Greadio R919

Greadio Vintage Bluetooth Speaker Radio R919 Instruction Manual

Model: R919

Brand: Greadio

PRODUCT OVERVIEW

The Greadio Vintage Bluetooth Speaker Radio R919 is a compact and stylish audio device that combines classic retro aesthetics with modern functionality. Crafted from natural walnut wood, it offers both FM radio and Bluetooth 5.0 connectivity, allowing you to enjoy music from various sources. Its bass enhancement system delivers rich, loud sound without distortion, making it an ideal companion for any setting.

PRODUCT FEATURES

- **Retro Aesthetic with Modern Tech:** Crafted from natural walnut wood, blending 1950s retro vibe with advanced digital audio technology.
- **Advanced Bluetooth 5.0:** Connects with smart equipment in less than one second for seamless audio streaming.
- **Bass Enhancement System:** Produces rich, stereo sound from the front without complicated traditional speakers.
- **Compact Size, Loud Volume:** Features five-watt amplifiers for surprisingly rich and loud sound without distortion, despite its small 4.4 x 2.7 x 2 inch dimensions.
- **Long Playtime:** Built-in 1100mAh rechargeable battery offers up to nine hours of playtime.
- **FM Radio Function:** Instantly takes you back to the good old days of radio channel surfing.

SETUP

Charging the Device

Before first use, fully charge the speaker. Connect the provided Micro USB cable to the charging port on the back of the speaker and the other end to a USB power source (e.g., computer, USB wall adapter). The charging indicator light will show the charging status.

connections.

Powering On/Off

To power on the device, rotate the main dial (usually the rightmost dial) from the 'OFF' position to either 'FM' or 'BT' (Bluetooth) mode. To power off, rotate the dial back to 'OFF'.

OPERATING INSTRUCTIONS

Bluetooth Mode

1. Turn the main dial to the 'BT' position. The dial light will turn blue, indicating Bluetooth pairing mode.
2. On your smart device (phone, tablet, etc.), enable Bluetooth and search for available devices.
3. Select 'Greadio R919' from the list to pair. Once connected, the speaker will emit a confirmation tone.
4. You can now play audio from your device through the speaker.

FM Radio Mode

1. Turn the main dial to the 'FM' position. The dial light will turn orange, indicating FM radio mode.
2. Use the tuning dial (the larger central dial) to scan for FM radio stations. Rotate it slowly to find clear signals.
3. The frequency numbers on the dial will indicate the current station.

Volume Control

Use the smaller dial on the left (labeled 'VOL') to adjust the volume. Rotate clockwise to increase volume and counter-clockwise to decrease it.

Playback Controls (for TF card/Aux)

The speaker supports TF card playback and auxiliary input. Use the small buttons on the back panel for playback control (e.g., play/pause, next/previous track) when using a TF card. For auxiliary input, connect your device using a 3.5mm audio cable.

MAINTENANCE

- **Cleaning:** Wipe the speaker with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the speaker in a cool, dry place away from direct sunlight and extreme temperatures. Use the provided travel pouch for protection.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Recharge the speaker regularly, even if not in use for extended periods.

TROUBLESHOOTING

| Issue | Possible Solution |
|-----------------------|---------------------------------------------------------------------------------------------------------------|
| No power | Ensure the battery is charged. Connect to a power source and try again. |
| Cannot pair Bluetooth | Ensure the speaker is in Bluetooth mode. Turn off and on your device's Bluetooth. Move closer to the speaker. |
| Poor FM reception | Adjust the speaker's position. Extend the antenna (if applicable). Try tuning to a different station. |
| No sound | Check volume levels on both the speaker and your connected device. Ensure correct mode (BT, FM, AUX, TF). |

SPECIFICATIONS

| Feature | Detail |
