a level surface and all anchor points are securely fastened to the ground. Re-check all frame connections.
- **Sliding Door Sticking:** Check the tracks for any debris, dirt, or obstructions. Clean the tracks thoroughly. Ensure the rollers are intact and properly aligned.
- **Water Leaks:** Verify that all roof panels are correctly installed and sealed according to the assembly instructions. Check for any loose screws or gaps in the roof structure.

8. SPECIFICATIONS

Attribute	Detail
Brand	Sojag
Model Number	Outdoor 12' x 14' Striano
Product Dimensions	144 x 120 x 108 inches
Item Weight	7.8 ounces (Note: This seems to be package weight, actual structure is heavier)
Material	Aluminum (Frame)
Frame Material	Aluminum
Color	Champagne
Water Resistance Level	Waterproof
Ultraviolet Light Protection	Yes, some level of protection
Assembly Required	Yes
UPC	772830164367
